San Francisco Board of Supervisors Rules Committee Supervisor Hillary Ronen, Chair City Hall, 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102

Dear Chair Ronen,

On behalf of our over 10,000 members, I write to voice the San Francisco Bicycle Coalition's strong support for Mayor Breed's nomination of Jane Natoli to the SFMTA Board of Directors.

Jane will bring a broad range of skills to the position, but her experience as an advocate for active transportation and transit makes her especially well-suited to represent the hundreds of thousands of San Franciscans who bike, walk and take transit every day. She has been involved in many of our campaigns to improve biking across our city, and has proven herself to be a respectful, deeply knowledgeable and effective advocate for improving safety and encouraging more people to bike.

She also possesses significant expertise in financial management and analysis that will be particularly critical during this time of dire fiscal challenges for the City and the SFMTA. Having worked with Jane for two years as a member of our board of directors, I can attest that not only is she well-versed in fiscal policy, but she is a hard working, diligent and considerate colleague. She always strove to keep the organization's mission centered in any discussion of policy or programming, and was a champion of using social justice principles to guide our work.

San Francisco faces a potentially debilitating challenge to its transportation system at this moment as COVID-19 reduces Muni service and poses tough questions about future transit operations. The pandemic also promises to radically shift commute patterns to downtown job centers while placing additional pressures on our curb space as small businesses shift to curbside pick-up as they re-open. Meanwhile, the expansion of Slow Streets and car-free spaces has proven a successful public health tool to ensure safe distance for essential trips and exercise. I am confident that Jane will bring a creative, solutions-oriented attitude to all of these challenges, while continuing to support the City's Vision Zero, Transit First, and climate policies.

At a time of suffering and public health emergency, we need someone who understands those challenges and can step up and immediately get to work addressing them. We ask you to recommend Jane Natoli for the SFMTA Board of Directors to the rest of your colleagues on the Board of Supervisors.

Sincerely,

Brian Wiedenmeier

Subject: Support for Jane Natoli, SFMTA Board of Directors

Dear Board of Supervisors and Rules Committee,

We are writing to express our support for Jane Natoli nomination to SFMTA Board of Directors.

Jane, would be the first transgender person to serve on this Board and would work to support inclusion and equity at SFMTA. She will work quickly towards solutions for our City and our residents in these unprecedented times.

Jane comes to this work as an advocate for safe streets, fighting for the LGBTQ community and all San Franciscans walking, biking, and taking transit. It is important now more then ever we continue to support and foster trans leadership in San Francisco. Transgender people experience unprecedented levels of violence and discrimination in their daily lives including on public transit, Jane's leadership will assure that community needs and voices are heard and addressed.

From 2018 to 2020, she served as an elected member of the San Francisco Bicycle Coalition's Board of Directors, helping to guide the 10,000 member organization in its mission of making biking more accessible, safe, and diverse for everyone in the City. She has regularly shown up to advocate on behalf of projects that will do just that throughout the City. For her, it's not just the right thing to do, but personal, as she has been hit while biking three times in San Francisco.

She understands the gravity of what is ahead of us and remains committed to ensuring

we meet our Vision Zero goals while getting San Franciscans around safely. She wants to uphold our values as a Transit First city and ensure that our system truly serves the riders who need it most.

We ask that you please move forward Jane Natoli nomination for the SFMTA Board of Directors to the Board of Supervisors.

Thank you,

Re: Support for appointment of Jane Natoli to the SFMTA Board of Directors

Dear Supervisors Ronen, Stefani, and Mar,

San Francisco Transit Riders (SFTR) is the city's member-supported advocate for transit riders and for affordable, efficient, and growing transit. I'm writing to support the appointment of Jane Natoli to the SFMTA Board of Directors.

I appreciate Ms. Natoli's experience as a transit rider and a community advocate. I have found Ms. Natoli to be thoughtful and pragmatic, and able to connect with a wide variety of people. Of course, her experience on several boards, her experience in the financial sector, and her role on the General Obligation Bond Oversight Committee all will serve her well on the SFMTA Board of Directors.

I urge you to approve Jane Natoli's appointment to the SFMTA Board of Directors.

Sincerely,

Cat Carter

Rules Committee Chair Hillary Ronen and the San Francisco Board of Supervisors,

277 people have signed a petition on Action Network telling you to Support Jane Natoli for Confirmation to the SFMTA Board.

