Findings and Recommendations

The Tourism Improvement District and Moscone Expansion District met their reporting requirements, mentioned on page 5 of the memo, under Article 15 of the San Francisco Business and Tax Regulations Code, the California Streets and Highways Code, and the organization's management agreement with the City and County of San Francisco.

The TID is set to expire in 2023. Due to the unique processes required of a sector-based election, OEWD is recommending the TID begin work in FY 19-20 to prepare drafting a revised management plan and discuss strategies around the petitioning and election process with OEWD.

Conclusion

The Tourism Improvement District is following all requirements placed on it by the California Streets & Highways Code, Article 15 of the San Francisco Business and Tax Regulations Code, and the District's Management Agreement with the City and County of San Francisco. The Districts continue to succeed at

their primary purpose of attracting tourism and conventions to San Francisco and renovating the Moscone Convention Center.
