17	WHEREAS, For a family of four with an annual income equaling San Francisco's 2018
18	area median income ("AMI") of \$118,400, a monthly rent payment of \$4,550 consumes 46%
19	of the family's monthly income; and
20	WHEREAS, While low income San Francisco households earning less than 50% of

EXECUTIVE SUMMARY

Legislative Objectives

 The proposed resolution would (1) approve a loan amount not to exceed \$31,780,000 for the acquisition, rehabilitation, or permanent financing of 270 Turk Street and (2) affirm the Planning Department's determination that this project is consistent with the General Plan.
 The purpose of the loan is to provide permanent financing for the acquisition and rehabilitation loan for 270 Turk Street, an 86 unit multi-family residential rental housing building, and maintain its affordability for low- to moderate-income households.

Key Points

- 270 Turk GP, LLC, an affiliate of Tenderloin Neighborhood Development Corporation (TNDC), purchased 270 Turk Street for \$19,000,000 through San Francisco Housing Accelerator Fund financing. The proposed loan to 270 Turk GP, LLC would be used to repay the Housing Accelerator Fund and pay other costs.
- Sources of funds for the proposed loan are (1) the Preservation and Seismic Safety Program, and (2) either the Small Sites Program or Downtown Neighborhoods Preservation Fund.
- The mix of tenants and household income depends on finalizing a contract between TNDC and the Department of Homelessness and Supportive Housing for Step Up Program funds to provide supportive services.

Fiscal Impact

• The Draft Loan Agreement provides for a loan amount not-to-exceed \$31,870,000, which is more than estimated loan amounts ranging from \$28,782,204 to \$28,710,327. MOHCD is requesting loan authorization exceeding the actual loan amount because the project budget is still being finalized and additional flexibility in the total amount is needed.

Policy Consideration

 While the Small Sites and Downtown Neighborhoods Preservation Programs provide for nonprofit housing developers to acquire the sites to facilitate acquisition in the private market, the City has acquired properties from nonprofit housing developers after the initial purchase and should consider requesting that be the case in this agreement.

Recommendations

- Amend the proposed resolution to state that the correct amount of the requested loan is \$31,870,000.
- Amend the proposed resolution to request the MOHCD Executive Director to provide the option for the City to purchase 270 Turk Street at a future date.
- Approval of the proposed resolution as amended is a policy consideration for the Board of Supervisors.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Tenderloin Neighborhood Development Corporation sponsored an application to the Mayor's Office of Housing and Community Development (MOHCD) for financing to cover the acquisition and rehabilitation of 270 Turk Street, an 86 unit multi-family rental housing building. According to the MOHCD Loan Committee Evaluation Report, 270 Turk Street was purchased by 270 Turk GP, LLC on March 19, 2019 for \$19,000,000.¹ The property was purchased through San Francisco Housing Accelerator Fund financing, allowing the purchaser to quickly acquire the building and take it off the market with the goal of preventing displacement of the building's low-income residents. The Tenderloin Neighborhood Development Corporation's request for MOHCD financing is to (a) repay the Housing Accelerator Fund loan and accrued interest, (b) reimburse the Tenderloin Neighborhood Development Corporation for its working capital contribution, (c) cover the costs associated with executing permanent financing, (d) capitalize reserves and (e) pay the developer fee.

270 Turk Street Overview

270 Turk Street, built in 1927, is located between Leavenworth and Jones Street in the Tenderloin neighborhood. Table 1 provides an overview of the building's features.

Table 1. 270 Turk Street Building Characteristics

Square Feet	Approximately 47,000 square feet
Floors	10
Units	86 studio units
Current Tenant Area Median Income (AMI)	Ranges from 15% to 134% AMI
Rehabilitation Prior to Purchase	2017: Elevator upgrade; partial exterior painting
	2018: Roof replacement; rehabilitation of 22 units

Source: MOHCD

Following acquisition in 2019 by 270 Turk GP, LLC, the Project Team determined that priority areas for additional rehabilitation included: 1) Addressing extensive mold issues in a majority of the residential units; 2) Updating the fire alarm system to meet SF Fire Department 2021 Code and expanding the fire sprinkler system to all building areas; 3) Addressing issues in 5 units

deemed uninhabitable through kitchen, bathroom, and flooring replacements; 4) Spot replacement of windows, paint, and flooring, and miscellaneous repairs to units as they became vacant and issues were identified.

According to the rehabilitation timeline provided by MOHCD, the construction on the property is estimated to be completed by the end of July 2020.

Project Selection

MOHCD provides financing through rolling applications to the 2019 Small Sites Notice of Funding Availability (NOFA) and 2018 Downtown Neighborhoods Preservation Fund NOFA. Loans provided through these programs help with acquisition and rehabilitation of multi-family rental housing to maintain its affordability for low- to moderate-income tenants.

According to Ms. Caroline McCormack, Project Manager for MOHCD, 270 Turk Street was submitted for consideration under the Downtown Neighborhoods Preservation Fund program NOFA in November 2018 by the Tenderloin Neighborhood Development Corporation. This project met threshold eligibility requirements and was therefore determined to be an eligible project. MOHCD received one other application for this program which was also funded. Ms. McCormack notes that while the project was submitted under the Downtown Neighborhoods Preservation Fund program NOFA, it also meets the eligibility requirements for the Small Sites Program and could therefore receive funding through either the Small Sites Program or Downtown Neighborhoods Preservation Fund.

Funding Sources

MOHCD proposes using a variety of city funding sources for the permanent financing of 270 Turk Street. The project will receive funding through the Preservation and Seismic Safety and the Small Sites Program or Downtown Neighborhood Preservation Fund. According to Ms. McCormack, MOHCD needs flexibility as to whether it uses the Small Sites Program or Downtown Neighborhoods Preservation Fund to assist in funding this loan. The original source of funding for the project was intended to be the Downtown Neighborhood Preservation Fund. However, MOHCD is waiting on the sale of the Oceanwide Center and collection of related fees to fund the Downtown Neighborhood Preservation Fund to support for this project. The sale is currently stalled and if it does not go through MOHCD will utilize funds from the Small Sites Program, which is supported by Education Revenue Augmentation Fund (ERAF) funds.

Below is a description of the funding sources that MOHCD may utilize for financing loans for this project.

Preservation and Seismic Safety Program

The Preservation and Seismic Safety Program authorizes the City, through MOHCD, to utilize a portion of the proceeds from the 2016 General Obligation Bond (Series 2019A) for the preservation of affordable housing. Loan funds distributed under this program carry the following affordability restrictions: restrict all units to households earning no more than 120 percent of AMI at turnover and require that the project's combined average household incomes are no higher than 80 percent of AMI. The proposed loan agreement utilizes a mix of Preservation and

Seismic Safety Market Rate, Below Market Rate, and Deferred loans. The Below Market Rate and Deferred Loans, which have an interest rate that is at least one-third of the true interest cost, require that the affordability restrictions be permanent.

Downtown Neighborhoods Preservation Fund

Downtown Neighborhoods Preservation Fund, established by the Board of Supervisors on June 26, 2016 through Ordinance 137-16, authorized up to \$40 million in funding from fees paid through the Jobs-Housing Linkage Program (Section 413) and the Inclusionary Affordable Housing Program (Section 415) of the San Francisco Planning Code to be used for the acquisition and rehabilitation of existing housing. The program requires that the housing be within a one-mile radius of the Oceanwide Center at 50 First Street. Funds dispersed under this program target low-and moderate-income tenants and may serve tenants with household income up to a maximum of 120 percent AMI as long as the building-wide average does not exceed 80 percent AMI. This funding streams places a maximum \$250,000 City subsidy per unit.

Small Sites Program

The Small Sites Program, established on July 18, 2014 by the Citywide Affordable Housing Loan Committee for the purpose of stabilizing San Francisco's existing rental housing stock of buildings occupied by low- to moderate-income tenants who are vulnerable to displacement. This program is intended to provide funding for buildings with 5-25 units; however, according to Ms. McCormack, the program does not exclude buildings with more than 25 units. Over the lifetime of the project, a building should maintain affordability through an average of tenants with household income at no more than 80 percent of AMI. This funding stream also places a maximum \$300,000 City subsidy per unit for buildings with 10-25 units. According to program guidelines this may be evaluated on a case-by-case basis.

Education Revenue Augmentation Fund (ERAF)

Excess ERAF revenues received by the City are appropriated to the Affordable Housing Production and Preservation Fund, which was established by the Board of Supervisors on June 21, 2019 through Ordinance 112-19. The ERAF Affordable Housing Production and Preservation Fund funds the land acquisition and production of new 100 percent affordable housing projects along with acquisition and preservation of existing housing to make that housing permanently affordable.

Ground Lease

To preserve affordability long term, the City typically ground leases a City-owned property to a non-profit entity to develop, maintain, and manage the site. Under the Small Sites and Downtown Neighborhoods Preservation Fund Programs, the City provides permanent financing for the acquisition and rehabilitation of sites that are not owned by the City. According to Ms. McCormack, the Small Sites and Downtown Neighborhoods Programs must compete with profit-motivated developers to remove properties from the speculative real estate market, so the City uses a public-private partnership model designed to execute transactions quickly.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would (1) approve a loan amount not to exceed \$31,780,000 for the acquisition, rehabilitation, or permanent financing of 270 Turk Street and (2) affirm the Planning Department's determination that this project is consistent with the General Plan. The purpose of the loan is to provide permanent financing for the acquisition and rehabilitation loan for 270 Turk Street, an 86 unit multi-family residential rental housing building, and maintain its affordability for low- to moderate-income households.

By approving the proposed resolution, the Board of Supervisors is approving the (1) the Planning Department's determination that the proposed loan is not a project under the California Environmental Quality Act (CEQA), (2) the loan documents, including the Draft Loan Agreement and related documents, and (3) future actions by the City to protect the City's financial investment and retain affordability of the housing, which could include purchase or deed acceptance in lieu of foreclosure.

According to the Draft Loan Agreement between MOHCD and 270 Turk GP, LLC, the sources of loan funds up to \$31,870,000 are:

Preservation and Seismic Safety

Below Market Rate	\$4,407,346
Market Rate	6,820,024
Deferred	716,640
Subtotal Preservation and Seismic Safety	11,944,010
Small Sites Acquisition/ Downtown Preservation	19,870,000
Total	\$31,814,010

According to the proposed resolution, the loans will be funded through a combination of funds that include the Small Sites Program (ERAF funds) or The Downtown Neighborhoods Preservation Fund and Preservation and Seismic Safety Program loans.

Tenant Income Restrictions

According to the Draft Loan Agreement, the project proposes imposing two possible scenarios — A and B, presented below — for maintaining affordability of the building for tenants who are low-to moderate-income. After the agreement date, rent for the units that are vacant shall be set to achieve a mix of tenants at the following AMIs.

Scenario A

Scenario A includes 24 units that are set aside for a Step Up Housing Program for individuals who are formerly homeless and receive subsidies through the Department of Homelessness and Supportive Housing. According to Ms. McCormack, MOHCD and the Department of Homelessness and Supportive Housing prefer Scenario A but are waiting on the execution of a program contract between the Department of Homelessness and Supportive Housing and Tenderloin Neighborhood Development Corporation.

