### **(Application of Dean M. Schmidt – Nominated by the SOCIETY OF PROFESSIONAL JOURNALISTS for Seat #1 on the SUNSHINE ORDINANCE TASK FORCE)**

#### **I. QUALIFICATIONS TO REPRESENT COMMUNITIES OF INTEREST, NEIGHBORHOODS AND DIVERSITY**

I am a 30-year resident of the City, 25 years as a homeowner in the Mission District (Bernal). The City has changes dramatically of recent, and though some of that change alters the livability of our neighborhoods, my City remains and must be made to remain a unique and wonderful place to live. I sent both my children to public schools in the SFUSD through Grade 12, including 9 years each at a small Excelsior District public school that taught them well among a multi-ethnic student body mainly from working class or underprivileged households. I contributed my time at that school as an SFUSD-certified Coach and Athletic Director for middle school interscholastic sports, attempting to promote more funding, participation and inclusion for children from many of the diverse communities in the area. I also am increasingly active with an Inner Mission District dharma sangha that emphasizes and promotes social justice, diversity and skillful efforts in opposition to all forms of discrimination.

Professionally, I have extensive knowledge about and reverence for the anti-discrimination protections provided by state and federal law (Title VII, FEHA, ADA, etc.), having provided legal counsel in many cases to enforce those laws, and in the role of outside legal counsel in Federal and State Court litigation, administrative hearings and civil service hearings representing public agencies (e.g. County of Alameda, City of Berkeley, East Bay Municipal Utility District, Alameda-Contra Costa Transit District).

My mother's entire family were 19<sup>th</sup>/20<sup>th</sup>-century immigrants who migrated from rural Finland to mine iron in northern Minnesota. Their hard lives, social exclusion and persecution for groundbreaking union-forming activity were the first of many influences motivating me to be open, inclusive and engaging with all people who come to this city – and this country.

#### **II. BUSINESS AND/OR PROFESSIONAL EXPERIENCE**

Having recently familiarized myself with the Task Force's work, I now wish to wholeheartedly contribute my experience, legal skills, people skills, and knowledge of city and county government processes developed primarily in my 30 years as a San Francisco/East Bay civil litigation attorney. I have gained significant experience in many areas of civil law, often involving complex depositions of difficult witnesses, mediations

and settlement or trials before juries or the courts without jury. My work has often involved working with public agencies; managing the procurement or production of large document troves often subject to privilege claims like the attorney-client privilege and attorney work product protections, pursuant to civil discovery, civil subpoena, FOIA or other procedural processes. I have done extensive work both within public agencies as outside litigation counsel, and from the outside for litigation co-parties or adverse litigants. Much of that work involved personnel issues, anti-discrimination litigation, civil service hearings and other labor disputes.

More specifically, I have over my career been legal counsel in multiple litigation matters involving First/Fourteenth Amendment freedom of speech/press /association/religion issues such as public official/employee speech rights, limits on associational freedom in exercise of religion or intimate scenarios, media invasion of privacy, church governance, newsrack ordinances, etc.

I believe I have attained a level of skill in both managing acrimonious full-blown litigation fights and standing upon principle where appropriate and, on the other hand, always attempting to work toward finding flexible and creative solutions instead of permitting time waste in needless haggling and posturing. I would try to bring to the Task Force an ability to comprehend difficult legal hurdles and evidentiary and procedural questions. I would seek to work collaboratively with other Task Force members, whose impressive life and work experiences clearly bring a range of skills critical to performing the work of the Task Force. With the clear goal of open, transparent government and effective access – “sunshine” – always in mind, I would hope to imbue professionalism and to pursue competently all aspects within the Task Force’s mandate and jurisdiction, yet without creating unnecessary burdens for those seeking to comply with the Ordinance and relevant state law in good faith.

Specific as to “Consumer Advocacy”, there are many cases where I have worked extensively on behalf of consumers, usually as civil litigation plaintiffs, to enforce statutes that are consumer protection statutes: mortgage fraud; federal and state statutes regulating the moving and storage industry; wrongful eviction lawsuits seeking treble damages under the San Francisco and other rent control ordinances; tenants endangered/injured by dangerous rental property conditions; violations of the California Consumer Legal Remedies Act and Unruh Act, including elder abuse (endangerment, fraud); actions against real estate agents, brokers, escrow agents and other fiduciaries, for violation of defect disclosure laws and other purchaser protections; sexual abuse of minors by clergy and condoned by religious institutions; challenges to denial of disability benefits; countless cases against insurance company claim denials made in bad faith or otherwise unlawful. I have also provided counsel and advice regarding government agency, corporate, small business compliance with the federal Americans with Disabilities Act and California Fair Employment and Housing Act. I also have litigated

pro bono consumer matters against banks (lending, collection practices), landlords (local and State protections), and local businesses.

I was sworn in as a Superior Court of California Judge Pro Tempore in 2012, based in part on my years of courtroom work as a civil litigation attorney. Because I consider this to be one of my “Civic Activities”, I provide further detail below in the civic activities section.

### **III. CIVIC ACTIVITIES**

Since mid-2018 I have become deeply involved in legal battles against the ongoing federal assault on migrants seeking U.S. asylum. I work as pro bono legal counsel in the ongoing Flores v. Barr litigation, serving and advocating for the national class of migrant unaccompanied minors held in federal detention facilities. We conduct legal site inspections and client/witness interview work at remote detention centers in multiple states. We work to enforce compliance with the national federal court consent decree.

I have also recently done several lengthy tours doing emergency legal outreach advocacy in northern Mexico with Al Otro Lado, on behalf of international migrants blocked from seeking asylum at the California border. I also accompany teams to add legal triage aid during their medical missions at urban and rural refugee camps in the greater Tijuana area. This is an effort to give refugees a more viable chance at success when they encounter the U.S. legal system.

I continue to be an active member of San Franciscans for Sunshine, a group which advocates good government measures around transparency, focusing on legal/legislative analysis and ballot efforts.

I was sworn in as a Superior Court Judge Pro Tempore in 2012. I have been volunteering part of my time to judging calendars at the Hall of Justice, including arraignments and trials of city ordinance and vehicle infractions; juvenile calendars at the Youth Guidance Center courthouse; and settlement calendars of the Housing Court. In the near future I plan to undertake assignments of small claims trials at the Civic Center Courthouse, and in the Civil Discovery Departments, which actually handle document-intensive production and privilege disputes similar to the Task Force’s enforcement work.