Here is the petition they signed:

San Francisco Board of Supervisors Rules Committee Supervisor Hillary Ronen, Chair City Hall, 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102

Dear Chair Ronen,

I am writing to express my support for Jane Natoli as Mayor London Breed's nominee for the SFMTA Board of Directors.

Jane comes to this work as an advocate for safe streets, regularly showing up and fighting for everyday San Franciscans walking, biking, and taking transit. From 2018 to 2020, she served as an elected member of the San Francisco Bicycle Coalition's Board of Directors, helping to guide the 10,000 member organization in its mission of making biking more accessible, safe, and diverse for everyone in the City. She has regularly shown up to advocate on behalf of projects that will do just that throughout the City. For her, it's not just the right thing to do, but personal, as she has been hit while biking three times in San Francisco.

In addition to that experience, Jane serves on two other boards currently, the SF LGBT Center and YIMBY Action, and is also a Mayoral appointee on the Citizen's General Obligation Bond Oversight Committee. She understands the need for a steady hand guiding organizations, making the right and sometimes tough decisions for the organizations she serves and staying focused on the mission and centering the needs of those who need our help most. She takes the fiscal responsibility of overseeing organizations seriously and understands the challenges ahead for SFMTA and our City.

She understands the gravity of what is ahead of us and remains committed to ensuring we meet our Vision Zero goals while getting San Franciscans around safely. She wants to uphold our values as a Transit First city and ensure that our system truly serves the riders who need it most. Frequent and reliable transit is a must, but as a trans woman, she also understands that everyone who rides our buses and trains or walking or biking deserves to be treated with dignity and that is just as real a barrier for too many San Franciscans getting around our City as how often the bus comes.

I am confident that Jane will bring all of her experiences to bear in this role and will step in and work quickly towards solutions for our City and our citizens in these unprecedented times. I ask you to recommend Jane Natoli for the SFMTA Board of Directors to the Board of Supervisors.

Thank you,

Jane is an incredible transit advocate. She's served on the SF Bike Coalition board for years and has supported open streets, protected bike lanes, and true "Transit First" priorities. She is thoughtful, level-headed, extremely intelligent, but very approachable. And she is GREAT at math - something we need desperately in these dire times. A solution isn't a solution if it doesn't pencil out. San Francisco and SFMTA would be lucky to have her on board.

Dear Chair Ronen and Members of the Rules Committee,

This is testimony for the Rules Committee meeting on August 10, 2020.

I strongly <u>oppose</u> the Motion at Agenda Item #6 to accept the Mayor's appointment of **Jane Natoli** to SFMTA's Board of Directors. Please reject her appointment for the following reasons.

- 1. SFMTA's current seven-member Board has four members, three of whom are women (Borden, Eaken, and Brinkman), with one man (Heminger). Assuming that the Rules Committee and the full Board of Supervisors approve the nomination of Sharon Lai as an Asian American member to expand diversity on SFMTA's Board, adding Natoli would then tilt the Board to five women, skewing gender equity.
- 2. Three of SFMTA's current four Board members are white (Eaken, Brinkman, and Heminger). Adding Natoli would skew the seven-member board to at least four Caucasians. The Board of Supervisors should reject Natoli's appointment in order to seek greater racial and ethnic diversity on MTA's Board.
- 3. The Charter amendment approved by voters in 1999 required at least four of MTA's directors be regular MUNI riders. Natoli is a regular bike rider, not a regular MUNI rider.
- 4. The Charter amendment approved by voters in 1999 also specified the SFMTA directors must possess significant knowledge of, or *professional experience* in, one or more of the fields of government, finance, or labor relations. Natoli has zero on the-job professional *experience* in public transportation, labor relations or government, and her "finance" professional experience consists of being a financial *crimes* analyst, not professional experience in government financing and budgeting, or public transportation financing and budgeting. She doesn't pass this Charter smell test when it comes to professional experience.
- 5. Of the 195 pages posted on-line in the *Community Correspondence* background file for Agenda Item 6 on Natoli's nomination, one of the letters opposed Natoli, noting Natoli is an "*ideologue*" and is unqualified. The remaining 194 pages are each two-page letters, representing approximately 97 letters from individuals. Unfortunately, the vast majority of those 97 letters are actually duplicate two-page letters from the same individuals, so at best Natoli may have received approximately 45 supporters, not the misleading 194 letters.
  - Unfortunately, every one of those 45 letters of support contain virtually identically verbatim boiler-plate text, as if Natoli got members of YIMBY and/or members of the Bicycle Coalition to (unimaginatively) submit what amounts to a standard "form letter" that the submitters didn't bother to edit by even a single word. This isn't widespread "community-driven support." It's mindless use of verbatim form letters.
- 6. Having attended CGOBOC meetings in person, and having watched its meetings on SFGOV-TV for years, Natoli seems to be clearly out of her league and rarely asks any relevant questions about the variety of G.O. Bonds CGOBOC is charged with overseeing. Given Natoli's lackluster performance while serving on CGOBOC since 2018, the Board of Supervisors would be making a tragic mistake to appoint Natoli to SFMTA's Board.
- 7. Please do not support this unqualified nominee for SFMTA's board. SFMTA's Board needs someone to represent the 97% of San Franciscans who travel by public transportation modes other than by bicycles. Clearly, Natoli is not qualified under the City Charter to be appointed to SFMTA's board.