Number of Units	Median Income (Percentage)	
24	30%	
26	50%	
10	60%	
10	72%	
15	80%	

If the Department of Homelessness and Supportive Housing subsidies are reduced or no longer available for the units with household income at 30 percent AMI, rent for these units can be increased as needed to make the Project financially feasible (as approved by MOHCD) for households with income up to 120 percent AMI, which is in line with the current Small Sites underwriting guidelines regarding income restrictions.

Scenario B

Under this scenario, rents will be set for vacant units in order to bring the combined average for rent across all units as close as possible to the amount calculated for households with income from 30 percent to 80 percent AMI and no more than 120 percent AMI; this is consistent with the standard Small Sites Program income restrictions.

FISCAL IMPACT

Table 2 below summarizes the sources and uses of the proposed funding for the permanent financing of the acquisition and rehabilitation loan for 270 Turk Street. Similar to the two scenarios presented above for tenant income restrictions, there are two corresponding scenarios for the total cost of the loan, A and B. Scenario A, which includes Department of Homelessness and Supportive Housing subsidies, is slightly higher because of higher operating reserve costs, which are associated with higher costs for operating the building with supportive services.

In scenario A, because of the operating subsidy provided by the Department of Homelessness and Supportive Housing, the project supports more Preservation and Seismic Safety Program permanent debt, which is why less Small Sites or Downtown Neighborhoods subsidy is required. In scenario B, the project supports less Preservation and Seismic Safety Program debt and therefore requires more subsidy.

Sources of Funds

- <u>Small Sites Program / Downtown Neighborhood Preservation Fund</u>: This funding source is estimated to be approximately \$16.8 to \$19.9 million depending on the Scenario. This will be a 40-year loan accruing 3 percent interest annually. Payments on the loan are due annually in an amount equal to two-thirds of the residual receipts. The remaining balance on the loan with all accrued and unpaid interest and unpaid costs and fees will be due at 40 years. 270 Turk GP, LLC's obligation to pay interest annually is contingent on availability of residual receipts; any interest not paid as of each payment date due to lack of residual receipts will be forgiven and will not accrue.
- <u>Preservation and Seismic Safety Program</u>: Funding through this program will account for approximately \$8.8 to \$11.9 million depending on the Scenario. This source is comprised of three different loans a) Market Rate with an interest rate of 5.16725 percent per year, b) Below Market Rate with an interest rate of 1.38908 percent per year and c) Deferred with an interest rate of 1.38908 percent per year. Each of these loans is over 40 years. The Market Rate and Below Market Rate loans are to be paid in monthly installments; the remaining balance, with all accrued and unpaid interest and unpaid fees and costs incurred will be due at 40 years. The Deferred loan is due in full including all interest and unpaid fees and costs incurred at 40 years.
- <u>Tenant Income</u>: A small amount of funding, estimated at \$238,551, will come from tenant income from current operations.

Uses of Funds

Acquisition costs noted in Table 2 above range from \$26,597,851 (Scenario A) to \$26,651,940 (Scenario B), including:

\$19,000,000 for the March 2019 purchase by Turk 270 GP, LLC, funded by a loan from the Housing Accelerator Fund. According to an appraisal obtained by the Housing Accelerator Fund in June 2020, the purchase price of \$19,000,000 is at or below the current market price.

^{*}This includes all three Preservation and Seismic Safety (PASS) Program Loans at Market Rate, Below Market Rate, and Deferred.

^{**}Acquisition Costs include the costs of acquisition, rehabilitation, and interest accrued.

^{***}Soft costs include engineering and environmental studies, financing costs, legal costs, and soft cost contingency.

- Approximately \$3,501,607 in soft costs including accrued interest on the Housing Accelerator Fund loan, project due diligence costs, and other transaction costs associated with the acquisition and rehabilitation of the Project.
- Approximately \$4,841,688 for the rehabilitation completed between March 2019 and July 2020, including mold removal, updating the fire system, rehabilitating five units, and performing spot updates to windows, floors, and paint.

Total City Subsidy per Housing Unit

The total per housing unit City subsidy is estimated at \$334,677 for funding in Scenario A and \$333,841 in Scenario B, as shown in Table 3 below.

Table 3: City Subsidy for Affordable Housing Units

	Scenario A	Scenario B

Operating Revenues and Expenses

According to the 20-year cash flow analysis for 270 Turk Street, the project will have sufficient revenues to cover operating expenses, operating reserves, hard debt, management fees, and payments to the proposed MOHCD loans. Project revenues consist of tenant rents and in the case of Scenario A revenue includes supportive services income.

POLICY CONSIDERATION

Not to Exceed Cost

The Draft Loan Agreement provides for a loan amount not-to-exceed \$31,870,000, which is \$3,087,796 to \$3,159,673 more than estimated loan amounts under Scenario A (\$28,782,204) and Scenario B (\$28,710,327) shown in Table 2 above. According to Ms. McCormack, MOHCD is requesting loan authorization exceeding the actual loan amount because the project budget is still being finalized and additional flexibility in the total amount is needed.

Option to Purchase

The current City financing proposal for 270 Turk Street does not provide an option for the City to purchase the land at a future date. As noted above, financing under the Small Sites and Downtown Neighborhoods Preservation Fund Programs does not include purchase options for the City. MOHCD's general practice to own the land and enter into long-term ground leases with the affordable housing sponsor ensures the long-term affordability of the project and allows the City to retain an asset in exchange for providing financing to the project. While the Small Sites and Downtown Neighborhoods Preservation Programs provide for nonprofit housing developers

to acquire the sites to facilitate acquisition in the private market, the City has acquired properties from nonprofit housing developers after the initial purchase.² Therefore, the Budget and Legislative Analyst recommends amending the proposed resolution to request the MOHCD Executive Director to provide the option for the City to purchase 270 Turk Street at a future date.

Loan Sources and Amounts

The Budget and Legislative Analyst considers approval of the proposed resolution to be a policy matter for the Board of Supervisors because (1) the use of the Small Sites or Downtown Neighborhoods Preservation Program funds have not been finally determined as a source of funds for the proposed loan; and (2) the Department of Homelessness and Supportive Housing has not entered into a program contract with the Tenderloin Neighborhood Development Corporation, as noted above, which would change the actual loan amount.

RECOMMENDATIONS

- Amend the proposed resolution to state that the correct amount of the requested loan is \$31,870,000.
- Amend the proposed resolution to request the MOHCD Executive Director to provide the option for the City to purchase 270 Turk Street at a future date.
- Approval of the proposed resolution as amended is a policy consideration for the Board of Supervisors.

² The Board of Supervisors approved the purchase of 500 Turk Street from Tenderloin Neighborhood Development Corporation (TNDC) in January 2020 (File 19-1265). TNDC had originally purchased the property using a private loan from the Enterprise Community Loan Fund; MOHCD subsequently provided a loan to TNDC to pay off the Enterprise Community Loan Fund loan and for other costs. File 19-1265 provided for TNDC to convey 500 Turk Street to the City for a purchase price of \$12.25 million, which was credited against the outstanding balance of the prior loan made by MOHCD to TNDC.

RECITALS

- A. On July 18, 2014, the Citywide Affordable Housing Loan Committee authorized the Small Sites Acquisition and Rehabilitation Loan Program ("Small Sites Program") for the purpose of preserving and stabilizing San Francisco's existing rental housing stock of buildings and occupied by low- to moderate-income tenants who are vulnerable to displacement due to market-driven increases in evictions. Through this approval, MOHCD is authorized to provide loans to individual entities for acquisition and rehabilitation of specific existing residential buildings.
- B. On November 3, 1992, the voters of the City and County of San Francisco approved Proposition A, which provided for the issuance of up to \$350 million in general obligation bonds to establish and fund a Seismic Safety Loan Program. On November 8, 2016, the voters of the City and County of San Francisco approved Proposition C expanding the permitted use of the bonds to finance the costs to acquire, improve, rehabilitate and convert atrisk multi-unit residential buildings to permanent affordable housing. Under Chapter 66 of the San Francisco Administrative Code and the Preservation and Seismic Safety ("PASS") Program Regulations adopted by MOHCD, the City is authorized to provide a portion of proceeds of the bonds (the "2016 GO Bond (Series 2019A)", and the "Bonds") under this Agreement to Borrower for the preservation of affordable housing.
- C. On June 26, 2016, the San Francisco Board of Supervisors approved Ordinance 137-16 establishing the Downtown Neighborhoods Preservation Fund ("Downtown Neighborhoods Fund") and authorizing up to \$40 million in funding from fees paid pursuant to Sections 413 et seq. and 415.1 et seq. of the San Francisco Planning Code, for acquisition and rehabilitation of existing housing, within a one mile radius of 50 First Street. To the extent permitted by law, the City intends to reimburse amounts disbursed under this Agreement with proceeds from the Downtown Neighborhoods Fund.
- D. On June 21, 2019, through Ordinance 11219, the San Francisco Board of Supervisors established the Affordable Housing Production and Preservation Fund to receive appropriated excess Education Revenue Augmentation Fund revenues received by the City, for the purpose of funding land acquisition and production of new 100% affordable housing projects and acquisition and preservation of existing housing to make that housing permanently affordable. The City is authorized by this ordinance to provide a portion of the funds under this

Agreement (the "ERAF Affordable Housing Production and Preservation Fund") to Borrower for the acquisition and preservation of existing housing. The funds provided from the Bonds, the Downtown Neighborhoods Fund, and the ERAF Affordable Housing Production and Preservation Fund under this Agreement shall be collectively referred to herein as the "Funds."

- E. Borrower owns a fee interest in certain real property located at 270 Turk Street, San Francisco, California (the "Site"), which is currently developed as 86 unit units of residential rental housing. Borrower desires to use the Funds to repay its acquisition and rehabilitation loan and in order to continue to preserve the Site as residential housing affordable to low- to moderate-income households (the "Project").
- F. The City has reviewed Borrower's application for Funds and, in reliance on the accuracy of the statements in that application, has agreed to make a loan of Funds to Borrower (the "SSP Loan") in the amount of [Nineteen Million Eight Hundred Seventy Thousand and No/100 Dollars (\$19,870,000.00)] (the "SSP Loan Amount") under this Agreement to fund certain costs related to the Project. ARTICLE 2 FUNDING.