Furthermore, I have worked with the Justice & Diversity Center to represent tenants pro bono fighting eviction in San Francisco. I have litigated and continue to litigate other types of pro bono cases through the Bar Association of San Francisco (family law, general civil), Legal Services for Children (pro bono guardianships), and California Lawyers for the Arts (including a former class teaching the fundamentals of copyright protection issues to local artists and musicians.) I am a past winner of the

California State Bar Wiley Manuel Award for the provision of pro bono services to the community

Recently, I occasionally staff the weekly local radio call-in show "Call A Lawyer" where most topics involve consumer protection. I also a few years back involved myself in work on behalf of children in Juvenile Dependency proceedings. On a somewhat different tangent, I spent several years as a member of the Board for the Encore Theater Company, an offshoot of American Conservatory Theater.

Dear Supervisors,

The Society of Professional Journalists, Northern California Chapter (“SPJ NorCal”) is pleased to nominate Dean Schmidt for appointment to the City’s Sunshine Ordinance Task Force.

Section 67.30(a) of the Sunshine Ordinance reserves a voting seat on the SOTF for an attorney nominated by SPJ NorCal, and stipulates that all SOTF members must “have experience and/or demonstrated interest in the issues of citizen access and participation in local government.”

Mr. Schmidt has practiced law in the Bay Area for 30 years, working on First and Fourteenth Amendment cases dealing with the speech rights of public officials and employees, news-rack regulations, and media invasion of privacy. Most recently, he has worked pro bono since 2018 on behalf of migrant unaccompanied minors held in federal detention facilities while seeking U.S. asylum. He has conducted legal site inspections and client interviews to enforce compliance with a federal court consent decree. With the non-profit legal organization Al Otro Lado, he has provided emergency legal outreach advocacy to people blocked from seeking asylum at the northern Mexico border. He joined medical team visits to urban and rural refugee camps, and provided triage legal aid.

Locally, Mr. Schmidt has been an active member of San Franciscans for Sunshine, advocating for government transparency by helping the organization with legislative analysis and ballot efforts.

Mr. Schmidt has shown his commitment to open, good governance and the rule of law. With his collegial and methodical nature, he is an excellent candidate for the Sunshine Ordinance Task Force. We strongly urge you to consider Mr. Schmidt’s candidacy and to forward his nomination to the full Board as expeditiously as possible.

Thank you for your time and attention to this matter.

Sincerely,

Christine Peek, SPJ NorCal Freedom of Information Committee co-chair  
Lauren Smiley, SPJ NorCal Freedom of Information Committee co-chair

Dear Supervisors,

The Society of Professional Journalists, Northern California Chapter (“SPJ NorCal”) is pleased to nominate Lila LaHood for re-appointment to the City’s Sunshine Ordinance Task Force.

Section 67.30(a) of the Sunshine Ordinance reserves a voting seat on the SOTF for a local journalist nominated by SPJ NorCal, and stipulates that all SOTF members must “have experience and/or demonstrated interest in the issues of citizen access and participation in local government.”

Ms. LaHood has served for the last two years as an energetic, dedicated, and rigorous member of the task force. She is the publisher of the San Francisco Public Press, a nonprofit news organization that produces local public-interest journalism and aims to enrich civic life in San Francisco. She has two decades of journalism experience, and holds a master’s degree from the Columbia University Graduate School of Journalism. Ms. LaHood also has professional experience with the Sunshine Ordinance, which her staff at the Public Press utilize in their reporting, as well as the state (California Public Records Act) and federal (Freedom of Information Act) equivalents.

Given the numerous vacant seats on the SOTF, Ms. LaHood’s experience in managing teams of people and working toward a common goal make her ideally suited to serve on the SOTF.

We strongly urge you to consider Ms. LaHood’s candidacy and to forward her nomination to the full Board as expeditiously as possible.

Thank you for your time and attention to this matter.

Sincerely,

Christine Peek, SPJ NorCal Freedom of Information Committee co-chair

As co-lead of League of Women Voters SF Observer Corps, I volunteer my time training the public to observe government meetings and become more civically engaged. We've partnered with local community groups including Coalition on Homelessness, Homey SF, and Wealth & Disparities in the Black Community. We also work with local branches of SURJ and ACLU to uplift the voices of our community members. I am a Chinese American woman who was born in SF. I currently live in the Richmond district, and have for the last six years. My grandmother has lived in the Richmond since the 50s, and many relatives still reside there. My mother and her siblings attended Presidio Middle & Washington High schools. My father's family immigrated from Singapore and moved to the Richmond in the 70s. I represent the Chinese & Asian American communities, women, and my district and residents of the Richmond.

**Business and/or professional experience:**

I hold a B.S. in Civil Engineering, an M.S. in Mechanical Engineering, and an Engineer in Training certificate from the CA Department of Consumer Affairs. I interned as a Traffic Engineering Design Trainee for SF Department of Parking and Traffic (SFDPT) for three summers before it was rolled into SFMTA. I worked as a Civil Engineer for four years before making a career switch. I've worked in the Tech industry for the last 10 years, ranging from Customer Support (in the first 3 years) to Software Engineering (in the more recent 7 years), for several companies primarily in San Francisco.

**Civic Activities:**

I've been a member of League of Women Voters San Francisco since 2015. Through LWVSF, I volunteered with San Franciscans for Sunshine. During my time there, I helped draft modernized language and updates to the Sunshine Ordinance, canvassed the public to add these changes as a ballot measure, and met with past & current Supervisors to discuss these updates. I'm also newly elected to the LWVSF Board of Directors and I co-lead the Observer Corps as mentioned above. I actively observe police district, Police Commission, and Board of Supervisors meetings, and train members of the public to be observers. I also completed NERT training in 2016 and continue to renew every two years.

San Francisco, CA 94102

Dear Supervisors:

This letter is to advise you that the Board of Directors of the League of Women Voters of San Francisco (LWVSF) would like Jennifer Wong to be appointed as our League Representative to the Sunshine Ordinance Task Force (Seat 5). The seat is currently held by our representative, Leuwam Tesfai, whose term was set to expire in April of 2020.

Jennifer Wong serves on our Board of Directors and has been an active member and contributor to many of our Committees since 2015. She has demonstrated her commitment to government transparency and has gained familiarity with the Sunshine Ordinance and the Brown Act through her work with San Franciscans for Sunshine. She has gained a deep understanding of the issues and policy surrounding open government through her leadership in the LWVSF's Observer Corps program, which trains members of the public to observe government meetings. She is a software engineer by trade but has a proven interest in government transparency and representation from the general public in policy making.

If you have any questions, please contact me at [president@lwvsf.org](mailto:president@lwvsf.org).

Sincerely,

Alison Goh

## Executive Summary

---

In 2008, San Francisco voters overwhelmingly approved a City Charter Amendment (section 4.101) establishing as City policy for the membership of Commissions and Boards to reflect the diversity of San Francisco’s population, and that appointing officials be urged to support the nomination, appointment, and confirmation of these candidates. Additionally, it requires the San Francisco Department on the Status of Women to conduct and publish a gender analysis of Commissions and Boards every two years.

