**Reenactment of emergency ordinance (Ordinance No. 84-20) to establish protections for occupants of residential hotels (“SRO Residents”) during the COVID-19 pandemic by, among other things: making it City policy to place in solitary hotel rooms SRO residents who meet the criteria for isolation or quarantine established by the County Health Officer, and requiring the Department of Public Health to: develop a protocol to assist health care providers to identify SRO Residents who may require protection against or treatment for COVID-19; notify the operator of a residential hotel when an SRO Resident has tested positive for COVID-19, to facilitate contact tracing, testing for COVID-19, and cleaning; establish a telephone hotline for SRO Residents, to respond to questions about accessing COVID-19 health screenings, testing, and solitary hotel rooms; provide face coverings to SRO Residents and workers in residential hotels; and provide daily aggregate data concerning the incidence of COVID-19 among SRO Residents, access to quarantine rooms by such residents, and the number of such residents who have died due to complications from COVID-19.**