- 2.1 <u>Funding Amount</u>. The City agrees to lend to Borrower a maximum principal amount equal to the Funding Amount in order to provide permanent financing for the Project to preserve affordability that might otherwise be lost to the market-rate real estate market. The Funding Amount will be disbursed according to the terms and subject to the conditions set forth in this Agreement.
- 2.2 <u>Use of Funds</u>. Borrower acknowledges that the City's agreement to make the Loan is based in part on Borrower's agreement to use the Funds solely for the purpose set forth in **Section 2.1** and agrees to use the Funds solely for that purpose in accordance with the approved Table of Sources and Uses. Notwithstanding anything to the contrary contained herein, City shall not approve expenditure of Funds for expenses incurred by Borrower prior to March 19, 2019 (other than deposits made prior to such date for the acquisition of the Site).
- 2.3 Accounts; Interest. Each Account to be maintained by Borrower under this Agreement must be held in a bank or savings and loan institution acceptable to the City as a segregated account that is insured by the Federal Deposit Insurance Corporation or other comparable federal insurance program. With the exception of tenant security deposit trust accounts, any interest earned on funds in any Account must be used for the benefit of the Project.
- 2.4 <u>Records.</u> Borrower must maintain and provide to the City upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures from each Account authorized under this Agreement or by the City in writing and keep all estimates, invoices, receipts and other documents related to expenditures from each Account. In addition Borrower must provide to the City promptly following Borrower's receipt, complete copies of all monthly bank statements, together with a reconciliation, for each Account until all funds (including accrued interest) in each Account have been disbursed for eligible uses.
- 2.5 <u>Conditions to Additional Financing</u>. The City may grant or deny any application by Borrower for additional financing for the Project in its sole discretion.
- ARTICLE 3 <u>TERMS</u>. Borrower's repayment obligations with respect to the Funding Amount will be evidenced and governed by the Notes, which will govern in the event of any conflicting provision in this Agreement.
- 3.1 <u>Maturity Date</u>. Borrower must repay all amounts owing under the City Documents on the date (the "Maturity Date") that is the fortieth (40th) anniversary of the date that is the first day of the first full month following the date the SSP Deed of Trust and PASS Deed of Trust are recorded in the Recorder's Office of the City and County of San Francisco (the "Official Records").
- 3.2 <u>Compliance Term; Declaration of Restrictions</u>. Borrower must comply with all provisions of the City Documents relating to the use of the Site and the Project, as set forth in the Declaration of Restrictions to be recorded in the Official Records, for the Compliance Term.

- 3.3 <u>Interest</u>. The outstanding principal balance of the SSP Loan will bear simple interest at a rate of 3% per annum, as provided in the SSP Note. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Notes, with such default interest rate commencing as of the date specified in each Note and continuing until such Event of Default is fully cured. In addition, the default interest rate will apply to any amounts to be reimbursed to the City under any City Document if not paid when due or as otherwise provided in any City Document.
- 3.5 <u>Repayment of Principal and Interest</u>. The outstanding principal balance of the Loan, together with all accrued and unpaid interest will be due and payable on the Maturity Date according to the terms set forth in full in the Notes.
- 3.6 <u>Changes In Funding Streams</u>. The City's agreement to make the Loan on the terms set forth in this Agreement and the Notes is based in part on Borrower's projected sources and uses of all funds for the Project, as set forth in the Table of Sources and Uses. Borrower covenants to give written notice to the City within thirty (30) days of any significant changes in budgeted funding or income set forth in documents previously provided to the City. Examples of significant changes include loss or adjustments (other than regular annual adjustments) in funding under Shelter + Care, Section 8 or similar programs. The City reserves the right to modify the terms of this Agreement based upon any new information so provided, in its reasonable discretion.
- 3.7 <u>Additional Borrower Covenants</u>. Borrower hereby covenants and agrees to perform the following additional obligations:

Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement shall be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property shall require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.
- 3.9 <u>PASS Program Costs</u>. Borrower hereby covenants and agrees to pay MOHCD the following PASS program costs and fees:
 - (a) <u>Origination Fee</u> On or before the Agreement Date, the Borrower shall pay MOHCD a fee equal to [\$149,300.00],. The Borrower shall pay the Origination Fee to MOHCD by certified or official bank check or other means of payment acceptable to MOHCD.

 - (c) Compliance Monitoring Fee The initial installment of this fee, which must be paid in full on or before the Agreement Date to cover the first year of monitoring, is \$2,500. Thereafter, the fee for the coming year, which is due on the anniversary of the Agreement Date, is \$2,500. For Properties subject to City-imposed affordability restrictions, the fee is payable annually in advance for the duration of the Compliance Term. For Properties not subject to such restrictions, the fee is payable annually in advance through Loan maturity or prepayment.
 - (d) <u>Loan Servicing Fee</u> The cost of this fee is \$2,500 annually in advance. The first installment of the fee, which covers the first year of servicing, must be paid in full on or before the Agreement Date. Thereafter, the fee for the coming year is due on the anniversary of the Agreement Date through Loan maturity or prepayment.

- (j) Borrower must have income certified the existing tenants residing on the Site and deliver sufficient evidence to the City that 66% of the Units occupied as of the Agreement Date are occupied by households with a combined average income at or below 80% Median Income. Additionally, the City must approve all requested reallocations of Funds for line items previously approved by the City.
- (b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.

4.7 Reserved

The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

ARTICLE 5 RESERVED.

ARTICLE 6 MARKETING.

- Agreement Date, Borrower must deliver to the City for the City's review and approval an affirmative plan for initial and ongoing marketing of the Units and a written tenant selection procedure for initial and ongoing renting of the Units based on MOHCD's then-current form of marketing and tenant selection plan (the "Marketing and Tenant Selection Plan"), all in compliance with the restrictions set forth in **Exhibit A** and in form and substance acceptable to the City. Borrower must obtain the City's approval of reasonable alterations to the Marketing and Tenant Selection Plan. Borrower must market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City. Before marketing any Units, Borrower must provide the City with updated implementation and contact information.
- 6.2 <u>Affirmative Marketing and Tenant Selection Plan Requirements</u>. Borrower's Marketing and Tenant Selection Plan must address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List, as defined in 6.5. The Marketing and Tenant Selection Plan shall include as many of the following elements as are appropriate to the Project, as determined by the City:
- (a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.
- (b) A plan that satisfies the requirement to give preference in occupying units first to Certificate of Preference Holders in accordance with the Operational Rules and the Preferences Ordinance.
- (c) A plan that satisfies the requirement to give preference in occupying units second to Displaced Tenant Preference Certificate Holders in accordance with the Operational Rules and the Preferences Ordinance; provided, however, that depending on the requirements of non-City funding approved by the City for the Project, the preferences set forth in this paragraph may not apply.
- (d) A list of local neighborhood newspapers, community-oriented radio stations, on the internet and in other media that are likely to reach low-income households in which the apartments will be advertised. All advertising must display the Equal Housing Opportunity logo.
- (e) Copies of draft notices to be sent to neighborhood-based, nonprofit housing corporations and other low-income housing advocacy organizations that maintain waiting lists or make referrals for below-market-rate housing.
 - (f) Notices to SFHA.

- (g) Notices to MOHCD.
- (h) To the extent practicable, Borrower must give preference to potential tenants who have been displaced from other units in the City by rehabilitation or construction work financed in whole or part by the City. To implement this requirement, Borrower agrees to give preferential consideration to applications of displaced persons provided to Borrower by the City.
- (i) To the extent practicable, without holding Units off the market, the community outreach efforts listed above must take place before advertising vacant Units or open spots on the Waiting List to the general public.
- (j) An acknowledgement that, with respect to vacant Units, the marketing elements listed above shall only be implemented if there are no qualified applicants interested or available from the Waiting List.
 - 6.3 Marketing and Tenant Selection Plan & Tenant Screening Criteria Requirements.
- (a) Borrower's Marketing and Tenant Selection Plan shall comply with the requirements of the Tenant Selection Plan Policy as set forth in the attached **Exhibit H**. The Marketing and Tenant Selection Plan must be kept on file at the Project at all times.
- (b) Borrower's tenant screening criteria must comply with the Tenant Screening Criteria Policy set forth in the attached **Exhibit I**.
- 6.4 <u>Marketing Records</u>. Borrower must keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.
- 6.5 <u>Waiting List</u>. Borrower's Marketing and Tenant Selection Plan must contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). Each Waiting List shall be valid for a six (6) month period following the lottery date, at which time such Waiting List shall expire. The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but shall limit the number of refusals without cause as approved by the City. The Waiting List and the previous expired Waiting Lists must be kept on file at the Project for three (3) years after the expiration of such lists.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 Term of Leasing Restrictions. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the SSP Deed of Trust and PASS Deed of Trust; and (b) following the expiration of the Compliance Term with respect to any Unit then occupied by a Qualified Tenant, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause.

7.2 Borrower's Covenant; Rent Restrictions.

- (a) Borrower covenants to rent all Units at all times to households that are certified as Qualified Tenants at initial occupancy and at the Rent described in this Agreement. Notwithstanding the foregoing, MOHCD may approve that certain households occupying Units on the Agreement Date are not income certified, so long as at least 66% of the households occupying Units on the Agreement Date are income certified as Qualified Tenants, and provided that all such households enter into a lease with Borrower in a form approved by City on or before the Agreement Date. Borrower may include any Units that are vacant as of the Agreement Date in its calculation of the percentage of Qualified Tenants, using the maximum household income allowable set forth in **Exhibit A** for each such Unit, so long as Borrower rents the Units to Qualified Tenants at such rates. Borrower will rent all Units that are occupied as of the Agreement Date at the initial Rent set forth in **Exhibit A**, as adjusted thereafter in accordance with this **Section 7**.
- (b) A Qualified Tenant at initial occupancy may not be required to vacate the Unit due to subsequent rises in household income. In no event will any Qualified Tenant be required to pay Rent in excess of 30% of 120% Median Income except as provided in **Section 7.3(d)**.
- (c) Required Rents for the Units as of the Agreement Date will be as set forth in **Exhibit A**.
- (d) After the Agreement Date, the Rent for each Unit that becomes vacant shall be set at the amount necessary to bring the Project's combined average Rents for all Units as close as is possible to the amount calculated as 30% of 80% Median Income, but no more than 30% of 120% Median Income.
- 7.3 Rent Adjustments and Restrictions. Rent for all Units shall be increased annually by the greater of: (x) the percentage change in annual operating expenses, up to a maximum of 3.5%, or (y) 2%, except as follows:
 - (a) Reserved.
- (b) <u>Severely Rent Burdened Qualified Tenants</u>. If the Rent increase described in this **Section 7** results in any Qualified Tenant household becoming Severely Rent Burdened,

Borrower is not required to increase the Rent of the Severely Rent Burdened Qualified Tenant until such time as the Qualified Tenant is no longer Severely Rent Burdened, provided that: (i) Borrower first demonstrates to the satisfaction of MOHCD, in MOHCD's sole discretion, that the Project maintains short- and long-term financial sustainability in the form of positive cash flow, adequately funded reserves, and other indicators as MOHCD may reasonably request; (ii) at each annual income recertification, the ability of all households to pay required rent increases will be reassessed, as will the Borrower cash flow, to ensure short- and long-term financial sustainability if Borrower elects not to impose the required annual Rent increase for any Severely Rent Burdened Qualified Tenant; and (iii) all Regulatory Obligations continue to be met. Similarly, if the circumstances described in this subsection are met, a Unit becomes vacant and a Qualified Tenant demonstrates to Borrower that it is Severely Rent Burdened, Borrower may reduce such Qualified Tenant's Rent to a level no lower than 40% of that Qualified Tenant's gross monthly income, thus resulting in a higher Rent that will be required for the vacant Unit. If more than one Qualified Tenant is eligible for such a Rent reduction, the reduction shall be equally distributed among such eligible Qualified Tenants.

(c) Reserved.