The *2019 Gender Analysis of Commissions and Boards* includes more policy bodies such as task forces, committees, and advisory bodies, than previous analyses, which were limited to Commissions and Boards. Data was collected from 84 policy bodies and from a total of 741 members mostly appointed by the Mayor and Board of Supervisors. These policy bodies fall under two categories designated by the San Francisco Office of the City Attorney.<sup>1</sup> The first category, referred to as “Commissions and Boards,” are policy bodies with decision-making authority and whose members are required to submit financial disclosures to the Ethics Commission. The second category, referred to as “Advisory Bodies,” are policy bodies with advisory function whose members do *not* submit financial disclosures to the Ethics Commission. This report examines policy bodies and appointees both comprehensively as a whole and separately by the two categories.

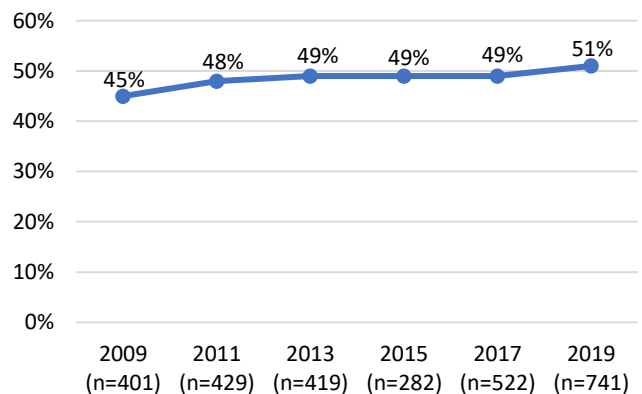

The *2019 Gender Analysis* evaluates the representation of women; people of color; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) individuals; people with disabilities; and veterans on San Francisco policy bodies.

### Key Findings

#### Gender

- Women’s representation on policy bodies is 51%, slightly above parity with the San Francisco female population of 49%.
- Since 2009, there has been a small but steady increase in the representation of women on San Francisco policy bodies.

## Race and Ethnicity

- People of color are underrepresented on policy bodies compared to the population. Although people of color comprise 62% of San Francisco’s population, just 50% of appointees identify as a race other than white.
- While the overall representation of people of color has increased between 2009 and 2019, as the Department collected data on more appointees, the representation of people of color has decreased over the last few years. The percentage of appointees of color decreased from 53% in 2017 to 49% in 2019.
- As found in previous reports, Latinx and Asian groups are underrepresented on San Francisco policy bodies compared to the population. Latinx individuals are 14% of the population but make up only 8% of appointees. Asian individuals are 31% of the population but make up only 18% of appointees.

## Race and Ethnicity by Gender

- On the whole, women of color are 32% of the San Francisco population, and 28% of appointees. Although still below parity, 28% is a slight increase compared to 2017, which showed 27% women of color appointees.
- Meanwhile, men of color are underrepresented at 21% of appointees compared to 31% of the San Francisco population.
- Both White women and men are overrepresented on San Francisco policy bodies. White women are 23% of appointees compared to 17% of the San Francisco population. White men are 26% of appointees compared to 20% of the population.
- Black and African American women and men are well-represented on San Francisco policy bodies. Black women are 9% of appointees compared to 2.4% of the population, and Black men are 5% of appointees compared to 2.5% of the population.
- Latinx women are 7% of the San Francisco population but 3% of appointees, and Latinx men are 7% of the population but 5% of appointees.
- Asian women are 17% of the San Francisco population but 11% of appointees, and Asian men are 15% of the population but just 7% of appointees.

### Additional Demographics

- Out of the 74% of appointees who responded to the survey question on LGBTQ identity, 19% identify as lesbian, gay, bisexual, transgender, nonbinary, queer, or questioning, and 81% of appointees identify as straight/heterosexual.
- Out of the 70% of appointees who responded to the question on disability, 11% identify as having one or more disabilities, which is just below the 12% of the adult population with a disability in San Francisco.
- Out of the 67% of appointees who responded to the question on veteran status, 7% have served in the military compared to 3% of the San Francisco population.

### Proxies for Influence: Budget & Authority

- Although women are half of all appointees, those Commissions and Boards with the largest budgets have fewer women and especially fewer women of color. Meanwhile, women exceed representation on Boards and Commissions with the smallest budgets and women of color reach parity with the population on the smallest budgeted Commissions and Boards.
- Although still underrepresented relative to the San Francisco population, there is a larger percentage of people of color on Commissions and Boards with both the largest and smallest budgets compared to overall appointees.
- The percentage of total women is greater on Advisory Bodies than Commissions and Boards. Women are 54% of appointees on Advisory Bodies and 48% of appointees on Commissions and Boards. However, the percentages of people of color and women of color on Commissions and Boards exceed the percentages of people of color and women of color on Advisory Bodies.

### Appointing Authorities

- Mayoral appointments include 55% women, 52% people of color, and 30% women of color, which is more diverse by gender and race compared to both Supervisorial appointments and total appointments.

## I. Introduction

---

Inspired by the 4th UN World Conference on Women in Beijing, San Francisco became the first city in the world to adopt a local ordinance reflecting the principles of the U.N. Convention on the Elimination of All Forms of Discrimination (CEDAW), an international bill of rights for women. The CEDAW Ordinance was passed unanimously by the San Francisco Board of Supervisors and signed into law by Mayor Willie L. Brown, Jr. on April 13, 1998.<sup>2</sup> In 2002, the CEDAW Ordinance was revised to address the intersection of race and gender and incorporate reference to the UN Convention on the Elimination of all Forms of Race Discrimination. The Ordinance requires City Government to take proactive steps to ensure gender equity and specifies “gender analysis” as a preventive tool to identify and address discrimination. Since 1998, the Department on the Status of Women has employed this tool to analyze the operations of 10 City Departments using a gender lens.

In 2007, the Department on the Status of Women conducted the first gender analysis to evaluate the number of women appointed to City Commissions and Boards. The findings of this analysis informed a City Charter Amendment developed by the Board of Supervisors for the June 2008 Election. This City Charter Amendment (Section 4.101) was overwhelmingly approved by voters and made it city policy that:

- The membership of Commissions and Boards are to reflect the diversity of San Francisco’s population,
- Appointing officials are to be urged to support the nomination, appointment, and confirmation of these candidates, and
- The Department on the Status of Women is required to conduct and publish a gender analysis of Commissions and Boards every 2 years.

The *2019 Gender Analysis* examines the representation of women; people of color; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) individuals; people with disabilities; and veterans on San Francisco policy bodies primarily appointed by the Mayor and the Board of Supervisors. This year’s analysis included more outreach to policy bodies as compared to previous analyses that were limited to Commissions and Boards. As a result, more appointees were included in the data collection and analysis than even before. These policy bodies fall under two categories designated by the San Francisco Office of the City Attorney. The first category, referred to as “Commissions and Boards,” are policy bodies with decision-making authority and whose members are required to submit financial disclosures to the Ethics Commission, and the second category, referred to as “Advisory Bodies,” are policy bodies with advisory function whose members do not submit financial disclosures to the Ethics Commission. A detailed description of methodology and limitations can be found at the end of this report on page 23.

