Re: Liquor License "PCN" Request  
Original Type #20 - 617773

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our Type 20 license.

Our business proves to be necessary in San Francisco, as a storied connection between the North Beach neighborhood and Italian heritage. Our operations will be a solution to this by offering artisan products from Italy, including wine, to our community in San Francisco.

Our desired hours of operation are 10:00am - 8:00pm, each day of the week. We will vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times and maintain a lawful business. Growing up in San Francisco and Italy has allowed me to cultivate very good relationships with community leaders and members and serve as a bridge between these two places.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Please contact our representative, Jemma Jorel Lester, for scheduling our hearing date. She can be reached at 510-788-5881 ext. 2 or via email at [jemma@abclicensecompany.com](mailto:jemma@abclicensecompany.com). Thank you for your kind consideration of this request.

Sincerely,

*Sofia Scarpone*