- (d) <u>Recovery of Project Expenses</u>. With the City's prior written approval, Rent increases for Units exceeding the amounts permitted by the first sentence of **Section 7.3** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate Rent increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; (ii) Rents for each Unit may in no event exceed 30% of 120% Median Income. The City's approval for such Rent increases under this subsection shall not be unreasonably withheld.
- (e) Rent Subsidy Programs. For those households that hold rent subsidy vouchers, such as Section 8 and VASH, on an annual basis Borrower shall request and use best efforts to receive an increase in contract rent equivalent to the percentage change in Fair Market Rent or equivalent payment standard, whichever is greater. For any Qualified Tenant participating in a rent or operating subsidy program where the rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program, and provided the Qualified Tenant paid portion of Rent does not exceed 30% of 120% Median Income. For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed 30% of 120% Median Income.
- (f) Recovery of Property Tax Increases. In addition to the Rent increases contemplated in this Section 7 and with the City's prior written approval, if a Qualified Tenant's household income exceeds eighty percent (80%) of California Median Income (as published by the California Department of Housing and Community Development) during occupancy of a Unit, Borrower may adjust the charges for Rent for such Qualified Tenant to absorb the amount of property taxes attributable to the Qualified Tenant's Unit as a result of the loss of the State of California's welfare exemption for low-income housing properties. The City may, in its sole discretion, require that Rent increases allowed under this subsection be implemented over a

period of time in order to reduce the burden on an existing Qualified Tenant. Rents charged under this subsection may not exceed 30% of 120% Median Income. The City's approval for such Rent increases shall not be unreasonably withheld. If such Qualified Tenant's household income subsequently decreases and the Unit becomes eligible for the California welfare property tax exemption, Borrower may reduce such Qualified Tenant's Rent by the amount of property tax savings attributable to the Qualified Tenant's Unit, as provided in Section 7.3(b).

(g) Excess Rent. If Borrower increases Rents or offers a vacant Unit for rent at a rate that exceeds the rules described in this Agreement, the resulting excess cash flow will be paid by Borrower to the Qualified Tenants who were overcharged, and Borrower's actions will constitute an Event of Default pursuant to **Section 19**.

7.4 Certification.

- (a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person must provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Qualified Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.
- (b) Each Qualified Tenant in the Project must recertify to Borrower on an annual basis his/her household income.
- (c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file or cause to be filed copies thereof with the City promptly upon request by the City.
- 7.5 <u>Form of Lease</u>. The form of lease for Qualified Tenants must provide for termination of the lease and consent to immediate eviction for failure to qualify as a Qualified Tenant if the Qualified Tenant has made any material misrepresentation in the initial income certification.
- 7.6 Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Qualified Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.
- 7.7 <u>Security Deposits</u>. Security deposits may be required of tenants only in accordance with applicable state law and this Agreement. Any security deposits collected must

be segregated from all other funds of the Project in an Account held in trust for the benefit of the tenants and disbursed in accordance with California law. The balance in the trust account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to tenants.

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower must maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and any applicable provisions of 24 CFR Part 35.

8.2 <u>Contracting With Management Agent.</u>

- (a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided*, *however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract must contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved Tenderloin Neighborhood Development Corporation as Borrower's management agent, subject to approval of the management contract.
- (b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower must exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.
- 8.3 <u>Borrower Management</u>. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL REQUIREMENTS.

9.1 <u>Borrower Compliance</u>. Borrower must comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 23.1**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 Generally.

- (a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Borrower acknowledges that the City may also conduct periodic on-site inspections of the Project. Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account solely for the payment of Project Expenses. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.

(b) Borrower must keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower must provide copies of the records to the City upon request.

ARTICLE 12 REQUIRED RESERVES.

12.1 Replacement Reserve Account.

- (a) Commencing no later than sixty (60) days after the Agreement Date, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each third month following establishment of the Replacement Reserve Account, Borrower must make quarterly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary.
- (b) Borrower must make an initial deposit into the Replacement Reserve Account in an amount equal to [(\$172,000)]. Thereafter, quarterly deposits must equal the higher of (i) the amount needed under Borrower's approved Capital Needs Assessment (CNA), or (ii) 1/4th of the applicable amount set forth in the chart below. Borrower may request adjustments every seven (7) years based on its most recently approved CNA.

No. of Units	Replacement Reserve Deposits Per-Unit, Per-Year

- (c) In addition, if at any time the balance of the Replacement Reserve Account is below one and a half (1.5) times the original capitalized replacement reserve balance set forth in **Section 12.1(b)** above, Borrower shall deposit into the Replacement Reserve Account the funds that would otherwise be allocated to the City's share of Residual Receipts until it reaches that amount. Any Residual Receipts remaining above that amount shall be paid to the City in accordance with the Notes.
- (d) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project, and for the actual and reasonable fees of architects, engineers, or other consultants

needed to plan and execute the capital improvements approved by City. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval.

12.2 Operating Reserve Account.

- (a) Commencing no later than sixty (60) days after the Agreement Date, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interest-bearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to \$[(403,052)]. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.
- (b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower must make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses.
- (c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.
- 12.3 Other Reserve Requirements. Borrower shall establish a segregated interest-bearing reserve depository account in the amount of [(\$181,990)], (the "Lease Up Reserve") promptly upon disbursement of Funds from the City. The Lease Up Reserve will be available to Borrower after the closing of the Loan to supplement rental income in the event the lease-up of vacant Units is delayed for residential units

ARTICLE 13 DISTRIBUTIONS.

- 13.1 <u>Definition</u>. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.
- 13.2 <u>Conditions to Distributions</u>. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the

conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

- 13.3 <u>Prohibited Distributions</u>. No Distribution may be made in the following circumstances:
- (a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or
- (b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or
- (c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or
- (d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or
- (e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or
- (f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loans are out of balance) under any City Document.
- 13.4 <u>Borrower's Use of Residual Receipts for Development</u>. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval, Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as <u>Exhibit K</u>. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Notes.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 <u>Distribution and Use</u>. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower must allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower must notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 <u>Amount</u>. Borrower is entitled to receive fees from the Loan in a total amount not to exceed <u>Nine Hundred Forty Thousand and No/100 Dollars (\$940,000.00</u>)] for developing the Project ("Developer Fees"), payable at the closing of the Loan.

ARTICLE 16 TRANSFERS.

Permitted Transfers/Consent. Borrower may not cause or permit any voluntary transfer, assignment or encumbrance of all or any portion of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than the following "Permitted Transfers": (a) leases, subleases or occupancy agreements to occupants of Units; (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion; or (c) the assignment and assumption of this Agreement, and all other documents evidencing the Loan, to a limited partnership whose general partner is the Borrower, or another entity controlled by Tenderloin Neighborhood Development Corporation (the "Limited Partnership"), in connection with the transfer of the Project by the Borrower to the Limited Partnership for the utilization of low-income housing tax credits for the further rehabilitation of the Project. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement.. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS.

17.1 <u>Borrower's Insurance</u>. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower must obtain and maintain, or cause to be obtained and maintained, insurance and bonds as set forth in **Exhibit L** throughout the Compliance Term of this Agreement at no expense to the City.

ARTICLE 18 GOVERNMENTAL APPROVALS.

18.1 <u>Compliance</u>. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 23.1**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 19 DEFAULT.

19.1 <u>Event of Default</u>. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

- (a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or
- (b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or
- (c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or
- (d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

- (f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than sixty (60) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or
- (g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Section 16.1**; or

- (h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or
- (i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or
- (j) The SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or
- (k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or
- (l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project; or
- (m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or
- (n) Borrower ceases rehabilitation or construction of the Project for a period of fifteen (15) consecutive working days, and the cessation is not excused under **Section 19.3**; or
- (o) Borrower is in default of its obligations with respect to any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or
- (p) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

- 19.2 <u>Remedies</u>. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:
- (a) The City at its option may declare the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.
- (b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the SSP Deed of Trust, the PASS Deed of Trust, or the Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.
- (c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.
- (d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.
- (e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.
- (f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, will become due and payable automatically.
- (g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Notes, even if it causes the principal balance to exceed the face amount of the Notes, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.
- 19.3 <u>Force Majeure</u>. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other

causes beyond the control of the party obligated to perform. 19.4 <u>City's Recourse</u>. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Note.

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

- 20.1 <u>Borrower Representations and Warranties</u>. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

ARTICLE 22 HAZARDOUS SUBSTANCES.

- Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I and Phase II reports completed by ACC Environmental Consultants on December 14, 2018 or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

ARTICLE 23 INDEMNITY.

23.1 <u>Borrower's Obligations</u>. Borrower must Indemnify the City and its respective officers, agents and employees (individually or collectively, an "Indemnitee") against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 22** above); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any

In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower must answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

23.2 <u>No Limitation</u>. Borrower's obligations under **Section 23.1** are not limited by the insurance requirements under this Agreement.

ARTICLE 24 GENERAL PROVISIONS.

- 24.1 <u>Subordination</u>. The SSP Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines, in its sole discretion, that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval.
- 24.2 <u>No Third Party Beneficiaries</u>. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.
- 24.3 <u>No Claims by Third Parties</u>. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower must include this requirement as a provision in any contracts for the development of the Project.

- 24.4 <u>Entire Agreement</u>. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.
- 24.5 <u>City Obligations</u>. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.
- 24.6 Borrower Solely Responsible. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.
- 24.7 <u>No Inconsistent Agreements</u>. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.
- 24.8 <u>Inconsistencies in City Documents</u>. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.
- 24.9 <u>Governing Law</u>. This Agreement is governed by California law without regard to its choice of law rules.
- 24.10 <u>Joint and Several Liability</u>. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.
- 24.11 <u>Successors</u>. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators,

legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

- 24.12 Attorneys' Fees. If any legal action is commenced to enforce any of the terms of this Agreement or rights arising from any party's actions in connection with this Agreement, the prevailing party will have the right to recover its reasonable attorneys' fees (including allocated fees of the City Attorney's Office) and costs of suit from the other party, whether incurred in a judicial, arbitration, mediation or bankruptcy proceeding or on appeal. For the purposes of this Agreement, reasonable fees of attorneys in the City Attorney's office will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter of law for which the City Attorney's services were rendered, who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office. An award of attorneys' fees and costs will bear interest at the default rate under the Notes from the date of the award until paid.
- 24.13 <u>Severability</u>. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.
- 24.14 <u>Time</u>. Time is of the essence in this Agreement. Whenever the date on which an action must be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.
- 24.15 <u>Further Assurances</u>. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.
- 24.16 <u>Binding Covenants</u>. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests, in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.
- 24.17 <u>Consent</u>. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.
- 24.18 <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.
- 24.19 <u>Borrower's Personnel</u>. The Project shall be implemented only by competent personnel under the direction and supervision of Borrower.

- 24.20 <u>Borrower's Board of Directors</u>. Borrower's sole member shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Borrower's bylaws and other governing documents, and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Borrower's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.
- 24.21 <u>Exhibits</u>. The following exhibits are attached to this Agreement and incorporated by reference:

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83) as incorporated into MOHCD's Section 3 Plan.