## II. Gender Analysis Findings

Many aspects of San Francisco’s diversity are reflected in the overall population of appointees on San Francisco policy bodies. The analysis includes 84 policy bodies, of which 823 of the 887 seats are filled leaving 7% vacant. As outlined below in the summary chart, slightly more than half of appointees are women, half of appointees are people of color, 28% are women of color, 19% are LGBTQ, 11% have a disability, and 7% are veterans.

**Figure 1: Summary Data of Policy Body Demographics, 2019**

Appointee Demographics	Percentage of Appointees
Women (n=741)	51%
People of Color (n=706)	50%
Women of Color (n=706)	28%
LGBTQ Identified (n=548)	19%
People with Disabilities (n=516)	11%
Veteran Status (n=494)	7%

However, further analysis reveals underrepresentation of particular groups. Subsequent sections present comprehensive data analysis providing comparison to previous years, detailing the variables of gender, race/ethnicity, LGBTQ identity, disability, veteran status, and policy body characteristics of budget size, decision-making authority, and appointment authority.

### A. Gender

On San Francisco policy bodies, 51% of appointees identify as women, which is slightly above parity compared to the San Francisco female population of 49%. The representation of women remained stable at 49% from 2013 until 2017. This year, the representation of women increased by 2 percentage points, which could be partly due to the larger sample size used in this year’s analysis compared to previous years. A 10-year comparison shows that the representation of women appointees has gradually increased since 2009 by a total of six percentage points.

**Figure 2: 10-Year Comparison of Representation of Women on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

Figures 3 and 4 analyze Commissions and Boards. Figure 3 showcases the five Commissions and Boards with the highest representation of women appointees as compared to 2015 and 2013. The Children and Families (First Five) Commission and the Commission on the Status of Women are currently comprised of all women appointees. This finding has been consistent for the Commission on the Status of Women in 2015 and 2017. While the Ethics Commission has 100% women appointees, much more than 2015 and 2017, its small size of five appointees means that minimal changes in its demographic composition greatly impacts percentages. This is also the case for other policy bodies with a small number of members. The Library Commission and the Commission on the Environment are fourth and fifth on the list at 71% and 67% women, respectively, with long standing female majorities on each.

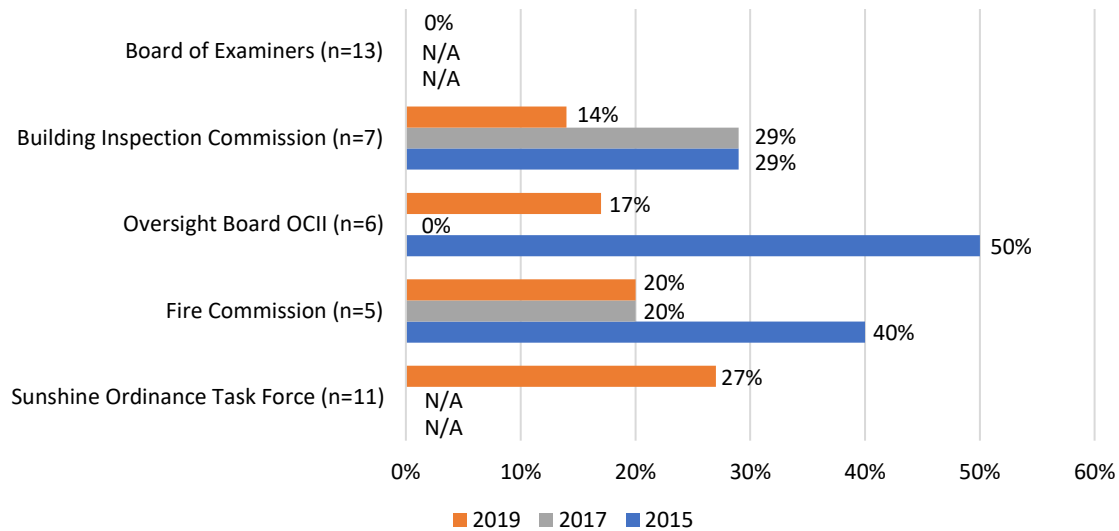

**Figure 3: Commissions and Boards with Highest Percentages of Women, 2019 Compared to 2017, 2015**

Source: SF DOSW Data Collection & Analysis.

Out of the Commissions and Boards in this section, 23 have 40% or less women. The five Commissions and Boards with the lowest representation of women are displayed in Figure 4. The lowest percentage is found on the Board of Examiners where currently *none* of the 13 appointees are women. Unfortunately, demographic data is unavailable for the Board of Examiners for 2017 and 2015. Next is the Building Inspection Commission at 14%, which is a decrease of female representation compared to 2017 and 2015. The Oversight Board of Community Investment and Infrastructure, Fire Commission, and Sunshine Ordinance Task Force also have some of the lowest percentages of women at 17%, 20%, and 27%, respectively. Unfortunately, the Sunshine Ordinance Task Force did not participate in previous analyses and therefore demographics data is unavailable for 2017 and 2015.