I urge the Rules Committee to vote unanimously to table Natoli's nomination, and recommend that the full Board of Supervisors rejects the nomination.

Dear President Yee and Board of Supervisors,

The Transit Justice Coalition, a coalition of equity organizations, communities, and individual stakeholders, is writing to express our support for the Board of Supervisors to refrain from approving the appointment of Jane Natoli to the SFMTA Board of Directors. We firmly believe our transportation system should prioritize the safety and accessibility of our most vulnerable residents who have historically been marginalized and harmed by Governmental policies and corporate actions. This includes our strong support of trans and queer representation on Boards and Commissions.

While we uphold the need for equitable representation and empowerment of marginalized communities, we also recognize our responsibility for holding all potential candidates accountable to remaining firmly committed to advocating for the equity and empowerment of the communities they represent. The appointment of an individual therefore requires us to not only identify candidates who provide increased representation for marginalized communities but candidates who also provide assurance that their actions' will reflect the principles of equity, empowerment, and the prioritization of the needs of vulnerable communities that lies at the core of the Transit Justice Coalition. We do not believe Jane Natoli's words and actions reflect a firm commitment to these principles.

The MTA has been plagued by equity and governance issues. The COVID-19 pandemic has had a disproportionate impact on low-income and marginalized communities, as well as exacerbated the many challenges faced by transportation agencies as they work hard to remain open to essential travel. Many agencies in the Bay Area, such as ACTransit and VTA have suspended fare collection for the safety of their drivers and in recognition of the financial challenges faced by many transit riders. Unfortunately, the SFMTA recently made the harmful decision to ignore the needs of our vulnerable communities and instead voted to increase the burdens of communities hardest hit by the pandemic by raising fares.

This decision was made with disregard to both the community's and Supervisor's overwhelming support of the resolution resoundingly passed at the Board of Supervisors to halt fare increases. This disregard for the equitable needs of marginalized communities led, in large part, to the recent rejection of commissioner Christina Rubke. A recent article by the Bay Area Reporter demonstrates Natoli's lack of commitment to upholding the clear mandate from both the community and Board of Supervisors to refrain from raising Muni fares. This lack of commitment raises serious concern as to her ability to resist political influence in favor of upholding racial and social equity.

<sup>1</sup> 

While Jane Natoli's appointment to the MTA Board Directors would be a great step for transgender representation on the MTA Board, she will not be the advocate that transgender and other marginalized communities need to hold the MTA accountable to making decisions within an equitable framework that prioritizes the needs of these communities. Particularly the needs of vulnerable individuals who are low-income or working-class, and who face constant violence, poverty, housing insecurity, and targeting by law enforcement.

Our Coalition also has concerns with the governance of the SFMTA, the Mayor believes she has the carte blanche authority to appoint all members to the Board and reward only her political allies; with near total disregard to any accountability for upholding equity and the needs of marginalized communities. During this COVID crisis, it is more important now than ever that the Board of Supervisors remain steadfast in maintaining a high equity bar for all appointments to uplift all marginalized communities regardless of the individual's identity.

We urge the Board of Supervisors to use their sacred power of checks and balances to reject Ms. Natoli's appointment and hold the Mayor accountable to cooperating with them to identify an individual with a firm commitment to racial, social, and economic equity. During this crisis, work to help ensure the stabilization of our communities and continued accessibility to the transit system our hardworking families rely on. Reject the appointment of Jane Natoli.

Sincerely, Transit Justice Coalition