1. <u>Section 3 Requirements.</u>

- (a) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u ("Section 3"), based on Borrower's receipt of City funds under MOHCD's Section 3 Plan. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing, to the greatest extent feasible.
- (b) The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and to post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference and set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions and the qualifications for each, the name and location of the person(s) taking applications for each of the positions and the anticipated date work will begin.
- (d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135 and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled: (i) after the contractor is selected but before the contract is executed; and (ii) with persons other than those to whom the regulations of

- 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- (f) Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.
- 2. <u>Recommended Minimum Numerical Goals</u>. Contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth below for training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns, which represent minimum numerical goals.
- (a) Training and Employment of Section 3 Residents (24 CFR § 135.30(b)). Contractors and subcontractors may demonstrate compliance by committing to employ Section 3 residents as thirty percent (30%) of the aggregate number of new hires (full-time employees for permanent, temporary or seasonal employment) and an overall goal of thirty percent (30%) of total work hours for the entire project.
- (b) Contracts with Section 3 Business Concerns (24 CFR § 135.30). Contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to award to Section 3 business concerns:
- (i) At least ten percent (10%) of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and
- (ii) At least three percent (3%) of the total dollar amount of all other Section 3 covered contracts.

EXHIBIT E

Governmental Requirements

1. <u>Prevailing Wages and Working Conditions.</u>

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling if paid for in whole or part out of public funds), or (ii) Covered Construction at the Project or Site to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

If applicable, Borrower shall include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Borrower's failure to comply with its obligations under this Section shall constitute a material breach of the Agreement. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party.

2. <u>Environmental Review</u>. The Project must meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower must incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will

be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower must take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

- (b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2, and Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest and prohibited contributions in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation. The City will notify its Ethics Commission of the parties to this Agreement in accordance with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code.
- (c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.
- 4. <u>Disability Access</u>. Borrower must comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower must provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.
- 5. <u>Lead-Based Paint</u>. Borrower must satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower must also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.
- 6. Relocation. Borrower must meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 et seq.) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws. Borrower may use vacant Units in the Project to accommodate the temporary relocation of Qualified Tenants in other Small Sites Program Projects to complete rehabilitation for a period of up to 30 days, during which time, relocated Qualified Tenants must sign a relocation lease, approved as to form by the City, giving the relocated Qualified Tenant temporary right to the Unit for no more than a 30 day period. The use of Small Sites Program Units for temporary relocation applies only to other Small Sites Program Qualified Tenants and not to tenants residing in properties subject to other funding sources and/or program regulations.

7. <u>First Source Hiring</u>. Borrower agrees to comply with San Francisco Administrative Code, Chapter 83, as applicable.

8. <u>Non-Discrimination in City Contracts and Benefits Ordinance.</u>

- Borrower Shall Not Discriminate. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) <u>Subcontracts</u>. Borrower shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) <u>Non-Discrimination in Benefits</u>. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- (d) <u>Condition to Contract</u>. As a condition to this Agreement, Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.
- (e) <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions

of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

- 9. <u>MacBride Principles</u>. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.
- 10. <u>Tropical Hardwood & Virgin Redwood Ban</u>. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the SSP Deed of Trust and PASS Deed of Trust have been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
- 12. <u>Submitting False Claims; Monetary Penalties</u>. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:
- (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;
- (b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;
- (c) conspires to defraud the City by getting a false claim allowed or paid by the City;

- (d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or
- (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

- (a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.
- (b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable.
- (c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower must notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.
- 14. <u>Prohibition on Use of Public Funds for Political Activities.</u> Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or

attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

- 15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12.M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.
- 16. <u>Graffiti Removal</u>. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.
- Borrower shall remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).
- (b) Any failure of Borrower to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.
- 17. <u>Resource-Efficient Building Ordinance</u>. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it

shall comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

- (a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.
- (b) The requirements of Chapter 12T shall only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.
- (c) Borrower shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (d) Borrower or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.
- (e) Borrower or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- (f) Borrower or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

- (g) Borrower and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.
- (h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
- 19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.
- 20. <u>Bottled Drinking Water</u>. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. Failure to supply the required explanation will render your submission incomplete.

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2019.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

II. Owner Compliance Certification Form and Documentation of Insurance The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are current as of the date of submittal of the AMR.

III. Audited Financial Statements

Provide financial statements for the project for Reporting Year 2019. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "Audit Requirements for MOHCD-Funded Projects" a copy of which is posted on MOHCD's Asset Management web page. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following:

- schedule of operating revenues,
- schedule of operating expenses,
- computation of cash flow/surplus cash

Notice of Availability of 2019 AMR and Reminder of Deadline September 30, 2019 Page 3

summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

IV. Waiting List

Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit:

- name of head-of-household
- contact information
- date of application,
- number of people in the household,
- stated household income and
- desired unit size.

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via one email message per project to moh.amr@sfgov.org. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

AMR Training - October 23, 9-11:45 a.m.

To facilitate completion of the AMR by project sponsors, MOHCD will conduct a training on from 9 to 11:45 a.m. on Wednesday, 10/23, in our office at 1 South Van Ness Avenue, 5th Floor, Room 5080. We strongly encourage the primary staff person who is responsible for completion of the report to attend and to bring a Wi-Fi enabled lap top computer. Space is limited. Please RSVP to Ricky Lam at ricky.lam@sfgov.org or 415-701-5542.

Marketing Procedure for Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers *must* notify MOHCD of this action by completing a <u>Marketing Plan Template</u> and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The

Notice of Availability of 2019 AMR and Reminder of Deadline September 30, 2019 Page 4

template is available on the <u>Asset Management page</u> of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the waiting list on <u>DAHLIA</u> – the City's internet portal where members of the public may get information and apply for affordable housing. General information for people seeking affordable housing in San Francisco can also be found on our web site at this location.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

The Mayor's Office of Housing and Community Development requests that owners of projects financed by this office notify us immediately if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- **Application Materials**. MOHCD shall provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - o be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants shall be offered the opportunity for an interview in lottery rank order.
- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- Delays in the Process. If delays have occurred or are likely to occur in the application
 and screening process or the process exceeds the housing provider's normal timeline for
 application and screening, the housing provider must immediately inform the referring

- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- o a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - o Hold a comparable unit for the household during the entire appeal process.
 - o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - o give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
 - o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - o confine the subject of the appeal to the reason for denial listed in the notice;
 - o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - o have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers shall consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - o mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;
- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Mayor's Office of Housing and Community Development Residual Receipts Policy Effective April 1, 2016

INTRODUCTION

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or "hard" debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
 - 1. Fees payable to the project, the GP, the LP or the parent entity
 - 2. Fees payable to project funders
 - 3. "Soft" debt repayments to lenders / lessors

Please see the City's Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be $2/3^{rds}$ of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative ½ - ½ split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

IV. When a project has other Lenders in addition to MOHCD that require residual payments

- A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive 2/5 ths of the amount available to be repaid, and the other lender would receive 3/5 ths of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.
- **B.** During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

V. Conditions to Distribution of Residual Receipts to Borrower

- A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:
 - 1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
 - 2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

- 3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
 - 1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 - 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 - 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 - 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
 - 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.

DECLARATION OF RESTRICTIONS

(270-272 Turk Street)

THIS DECLARATION OF RESTRICTIONS ("Declaration") is made as of April _____, 2020, by 270 TURK GP, a California limited liability company ("Borrower"), in favor of the CITY AND COUNTY OF SAN FRANCISCO, represented by the Mayor, acting through the Mayor's Office of Housing and Community Development (the "City").

RECITALS

- A. The City is making loans (collectively, the "Loan") to Borrower of Downtown Neighborhoods Preservation Fund funds and general obligation bond funds to finance costs associated with the acquisition and rehabilitation of and to provide permanent financing for the real property described in Exhibit A attached hereto and incorporated herein by reference (the "Property") as low- to moderate-income housing (the "Project"). The Loan is evidenced by, among other documents, a Loan Agreement between the City and Borrower dated as of the date of this Declaration, as it may be amended from time to time (the "Agreement"). The Agreement is incorporated by reference in this Declaration as though fully set forth in this Declaration and is available through the Mayor's Office of Housing and Community Development ("MOHCD") at the address first specified in the recording request set forth above. Definitions and rules of interpretation set forth in the Agreement apply to this Declaration.
- B. Pursuant to the Agreement, Borrower has agreed to comply with certain affordability and other use and occupancy restrictions (collectively, the "**Regulatory**"

Obligations"), commencing on the Agreement Date, and continuing for as long all or any portion of the Project or any modification of the Project remains in existence, but in any event no less than seventy five (75) years from the date the Deed of Trust is recorded in the Official Records of San Francisco County (the "**Compliance Term**"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed. Borrower's covenants and agreements described in this Declaration are a material part of the consideration for the City in making the Loan, and without Borrower's agreement to subject the Property to the Regulatory Obligations even after the Loan is satisfied, the City would be unwilling to make the Loan to Borrower.

AGREEMENT

Now, therefore, in consideration of the City's providing the Loan in accordance with the City Documents, Borrower agrees as follows:

- 1. <u>Definitions</u>. Any capitalized terms in this Declaration that are not defined herein shall have the meaning set forth in the Agreement. In the event of any conflict between the terms of this Declaration and the terms of the Agreement, the terms of the Agreement (including the following defined terms) shall control unless otherwise expressly stated. As used in this Declaration, the following words and phrases have the following meanings:
 - (a) "Compliance Term" has the meaning set forth in Recital B above.
- (b) "Median Income" means median income as published annually by MOHCD, derived from the Income Limits determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".
- (c) "Qualified Tenant" means a household occupying the Project that has certified and been approved as earning no more than the maximum permissible annual income level allowed by the Agreement and that has entered into a lease with Borrower in a form approved by City.
 - (d) "Regulatory Obligations" has the meaning set forth in Recital B above.
- (e) "**Rent**" means the monthly sum charged to Qualified Tenants for rent in accordance with this Declaration.
- (f) "Severely Rent Burdened" means a Qualified Tenant household paying monthly Rent that is fifty percent (50%) or more of its gross monthly income (as shown on the Qualified Tenant's income certification required by Section 5 and confirmed by MOHCD).
 - (g) "Unit" means any residential rental unit within the Project.

2. <u>Regulatory Obligations</u>. Borrower must comply with the Regulatory Obligations through the expiration of the Compliance Term, including without limitation those obligations described in this Declaration, regardless of any reconveyance of the Deed of Trust or satisfaction of the Loan.

3. Affordability and Restrictions.

- (a) <u>Restrictions</u>. The Project may be occupied only by Qualified Tenants and their households. As provided in Section 7.2(b) of the Agreement, a Qualified Tenant may not be required to vacate the Unit due to subsequent rises in household income. In no event shall any Qualified Tenant be required to pay Rent in excess of 30% of 120% Median Income except as provided in Section 4(b).
- (b) <u>Rents on Agreement Date</u>. Required Rents for the Units as of the Agreement Date shall be as follows:

[Insert Rent Chart with anticipated rents at closing for all units]

(c) [Alternative A] [Vacancies after the Agreement Date. After the Agreement Date, the Rent for the Units that become vacant shall be set to achieve the following mix of Units at the indicated Median Income levels:

# of Units	Median Income%
24	30%
26	50%
10	60%
10	72%
15	80%

In the event of a loss or reduction of Department of Homelessness and Supportive Housing subsidies for the 30% Median Income Units at the Project, the Rent for such Units may be increased to the extent necessary for the Project to be financially feasible as approved in advance by MOHCD, provided that such Rent may in no event exceed 30% of 120% of Median Income.]