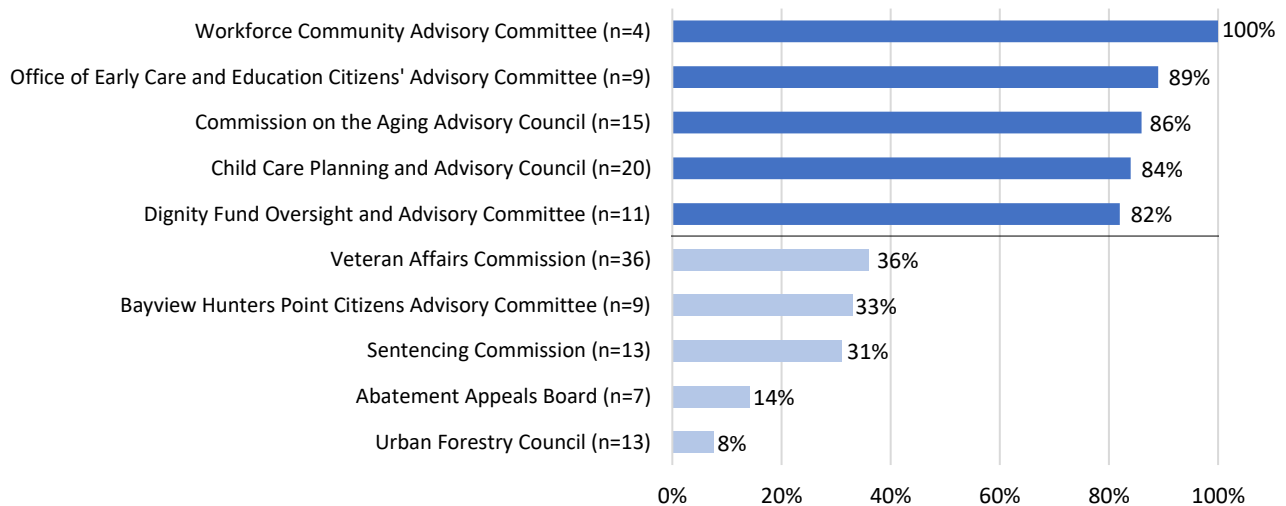

**Figure 4: Commissions and Boards with Lowest Percentage of Women, 2019 Compared to 2017, 2015**

In addition to Commissions and Boards, Advisory Bodies were examined for the highest and lowest percentages of women. This is the first year such bodies have been included, thus comparison to previous years is unavailable. Figure 9 below displays the five Advisory Bodies with the highest and the five with the lowest representations of women. The Workforce Community Advisory Committees has the greatest representation of women at 100%, followed by the Office of Early Care and Education Citizen’s Advisory Committee at 89%. The Advisory Bodies with the lowest percentage of women are the Urban Forestry Council at 8% of the 13-member body and the Abatement Appeals Board at 14% of the 7-member body.

## B. Race and Ethnicity

Data on racial and ethnic identity was collected for 706, or 95%, of the 741 surveyed appointees. Although half of appointees identify as a race or ethnicity other than white or Caucasian, people of color are still underrepresented compared to the San Francisco population of 62%. The representation of people of color has increased since 2009 but has decreased following 2015. The number of appointees analyzed increased substantially in 2017 and 2019 compared to 2015, and these larger data samples have coincided with smaller percentages of people of color. The percentage decrease following 2017 could be partially due to the inclusion of more policy and advisory bodies, as the representation of people of color on Commissions and Boards dropped only slightly from 53% in 2017 to 52% in 2019.

**Figure 6: 10-Year Comparison of Representation of People of Color on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

The racial and ethnic breakdown of policy body members compared to the San Francisco population is shown in Figure 7. This analysis reveals underrepresentation and overrepresentation in San Francisco policy bodies for certain racial and ethnic groups. Half of all appointees are white, an overrepresentation by more than 10 percentage points. The Black and African American community is well represented on appointed policy bodies at 14% compared to 5% of the population of San Francisco. Characterizing this as an overrepresentation is inaccurate given the representation of Black or African American people on policy bodies has been consistent over the years while the San Francisco population has declined over the same period.<sup>3</sup> Furthermore, the most recent nationwide estimate for the Black or African American population is 13%, which is nearly equal to the 14% of Black or African American appointees present on San Francisco policy bodies.<sup>4</sup>

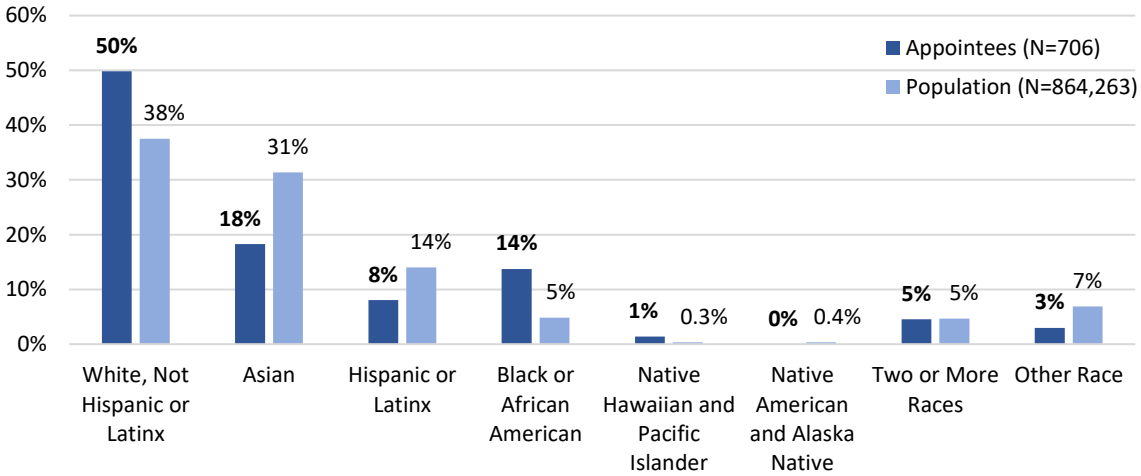

Considerably underrepresented racial and ethnic groups on San Francisco policy bodies compared to the San Francisco population are individuals who identify as Asian or Latinx. While Asians are 31% of the San Francisco population, they only make up 18% of appointees. While the Latinx population of San Francisco is 14%, only 8% of appointees are Latinx. Although there is a small population of Native

Americans and Alaska Natives in San Francisco of 0.4%, none of the surveyed appointees identified themselves as such.

The next two graphs illustrate Commissions and Boards, and Advisory Bodies with the highest and lowest percentages of people of color. As shown in Figure 8, the Commission on Community Investment and Infrastructure remained at 100% from 2017, while the Juvenile Probation Commission has returned to 100% this year after a dip in 2017. Next is the Health Commission, Immigrant Rights Commission, and Housing Authority Commission at 86%, 85%, and 83%, respectively. Percentages of people of color on both the Health Commission and the Housing Authority Commission increased following 2015, and have remained consistent since 2017.

**Figure 8: Commissions and Boards with Highest Percentage of People of Color, 2019 Compared to 2017, 2015**

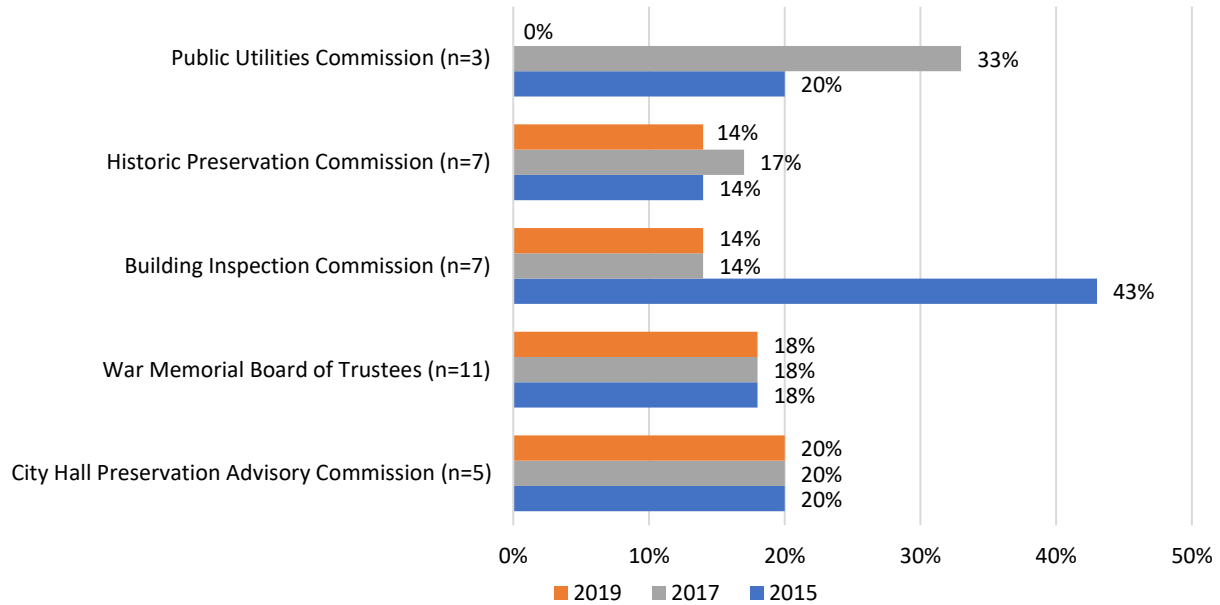

Source: SF DOSW Data Collection & Analysis.

There are 23 policy bodies that have 40% or less appointees who identified a racial and ethnic category other than white. Although the Public Utilities Commission has two vacancies, *none* of the current appointees identify as people of color. The Historic Preservation Commission and Building Inspection Commission are both at 14% representation for people of color. The Building Inspection Commission had a large drop from 43% in 2015, with the percentage of people of color decreasing to 14% in 2017 and remaining at this percent for 2019. Lastly, the War Memorial Board of Trustees and City Hall Preservation Advisory Commission have 18% and 20%, respectively.

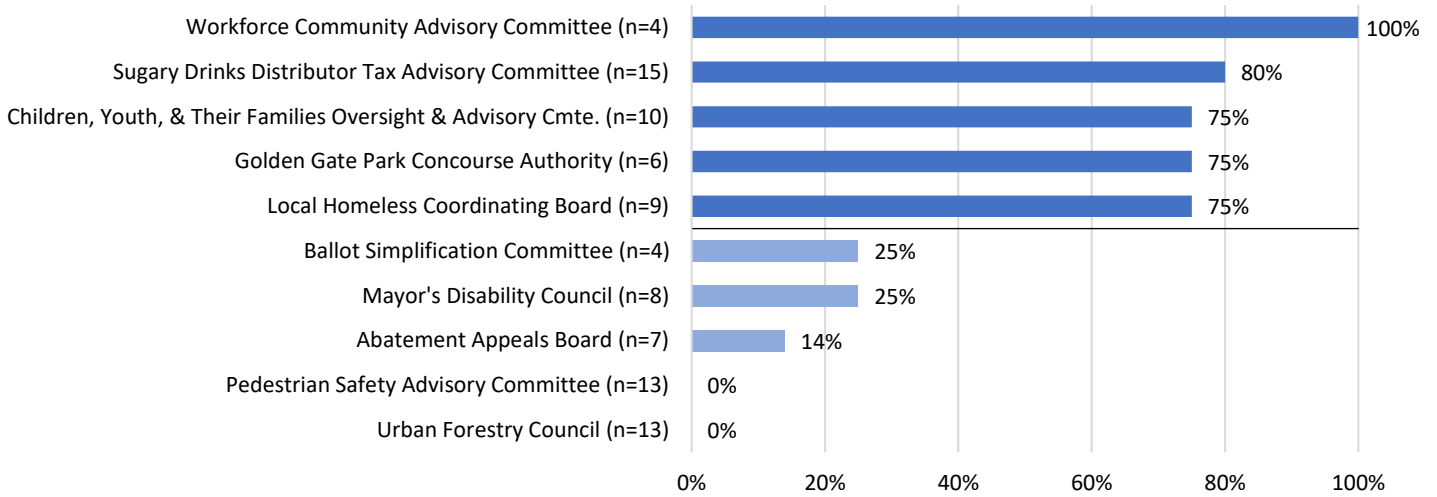

**Figure 9: Commissions and Boards with Lowest Percentage of People of Color, 2019 Compared to 2017, 2015**

Source: SF DOSW Data Collection & Analysis.

In addition to Commissions and Boards, Advisory Bodies were examined for the highest and lowest percentages of people of color. This is the first year such bodies have been included, thus comparison to previous years is unavailable. All members of the Workforce Community Advisory Committee are people of color. People of color comprise 80% of the Sugary Drinks Distributor Tax Advisory Committee, and 75% of appointees on the Children, Youth and Their Families Oversight and Advisory Committee, the Golden Gate Park Concourse Authority, and the Local Homeless Coordinating Board. Out of the five Advisory Bodies with the lowest representation of people of color, the Ballot Simplification Committee and the Mayor’s Disability Council have 25% appointees of color, and the Abatement Appeals Board has 14% appointees of color. The Urban Forestry and the Pedestrian Safety Advisory Committee have no people of color currently serving.

**Figure 10: Advisory Bodies with the Highest and Lowest Percentage of People of Color, 2019**

### C. Race and Ethnicity by Gender

White men and women are overrepresented on San Francisco policy bodies, while Asian and Latinx men and women are underrepresented. While women of color continue to be underrepresented at 28% compared to the San Francisco population of 32%, this is a slight increase from 2017 which showed 27% women of color. Meanwhile, men of color are 21% of appointees compared to 31% of the San Francisco population.