(c) [Alternative B] [Vacancies after the Agreement Date. After the Agreement Date, the Rent for each Unit that becomes vacant shall be set at the amount necessary to bring the Project's combined average Rents for all Units as close as possible to the amount calculated as 30% of 80% Median Income, but no more than 30% of 120% Median Income.]

4. Rent Adjustments and Restrictions. Rent for all Units shall be increased annually on the anniversary of the Agreement Date by the greater of: (x) the percentage change in annual operating expenses, up to a maximum of 3.5%; or (y) 2%, except as follows:

(a) Reserved

- (b) Severely Rent Burdened Qualified Tenants. If the Rent increase described in this Section 4 results in any Qualified Tenant household becoming Severely Rent Burdened, Borrower is not required to increase the Rent of the Severely Rent Burdened Qualified Tenant until such time as the Qualified Tenant is no longer Severely Rent Burdened, provided that: (i) Borrower first demonstrates to the satisfaction of MOHCD, in MOHCD's sole discretion, that the Project maintains short- and long-term financial sustainability in the form of positive cash flow, adequately funded reserves, and other indicators as MOHCD may reasonably request; (ii) at each annual income recertification, the ability of all households to pay required rent increases will be reassessed, as will the Borrower cash flow, to ensure short- and long-term financial sustainability if Borrower elects not to impose the required annual Rent increase for any Severely Rent Burdened Qualified Tenant; and (iii) all Regulatory Obligations continue to be met. Similarly, if the circumstances described in this subsection are met, a Unit becomes vacant and a Qualified Tenant demonstrates to Borrower that it is Severely Rent Burdened, Borrower may reduce such Qualified Tenant's Rent to a level no lower than 40% of that Qualified Tenant's gross monthly income, thus resulting in a higher Rent that will be required for the vacant Unit. If more than one Qualified Tenant is eligible for such a Rent reduction, the reduction shall be equally distributed among such eligible Qualified Tenants.
- (d) Recovery of Project Expenses. With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under the first sentence of Section 4 may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate Rent increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed 30% of 120% Median Income. The City's approval for such Rent increases under this subsection shall not be unreasonably withheld.
- (e) Rent Subsidy Programs. For those households that hold rent subsidy vouchers, such as Section 8 and VASH, on an annual basis Borrower shall request and use best efforts to receive an increase in contract rent equivalent to the percentage change in Fair Market Rent or equivalent payment standard, whichever is greater. For any Qualified Tenant participating in a rent or operating subsidy program where the rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program, provided that the Qualified Tenant paid portion of Rent does not exceed 30% of 120% Median Income. For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed 30% of 120% Median Income.

- (f) Recovery of Property Tax Increases. In addition to the Rent increases contemplated in this Section 4 and with the City's prior written approval, if a Qualified Tenant's household income exceeds eighty percent (80%) of California Median Income (as published by the California Department of Housing and Community Development) during occupancy of a Unit, Borrower may adjust the charges for Rent for such Qualified Tenant to absorb the amount of property taxes attributable to the Qualified Tenant's Unit as a result of the loss of the State of California's welfare exemption for low-income housing properties. The City may, in its sole discretion, require that Rent increases allowed under this subsection be implemented over a period of time in order to reduce the burden on an existing Qualified Tenant. Rents charged under this subsection may not exceed 30% of 120% Median Income. The City's approval for such Rent increases shall not be unreasonably withheld. If such Qualified Tenant's household income subsequently decreases and the Unit becomes eligible for the California welfare property tax exemption, Borrower may reduce such Qualified Tenant's Rent by the amount of property tax savings attributable to the Qualified Tenant's Unit, as provided in Section 4(b).
- (g) Excess Rent. If Borrower increases Rents or offers a vacant Unit for rent at a rate that exceeds the rules described in this Declaration, the resulting excess cash flow will be paid by Borrower to the Qualified Tenants who were overcharged, and Borrower's actions will constitute an Event of Default pursuant to Section 19 of the Agreement.

5. Certification.

- (a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must sign and deliver to Borrower a certification in the form attached to the Loan Agreement as Exhibit C, in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant, which certification is reviewed and approved by Borrower and the City. In addition, each person must provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective tenant's income. Certifications provided to and accepted by the San Francisco Housing Authority will satisfy this requirement.
- (b) Each Qualified Tenant in the Project must recertify its household income to Borrower annually.
- (c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file copies thereof with the City promptly upon request by the City.
- 6. <u>Nondiscrimination</u>. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or

required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Qualified Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

- 7. <u>Remedies</u>. During the Compliance Term the City may rely on the Deed of Trust and/or this Declaration, in the City's discretion, to enforce any of the City's rights under the City Documents.
- 8. Covenants Run with the Land. This Declaration and the Regulatory Obligations constitute covenants running with the land and bind successors and assigns of Borrower and any non-borrower owner of the Property. In the event that Borrower fails to comply with the Regulatory Obligations to the City's satisfaction, in its sole discretion, within thirty (30) days of Borrower's receipt of notice from the City to so comply, the City at its option may exercise any rights available at equity or in law, including, without limitation, institute an action for specific performance. Borrower shall pay the City's costs in connection with the City's enforcement of the terms of this Declaration, including, without limitation, the City's attorneys' fees and costs.

Borrower has executed this Declaration as of the date first written above.

SECURED PROMISSORY NOTE

PASS – Deferred Loan (270-272 Turk Street)

Principal Ar	mount: [\$716,640.00]	San Francisco, CA
Date:	2020	

FOR VALUE RECEIVED, the undersigned, **270 TURK GP, LLC**, a California limited liability company, ("Maker"), hereby promises to pay to the order of the CITY AND COUNTY **OF SAN FRANCISCO**, a municipal corporation, or holder (as the case may be, "Holder"), the principal sum of [Seven Hundred Sixteen Thousand Six Hundred Forty and No/100 Dollars (\$716,640.00)], (the "**Deferred Loan Amount**"), or so much of the Deferred Loan Amount as may be disbursed from time to time pursuant to the Agreement described in <u>Section 1</u> below, together with interest thereon, as provided in this Note.

- 1. <u>Agreement</u>. This Secured Promissory Note ("Note") is given under the terms of a Loan Agreement by and between Maker and Holder dated as of the date of this Note, as it may be amended from time to time (the "Agreement"), which Agreement is incorporated herein by reference. Maker's obligations under this Note and the Agreement are secured by that certain Deed Of Trust, Assignment Of Rents, Security Agreement And Fixture Filing (PASS Program) dated as of the date of this Note, made by Maker for the benefit of Holder (the "PASS Deed of Trust"). Definitions and rules of interpretation set forth in the Agreement apply to this Note. In the event of any inconsistency between the Agreement and this Note, this Note will control.
- 2. <u>Interest</u>. Interest will accrue on the principal balance outstanding under this Note from time to time at the rate of (1.38908%) per annum, from the date of the close of escrow through the date of full payment of all amounts owing under the City Documents. Interest will be compounded monthly and computed on the basis of a 360-day year consisting of 12 months of 30 days each, which will result in higher interest charges than if a 365-day year were used.
- 3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the Deferred Loan at a compounded annual rate equal to the Prime Rate most recently announced by Bank of America, for the immediately preceding month, plus four percent (4%), which rate will automatically be reduced if it is higher than the rate an individual is permitted to legally charge, commencing on the date the Deferred Loan Amount is disbursed through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.
- 4. <u>Repayment of Deferred Loan Amount</u>. Provided that no uncured Event of Default exists under any City Document, the entire principal balance of the Deferred Loan, together with

all interest and unpaid fees and costs incurred (all together, the "Payment"), will be due and payable on the date that is the fortieth (40th) anniversary of the First Month Date as defined in Section 6.5 (the "Maturity Date"). If the Maturity Date falls on a weekend or holiday, it will be deemed to fall on the next succeeding business day. Any Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the Deferred Loan.

5. <u>Security</u>. Maker's obligations under this Note are secured by the PASS Deed of Trust.

6. Terms of Payment.

- 6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.
- 6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.
- 6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.
- 6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note as set forth in Section 4 of this Note.
- No prepayment of this Note shall be permitted except as otherwise set forth in this Note or in the Agreement. This Note may be prepaid on or after the tenth anniversary of the first day of the first full month following the date that the PASS Deed of Trust is recorded in the Recorder's Office of San Francisco County (the "First Month Date"). On or after the tenth anniversary of the First Month Date, the Deferred Loan may be prepaid, in whole but not in part, and Maker shall be required to pay a premium of: (i) 2% of the total amount being prepaid if the Deferred Loan is prepaid prior to the eleventh anniversary of the First Month Date; (ii) 1% of the total amount being prepaid if the Deferred Loan is prepaid on or after the eleventh anniversary of the First Month Date and prior to the twelfth anniversary of the First Month Date; or (iii) no prepayment premium if the Deferred Loan is prepaid on or after the twelfth anniversary of the First Month Date. The Deferred Loan may not be prepaid unless the Market Rate Loan and the BMR Loan, and, in Holder's sole discretion, the SSP Loan, are also all paid in full. Maker shall provide Holder with at least thirty (30) days' prior written notice of any intended prepayments. Maker shall be required to pay any premiums, and proportionate costs and expenses associated with the redemption of the Bonds which would result from prepayment of the Deferred Loan including, but not limited to, accrued interest on the Bonds from the date of such prepayment to the date of redemption of the Bonds.

6.6 Subject to this Section, Holder will not seek or obtain judgment against Maker for the payment of any amounts due under this Note following a judicial or nonjudicial foreclosure of the Deed of Trust, and Holder's sole recourse against Maker for any default under this Note will be limited to the collateral for the Loan, *provided*, *however*, that this Section will be deemed void and of no effect if Maker challenges Holder's right to foreclose following an Event of Default in any legal proceeding on the grounds that the City Documents are not valid and enforceable under California law. This provision does not limit in any way Holder's right to recover sums arising under any obligation of Maker to indemnify Holder of sums incurred by Holder as a result of Maker's fraud, willful misrepresentation, misapplication of funds (including Loan Funds and Rents (as defined in the Deed of Trust), waste or negligent or intentional damage to the collateral for the Loan.

7. Default.

- 7.1 Any of the following will constitute an Event of Default under this Note:
- (a) Maker fails to make any Payment required under this Note within ten (10) days of the date it is due; or
- (b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this Note or under any other agreement between Maker and Holder with respect to the Project, including without limitation, the Market Rate Note, the BMR Note, and the SSP Note.
- 7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the Deferred Loan (along with the Market Rate Loan, the BMR Loan, and the SSP Loan), together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

8. <u>Waivers</u>.

- 8.1 Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.
- 8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this Note will operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.
- 8.3 The obligations of Maker under this Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this Note for any reason whatsoever.

9. Miscellaneous Provisions.

- 9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.
- 9.2 In the event of any legal proceedings arising from the enforcement of or a default under this Note or in any bankruptcy proceeding of Maker, the non-prevailing party promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.
- 9.3 This Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.
- 9.4 This Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.
 - 9.5 Time is of the essence in the performance of any obligations hereunder.

All Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the BMR Loan. The unpaid principal balance of the BMR Loan, together with accrued and unpaid interest and unpaid fees and costs incurred, will be due and payable on the date that is the fortieth (40th) anniversary of the First Payment Date as defined in Section 6.5 (the "Maturity Date"). - 6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.
- 6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note as set forth in Section 4 of this Note.

SECURED PROMISSORY NOTE

PASS – Market Rate Loan (270-272 Turk Street)

Principal A	Amount: [\$6,820,024.00]	San Francisco, CA
Date:	2020	

FOR VALUE RECEIVED, the undersigned, **270 TURK GP, LLC**, a California limited liability company ("**Maker**"), hereby promises to pay to the order of the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation, or holder (as the case may be, "**Holder**"), the principal sum of [Six Million Eight Hundred Twenty Thousand Twenty Four and No/100 Dollars (\$6,820,024.00], the "**Market Rate Loan Amount**"), or so much of the Market Rate Loan Amount as may be disbursed from time to time pursuant to the Agreement described in Section 1 below, together with interest thereon, as provided in this Note.

- 1. <u>Agreement</u>. This Secured Promissory Note ("Note") is given under the terms of a Loan Agreement by and between Maker and Holder dated as of the date of this Note, as it may be amended from time to time (the "Agreement"), which Agreement is incorporated herein by reference. Maker's obligations under this Note and the Agreement are secured by that certain Deed Of Trust, Assignment Of Rents, Security Agreement And Fixture Filing (PASS Program) dated as of the date of this Note, made by Maker for the benefit of Holder (the "PASS Deed of Trust"). Definitions and rules of interpretation set forth in the Agreement apply to this Note. In the event of any inconsistency between the Agreement and this Note, this Note will control.
- 2. <u>Interest</u>. Interest will accrue on the principal balance outstanding under this Note from time to time at the rate of 5.16725% per annum, from the date of the close of escrow through the date of full payment of all amounts owing under the City Documents. Interest will be compounded monthly and computed on the basis of a 360-day year consisting of 12 months of 30 days each, which will result in higher interest charges than if a 365-day year were used.
- Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the Market Rate Loan at a compounded annual rate equal to the Prime Rate most recently announced by Bank of America for the immediately preceding month, plus four percent (4%), which rate will automatically be reduced if it is higher than the rate an individual is permitted to legally charge, commencing on the date of the Event of Default through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.
- 4. <u>Repayment of Market Rate Loan Amount</u>. Maker must make payments of principal and interest in monthly installments (each, a "Payment") equal to the amount specified

by the amortization schedule attached as Exhibit A. All Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the Market Rate Loan. The unpaid principal balance of the Market Rate Loan, together with accrued and unpaid interest and unpaid fees and costs incurred, will be due and payable on the date that is the fortieth (40th) anniversary of the First Payment Date as defined in Section 6.5 (the "Maturity Date"). Any Payment Date, including the Maturity Date, that falls on a weekend or holiday will be deemed to fall on the next succeeding business day.

5. <u>Security</u>. Maker's obligations under this Note are secured by the PASS Deed of Trust.

6. Terms of Payment.

- 6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.
- 6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.
- 6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.
- 6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note as set forth in Section 4 of this Note.
- No prepayment of this Note shall be permitted except as otherwise set forth in this Note or in the Agreement. This Note may be prepaid on or after the tenth anniversary of the first day of the first full month following the date that the PASS Deed of Trust is recorded in the Recorder's Office of San Francisco County (the "First Payment Date"). On or after the tenth anniversary of the First Payment Date, the Market Rate Loan may be prepaid, in whole but not in part, and Maker shall be required to pay a premium of: (i) 2% of the total amount being prepaid if the Market Rate Loan is prepaid prior to the eleventh anniversary of the First Payment Date; (ii) 1% of the total amount being prepaid if the Market Rate Loan is prepaid on or after the eleventh anniversary of the First Payment Date and prior to the twelfth anniversary of the First Payment Date; or (iii) no prepayment premium if the Market Rate Loan is prepaid on or after the twelfth anniversary of the First Payment Date. The Market Rate Loan may not be prepaid unless the Deferred Loan and the BMR Loan, and in Holder's sole discretion, the SSP Loan, are also all paid in full. Maker shall provide Holder with at least thirty (30) days' prior written notice of any intended prepayments. Maker shall be required to pay any premiums, and proportionate costs and expenses associated with the redemption of the Bonds which would result from a prepayment of the Market Rate Loan including, but not limited to, accrued interest on the Bonds from the date of such prepayment to the date of redemption of the Bonds.

6.6 Subject to this Section, Holder will not seek or obtain judgment against Maker for the payment of any amounts due under this Note following a judicial or nonjudicial foreclosure of the Deed of Trust, and Holder's sole recourse against Maker for any default under this Note will be limited to the collateral for the Loan, *provided*, *however*, that this Section will be deemed void and of no effect if Maker challenges Holder's right to foreclose following an Event of Default in any legal proceeding on the grounds that the City Documents are not valid and enforceable under California law. This provision does not limit in any way Holder's right to recover sums arising under any obligation of Maker to indemnify Holder of sums incurred by Holder as a result of Maker's fraud, willful misrepresentation, misapplication of funds (including Loan Funds and Rents (as defined in the Deed of Trust), waste or negligent or intentional damage to the collateral for the Loan.

7. Default.

- 7.1 Any of the following will constitute an Event of Default under this Note:
- (a) Maker fails to make any Payment required under this Note within ten (10) days of the date it is due; or
- (b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this Note or under any other agreement between Maker and Holder with respect to the Project, including without limitation, the SSP Note, the Deferred Note, and the BMR Note.
- 7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the Market Rate Loan (along with the BMR Loan, the Deferred Loan, and the SSP Loan), together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

8. Waivers.

- 8.1 Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.
- 8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this Note will operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.
- 8.3 The obligations of Maker under this Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this Note for any reason whatsoever.

9. Miscellaneous Provisions.

- 9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.
- 9.2 In the event of any legal proceedings arising from the enforcement of or a default under this Note or in any bankruptcy proceeding of Maker, the non-prevailing party promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.
- 9.3 This Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.
- 9.4 This Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.
 - 9.5 Time is of the essence in the performance of any obligations hereunder.

 - (c) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust
 - 3. Assignment of Rents.

- (a) Assignment as Additional Security. Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.
- (b) <u>Collection and Application of Rents</u>. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. Subject to the License granted to Trustor under subsection 3(a) above, Trustor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:
 - 1. Demand, receive, and enforce payment of any and all Rents; or
 - 2. Give receipts, releases, and satisfactions for any and all Rents; or
 - 3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

- (c) <u>Beneficiary Not Responsible</u>. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Real Property and Improvements, Beneficiary is not and shall not be deemed to be:
 - 1. A "mortgagee in possession" for any purpose; or
 - 2. Responsible for performing any of the obligations of the lessor under any lease; or
 - 3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or
 - 4. Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.

- (d) <u>Election by Beneficiary</u>. (g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Insurance and Condemnation Proceeds.

- (a) Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.
- (b) Any condemnation award or insurance proceeds must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.
- (c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the SSP Note and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.
- (d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.
 - 6. Further Agreements. Trustor further acknowledges and agrees as follows:
- (a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default

for failure to pay timely by accepting payment of any sum secured hereby after its due date.

- (b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the SSP Note for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.
- (c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the SSP Note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.
- (d) As additional security, Trustor hereby irrevocably, absolutely and unconditionally assigns to Beneficiary all Rents, whether now due, past due or to become due, subject to Beneficiary's grant to Trustor of a license to collect and retain Rents as they become due and payable so long as Trustor has not defaulted in performance of the Secured Obligations.
- (e) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.
- (f) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.
- (g) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the SSP Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

- (h) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
- 7. <u>Beneficiary's Rights Following Default</u>. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("Event of Default"):
 - (a) Trustor's license to collect and retain Rents will terminate automatically.
 - (b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.
 - (c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold the Property ("Notice of Default"), and:
 - i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the SSP Note and all documents evidencing expenditures secured hereby.
 - ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("Notice of Sale") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to any purchaser a trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.

- iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.
- 8. <u>Notice of Default to Trustor</u>. The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at its address set forth above or any succeeding address given by notice in accordance with the Agreement.

The filing of a financing statement pertaining to personal property may not be construed in any way as derogating from or impairing the lien of, or the rights or obligations of the parties under, this Deed of Trust.

- 2. <u>Obligations Secured</u>. This Deed of Trust is given for the purpose of securing the following (collectively, the "Secured Obligations"):
 - (a) performance of all present and future obligations of Trustor set forth in the Agreement related to the Market Rate Loan, the BMR Loan and the Deferred Loan, specifically compliance with certain restrictions on the use of the Property recited in that certain Declaration of Restrictions executed by Trustor, dated as of the date of and being recorded concurrently with this Deed of Trust, as it may be amended from time to time, the market rate promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "Market Rate Note"), the below market rate promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "BMR Note"), the deferred promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "Deferred Note"), and performance of each agreement incorporated by reference, contained therein, or entered into in connection with the Agreement;

- (c) payment of the indebtedness evidenced by the Agreement and the BMR Note in the original principal amount of [Four Million Four Hundred Seven Thousand Three Hundred Thirty Six and No/100 Dollars (\$4,407,336.00], with interest, according to the terms of the Agreement and the BMR Note;

- (e) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust.

3. Assignment of Rents.

- (a) Assignment as Additional Security. Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.
- (b) Collection and Application of Rents. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. Subject to the License granted to Trustor under subsection 3(a) above, Trustor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:

 - 2. Give receipts, releases, and satisfactions for any and all Rents; or
 - 3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afford-

ed any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

- (c) <u>Beneficiary Not Responsible</u>. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Real Property and Improvements, Beneficiary is not and shall not be deemed to be:
 - 1. A "mortgagee in possession" for any purpose; or
 - 2. Responsible for performing any of the obligations of the lessor under any lease; or
 - 3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or
 - 4. Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.
- (d) <u>Election by Beneficiary</u>. Upon the occurrence and during the continuance of an Event of Default, Beneficiary, at its option, may exercise its rights under this Section or otherwise provided under applicable law (including, but not limited to, under Section 2938 of the California Civil Code).
- 4. <u>Trustor's Covenants</u>. To protect the security of this Deed of Trust, Trustor agrees as follows:
 - (a) to perform the Secured Obligations in accordance with their respective terms;
 - (b) to keep the Land and the Improvements in good condition and repair, normal wear and tear and acts of God excepted; not to remove or demolish any Improvements without Beneficiary's prior written consent; to complete or restore promptly and in good and workmanlike manner any Improvement constructed, damaged or destroyed on the Land; to pay when due all claims for labor performed and materials furnished therefor, subject to Trustor's right to contest any claim in good faith; to comply with all laws affecting the Project, subject to Trustor's right to contest any claim in good faith; not to commit or permit waste with respect to the Land or the Improvements; not to commit, suffer or permit any act upon the Land or the Improvements in violation of law, including Environmental Laws; and to do all other acts made reasonably necessary by the character or use of the Land and the Improvements;
 - (c) to provide, maintain and deliver to Beneficiary property and liability insurance as required under the Agreement and apply any insurance proceeds as provided below;

- (d) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees and costs incurred in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust following an Event of Default;
- (e) to pay in accordance with the Agreement, but in each case prior to delinquency: (i) all taxes and assessments affecting the Property, including assessments on appurtenant water stock; and (ii) all encumbrances, charges and liens, with interest, on the Property or any part thereof that appear to be prior or superior hereto;
- (f) should Trustor fail to make any payment or to do any act as herein provided, then, without: (i) obligation to do so; (ii) notice to or demand upon Trustor; or (iii) releasing Trustor from any obligation hereof, Beneficiary or Trustee may: (A) make or do the same in any manner and to the extent as it deems necessary to protect the security hereof; (B) appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; (C) pay, purchase, contest or compromise any encumbrance, charge or lien that in its judgment appears to be prior or superior hereto; and (D) in exercising these powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees and costs, and Trustor consents to Beneficiary's and/or Trustee's entry upon the Land and Improvements for any purpose set forth in this Subsection, including Beneficiary's exercise of its rights under California Code of Civil Procedure Section 564(c); and
- (g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Insurance and Condemnation Proceeds.