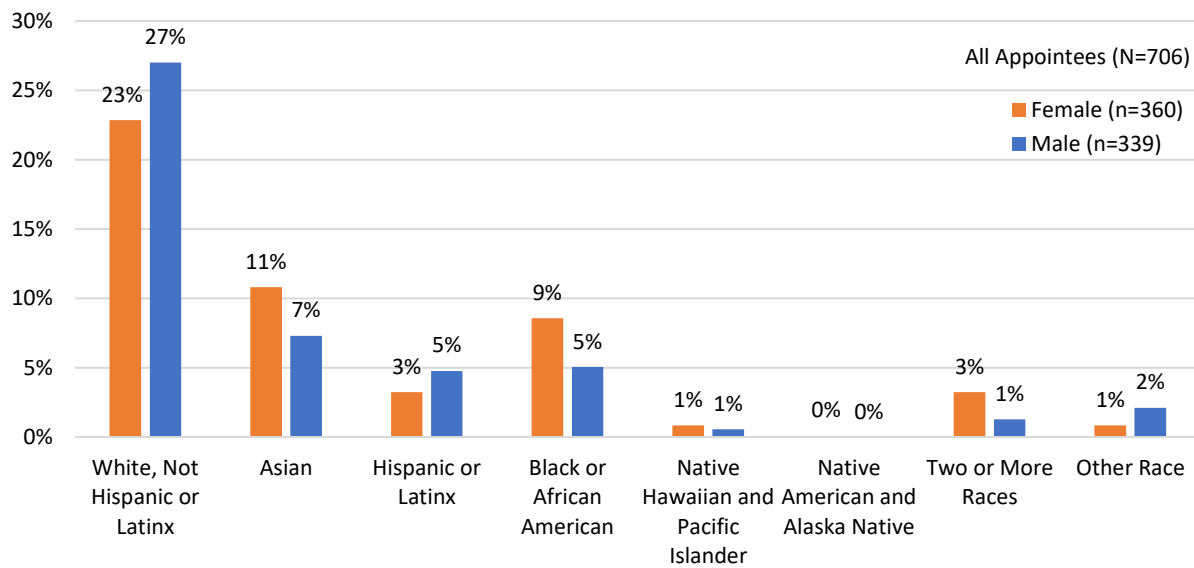

**Figure 11: 10-Year Comparison of Representation of Women of Color on Policy Bodies**

Source: SF DOSW Data Collection & Analysis.

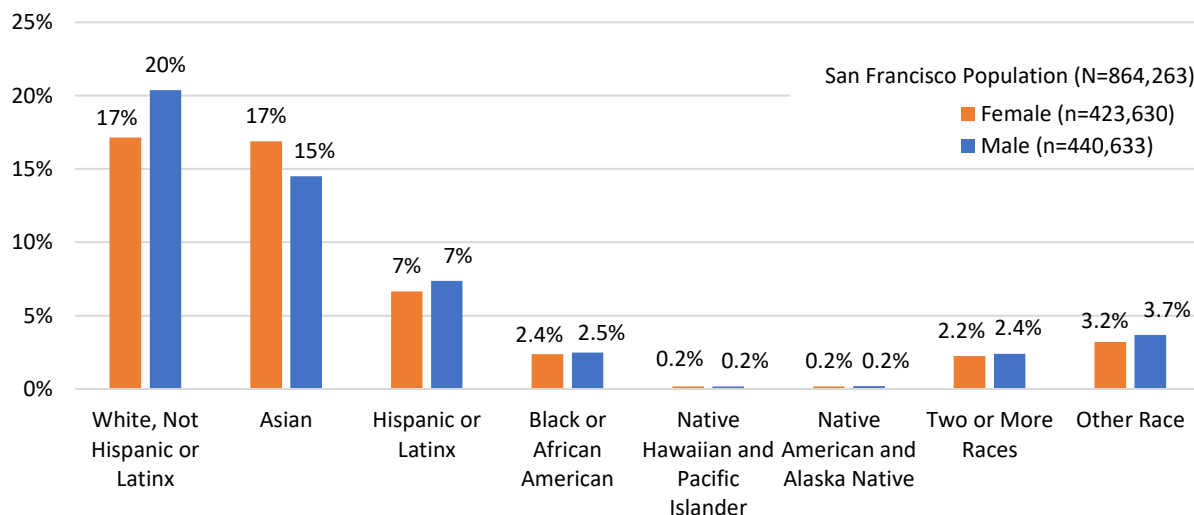

The following figures present the breakdown for appointees and the San Francisco population by race and ethnicity and gender. White men and women are overrepresented, holding 27% and 23% of appointments, respectively, compared to 20% and 17% of the population, respectively. Asian men and women are both greatly underrepresented with Asian women making up 11% of appointees compared to 17% of the population while Asian men comprise 7% of appointees and 15% of the population. Latinx men and women are also underrepresented, particularly Latinx women, who are 3% of appointees and 7% of the population, while Latinx men are 5% of appointees and 7% of the population. Black or African American men and women are well-represented with Black women comprising 9% of appointees and Black men comprising 5% of appointees. Pacific Islander men and women, and multiethnic women also exceed parity with the population. Although Native American men and women make up only 0.4% of San Francisco’s population, none of the surveyed appointees identified themselves as such.

## D. LGBTQ Identity

Lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) identity data was collected from 548, or 75%, of the 741 surveyed appointees, which is much more data on LGBTQ identity compared to previous reports. Due to limited and outdated information on the population of the LGBTQ community in San Francisco, it is difficult to adequately assess the representation of the LGBTQ community. However, compared to available San Francisco, larger Bay Area, and national data, the LGBTQ community is well represented on San Francisco policy bodies. Recent research estimates the national LGBT population is 4.5%.<sup>5</sup> The LGBT population of the San Francisco and greater Bay Area is estimated to rank the highest of U.S. cities at 6.2%,<sup>6</sup> while a 2006 survey found that 15.4% of adults in San Francisco identify as LGBT.<sup>7</sup>

Of the appointees who responded to this question, 19% identify as LGBTQ and 81% identify as straight or heterosexual. Of the LGBTQ appointees, 48% identify as gay, 23% as lesbian, 17% as bisexual, 7% as queer, 5% as transgender, and 1% as questioning. Data on LGBTQ identity by race was not captured. Efforts to capture data on LGBTQ identity by race for future reports would enable more intersectional analysis.

## E. Disability Status

Overall, 12% of adults in San Francisco have one or more disabilities, and when broken down by gender, 6.2% are women and 5.7% are men. Disability data for transgender and gender non-conforming individuals in San Francisco is currently unavailable. Data on disability was obtained from 516, or 70%, of the 741 appointees who participated in the survey. Of the 516 appointees, 11.2% reported to have one

or more disabilities, which is near parity with the San Francisco population. Of the 11.2% appointees with one or more disabilities, 6.8% are women, 3.9% are men, 0.4% are trans women, and 0.2% are trans men.

## F. Veteran Status

Overall, 3.2% of the adult population in San Francisco has served in the military. There is a considerable difference by gender, as male veterans are 3% and female veterans are 0.2% of the population. Data on veteran status was obtained from 494, or 67%, of appointees who participated in the survey. Of the 494 appointees who responded to this question, 7.1% have served in the military. Like the San Francisco population, there is a large difference by gender, as men comprise 5.7% and women make up only 1.2% of the total number of veteran appointees. Of participating appointees, 0.2% of veterans are trans women. Veteran status data on transgender and gender non-conforming individuals in San Francisco is currently unavailable.

## G. Policy Bodies by Budget

This report also examines whether policy bodies with the largest and smallest budget sizes and other characteristics are demographically representative of the San Francisco population. In this section, budget size is used as a proxy for influence. Although this report has expanded the scope of analysis to include more policy bodies compared to previous reports, this section of analysis was limited to Commissions and Boards with decision-making authority and whose members file financial disclosures with the Ethics Commission. The purpose of this analysis is to evaluate the demographics for the spectrum of budgetary influence of policy bodies with decision-making authority in San Francisco.