- (a) Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.
- (b) Any condemnation award or insurance proceeds must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.
- (c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections

demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the Market Rate Note, the BMR Note, the Deferred Note, and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.

- (d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.
 - 6. Further Agreements. Trustor further acknowledges and agrees as follows:
- (a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default for failure to pay timely by accepting payment of any sum secured hereby after its due date.
- (b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Market Rate Note, the BMR Note, and the Deferred Note for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.
- (c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the Market Rate Note, the BMR Note, and the Deferred Note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.
- (d) As additional security, Trustor hereby irrevocably, absolutely and unconditionally assigns to Beneficiary all Rents, whether now due, past due or to become due, subject to Beneficiary's grant to Trustor of a license to collect and retain Rents as they become due and payable so long as Trustor has not defaulted in performance of the Secured Obligations.
- (e) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.

- (f) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.
- (g) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the Market Rate Note, the BMR Note, or the Deferred Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.
- (h) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
- 7. <u>Beneficiary's Rights Following Default</u>. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("Event of Default"):
 - (a) Trustor's license to collect and retain Rents will terminate automatically.
 - (b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.
 - (c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold the Property ("Notice of Default"), and:

- i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the Market Rate Note, the BMR Note, the Deferred Note, and all documents evidencing expenditures secured hereby.
- ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("Notice of Sale") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.
- iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.

PROJECT DESCRIPTION

The Mayor's Office of Housing and Community Development (MOHCD) is proposing to acquire six existing multifamily housing developments through the agency's Small Sites Program, totaling 69 units ranging in size from studios to 2-bedroom units (located at 4830 Mission Street, 65 Woodward street, 1411 Florida Street, 1201 Powell Street, 462 Green Street, and 3280 17th Street). The program provides loans to nonprofit organizations to buy existing rental buildings at risk of market-rate conversion or loss due to physical decline. These buildings are then converted to permanently affordable housing, thereby helping limit residential displacement. The program requires that buildings complete improvements to meet life safety requirements, including seismic soft-story retrofits. Some of the projects also include existing retail spaces that will be preserved through the program.

ENVIRONMENTAL REVIEW

The environmental analysis and/or permits have been issued for 4830 Mission Street (2017-014686PRJ and 2019-002886PRL), 65 Woodward Street, and 1411 Florida Street (2017-014686PRJ and 2019-002886PRL).

The work proposed at 1201 Powell Street, 462 Green Street and 3280 17th Street includes the following:

• 1201 Powell Street: Project includes a soft story retrofit with approximately 15 cubic yards of soil disturbance, approximately 5 feet depth of excavation, and approximately 30 wood windows to

be replaced in-kind. All window permits would be reviewed by the San Francisco Planning Department and the window types and materials would be required to meet the Secretary of Interior Standards.

- 462 Green Street: Project has filed an Accessory Dwelling Unit (ADU) Permit with facade alterations (2019-003746PRJ/BPA 201903195622). The replacement and facade work must meet the Secretary of Interior Standards before the plans are signed and the permit issued.
- 3280 17th Street: Project includes in-kind roofing and repair work.

The physical work associated with 1201 Powell, 3280 17th Street and 462 Green are Categorically Exempt from CEQA pursuant to CEQA Guidelines Section 15301 (Planning Case No. 2019-006619PRJ).

GENERAL PLAN COMPLIANCE AND BASIS FOR RECOMMENDATION

The proposal to acquire the six buildings through the Small Sites Program is, on balance, **in conformity** with the General Plan, as described in the body of this Report.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

HOUSING ELEMENT

OBJECTIVE 1

IDENTIFY AND MAKE AVAILABLE FOR DEVELOPMENT ADEQUATE SITES TO MEET THE CITY'S HOUSING NEEDS, ESPECIALLY PERMANENTLY AFFORDABLE HOUSING.

POLICY 1.1

Plan for the full range of housing needs in the City and County of San Francisco, especially affordable housing.

Comment: The Small Sites Program was established to help stabilize buildings that are occupied by low- to moderate-income tenants throughout San Francisco that are particularly susceptible to market pressures, resulting in property sales, increased evictions, and rising tenant rents. The program provides housing for tenants earning up to 120% of Area Median Income (AMI), and further requires that when units are vacated and rented to new tenants that the property strive for an average income level of 80% AMI.

OBJECTIVE 2

RETAIN EXISTING HOUSING UNITS, AND PROMOTE SAFETY AND MAINTENANCE STANDARDS, WITHOUT JEOPARDIZING AFFORDABILITY.

POLICY 2.4

Promote improvements and continued maintenance to existing units to ensure long term habitation and safety.

POLICY 2.5

Encourage and support the seismic retrofitting of the existing housing stock.

Comment: The six Small Sites Program developments would be required to upgrade the buildings to meet minimum life safety and seismic standards, and that they maintain the units for the duration of the program (minimum 75 years).

OBJECTIVE 3

PROTECT THE AFFORDABILITY OF THE EXISTING HOUSING STOCK, ESPECIALLY RENTAL UNITS

POLICY 3.1

Preserve rental units, especially rent controlled units, to meet the City's affordable housing needs.

POLICY 3.2

Promote voluntary housing acquisition and rehabilitation to protect affordability for existing occupants.

POLICY 3.4

Preserve "naturally affordable" housing types, such as smaller and older ownership units.

POLICY 3.5

Retain permanently affordable residential hotels and single room occupancy (SRO) units.

OBJECTIVE 4

FOSTER A HOUSING STOCK THAT MEETS THE NEEDS OF ALL RESIDENTS ACROSS LIFECYCLES.

POLICY 4.4

Encourage sufficient and suitable rental housing opportunities, emphasizing permanently affordable rental units wherever possible.

Comment: The goals of the Small Sites Program are to permanently stabilize existing rental housing stock that is serving low- to moderate-income households, by acquiring and preserving "naturally affordable" units. It allows existing tenants to continue living in the developments when they are accepted into the program. It also focuses on preserving a variety of unit sizes and types, and the six projects currently proposed for inclusion in the program include units ranging from studios to 2-bedroom units.

OBJECTIVE 7

SECURE FUNDING AND RESOURCES FOR PERMANENTLY AFFORDABLE HOUSING, INCLUDING INNOVATIVE PROGRAMS THAT ARE NOT SOLELY RELIANT ON TRADITIONAL MECHANISMS OR CAPITAL.

POLICY 7.3

Recognize the importance of funds for operations, maintenance and services to the success of affordable housing programs

POLICY 7.6

Acquire and rehabilitate existing housing to maximize effective use of affordable housing resources.

Comment: The proposed project would provide funding to maintain and preserve existing affordable housing, including funding for operations and the necessary rehabilitation to bring projects up to current life safety and seismic standards.

OBJECTIVE 8

BUILD PUBLIC AND PRIVATE SECTOR CAPACITY TO SUPPORT, FACILITATE, PROVIDE AND MAINTAIN AFFORDABLE HOUSING

POLICY 8.1

Support the production and management of permanently affordable housing.

OBJECTIVE 9

PRESERVE UNITS SUBSIDIZED BY THE FEDERAL, STATE OR LOCAL SOURCES.

POLICY 9.2 Continue prioritization of preservation of existing affordable housing as the most effective means of providing affordable housing.

Comment: The program partners with nonprofit organizations to protect existing low- and moderate-income residents in rental housing developments, utilizing local funding sources.

COMMERCE & INDUSTRY ELEMENT

OBJECTIVE 2

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

POLICY 2.1

Seek to retain existing commercial and industrial activity and to attract new such activity to the city.

OBJECTIVE 3

PROVIDE EXPANDED EMPLOYMENT OPPORTUNITIES FOR CITY RESIDENTS, PARTICULARLY THE UNEMPLOYED AND ECONOMICALLY DISADVANTAGED.

POLICY 3.1

Promote the attraction, retention and expansion of commercial and industrial firms which provide employment improvement opportunities for unskilled and semi-skilled workers.

Comment: The project would preserve buildings that include existing retail spaces, ensuring they can continue to serve as spaces for neighborhood-serving businesses and provide employment opportunities for workers of different skill levels.

PROPOSITION M FINDINGS - PLANNING CODE SECTION 101.1

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

Eight Priority Policies Findings

The subject project is found to be consistent with the Eight Priority Policies of Planning Code Section 101.1 in that:

- 1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced.
 - The project will not displace or restrict access to any existing neighborhood-serving retail or restrict future opportunities. The existing retail spaces at some of the sites will be preserved through the program.
- 2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhood.
 - The project will enhance the economic diversity of our neighborhoods by preserving existing affordable housing at a range of income levels.
- 3. That the City's supply of affordable housing be preserved and enhanced.
 - The project will directly support the preservation and enhancement of the City's supply of affordable housing.
- 4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.
 - The proposed project will not impede Muni transit service, nor overburden our streets or neighborhood parking.
- 5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for residential employment and ownership in these sectors be enhanced.
 - The project will not displace any individual businesses.
- 6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.
 - The proposed project will not hinder earthquake preparedness efforts. Further, the project will require the subject buildings to meet current seismic and safety codes and standards.

7. That landmarks and historic buildings be preserved.

The project would not have an adverse effect on landmarks or historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development.

The project will not impact parks and open spaces.

GENERAL PLAN REFFERAL NOTE TO FILE

CASE NO. 2019-006619GPR
SMALL SITES PROGRAM – ACQUISITION OF MULTIFAMILY
AFFORDABLE HOUSING DEVELOPMENTS

On May 13, 2019, the Planning Department completed a General Plan Referral (GPR) for the Mayor's Office of Housing and Community Development (MOHCD) to acquire six existing multifamily housing developments through the agency's Small Sites Program. The projects are located at: 4830 Mission Street, 65 Woodward Street, 1411 Florida Street, 1201 Powell Street, 462 Green Street, and 3280 17th Street, totaling 69 units ranging in size from studios to 2-bedroom units.

Since issuing the General Plan Referral, the GPR's project description has changed. MOHCD is proposing to add one additional small site project. The projects is located at 270 Turk Street.

This Note to the File clarifies that Case No. 2019-006619GPR considered the current project description, and that its finding of conformance with the General Plan as well as its environmental clearance still stands in light of the refined project description. The subject project is not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment.