Overall, appointees from the 10 largest budgeted Commissions and Boards are 55% people of color, 41% women, and 23% women of color. Appointees from the 10 smallest budgeted Commissions and Boards are 54% people of color, 52% women, and 32% women of color. Although still below parity with the San Francisco population, the representation of people of color on both the largest and smallest budgeted policy bodies is greater than the percentage of people of color for all appointees combined (50%). For women and women of color, their representation meets or exceeds parity with the population on the 10 smallest budgeted bodies. However, it falls far below parity for the 10 largest budgeted bodies. The representation of total women and women of color is greater on smaller budgeted policy bodies by 27%, and 39%, respectively.

#### H. Comparison of Advisory Body and Commission and Board Demographics

The comparison of the two policy body categories in this section provides another proxy for influence, as Commissions and Boards whose members file disclosures of economic interest have greater decision-making authority in San Francisco than Advisory Bodies whose members do not file economic interest disclosures. The percentages of total women, LGBTQ people, people with disabilities, and veterans are larger for total appointees on Advisory Bodies. However, the percentages of women of color and people of color on Commissions and Boards slightly exceeds the percentages of women of color and people of color on Advisory Bodies.

**Figure 23: Demographics of Appointees on Commission and Boards and Advisory Bodies, 2019**

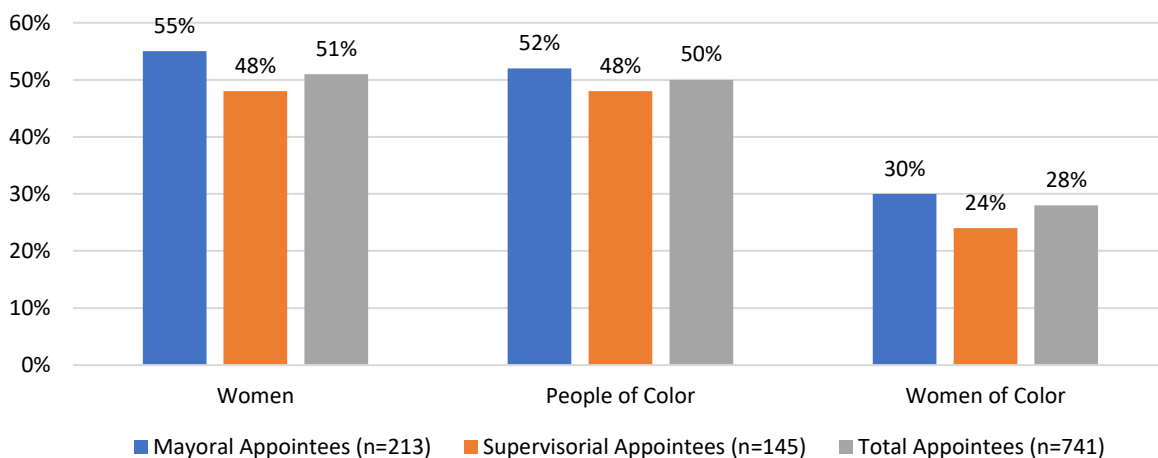

Source: SF DOSW Data Collection & Analysis.

### I. Demographics of Mayoral, Supervisorial, and Total Appointees

Figure 24 compares the representation of women, women of color, and people of color for appointments made by the Mayor, Board of Supervisors, and by the total of all approving authorities combined. Mayoral appointments are more diverse, and consist of more women, women of color, and people of color compared to Supervisorial appointments. Mayoral appointments include 55% women, 30% women of color, and 52% people of color, while Supervisorial appointments are 48% women, 24% women of color, and 48% people of color. The total of all approving authorities combined average out at 51% women, 28% women of color, and 50% people of color. This disparity in diversity between Mayoral and Supervisorial appointments may be due in part to the appointment section process for each authority. The 11-member Board of Supervisors only sees applicants for specific bodies through the 3-member Rules Committee or by designees, stipulated in legislation (e.g. “renter,” “landlord,” “consumer advocate”), whereas the Mayor typically has the ability to take total appointments into account during selections, and can therefore better address gaps in diversity.

### III. Conclusion

---

Since the first gender analysis of Commissions and Boards in 2007, the representation of women appointees on San Francisco policy bodies has gradually increased. The *2019 Gender Analysis* finds the percentage of women appointees is 51%, which slightly exceeds the population of women in San Francisco.

When appointee demographics are analyzed by gender and race, women of color continue to be underrepresented on San Francisco policy bodies compared to the San Francisco population. Most notably underrepresented are Asian women who make up 17% of the population but only 11% of appointees, and Latinx women who make up 7% of the population but only 3% of appointees. Additionally, men of color are underrepresented relative to their San Francisco population, primarily Asian and Latinx men.

Furthermore, when analyzing the demographic composition of larger and smaller budgeted Commissions and Boards, women are underrepresented on those with the largest budgets, and overrepresented or reach parity with the population on smaller budgeted Commissions and Boards. These two trends are amplified for women of color appointees. Women comprise 41% of total appointees on the largest budgeted policy bodies, which is 8 percentage points below the population, and women of color comprise 23% of total appointees on the largest budgeted policy bodies, 9 percentage points below their San Francisco population. Comparatively, women are 52% of total appointees on the smallest budgeted policy bodies, and women of color are 32% of appointees, which is equal to the San Francisco population. However, the issue of largest and smallest budgeted policy bodies does not seem to impact the representation of people of color. People of color make up 55% of appointees on the largest budgeted policy bodies and 54% of appointees on the smallest budgeted policy bodies compared to 50% of total appointees. Nonetheless, these percentages still fall below the San Francisco population of people of color at 62%.

In addition to using budget size as a proxy for influence, this report analyzed demographic characteristics of appointees on Commissions and Boards who file disclosures of economic interest and have decision-making authority, and appointees on Advisory Bodies who do not file economic interest disclosures. Over half (54%) of appointees on Advisory Bodies are women, while 48% of appointees on Commissions and Boards are women. Although 48% is only slightly below the San Francisco population of women, women comprise a decently higher percentage of appointees on Advisory Bodies compared to Commissions and Boards.

This year's report features more data on LGBTQ identity, veteran status, and disability than previous gender analyses. The *2019 Gender Analysis* found a relatively high representation of LGBTQ individuals on San Francisco policy bodies. For the appointees that provided LGBTQ identity information, 19% identify as LGBTQ with the largest subset being gay men at 48%. It is recommended for future gender analyses to collect LGBTQ data by race and gender to provide additional intersectional analysis. The representation of appointees with disabilities is 11%, just below the 12% population. Veterans are highly represented on San Francisco policy bodies at 7% compared to the veteran population of 3%.

Additionally, this report evaluates and compares the representation of women, women of color, and people of color appointees by the Mayor, Board of Supervisors, and by the total of all approving authorities combined. Mayoral appointees include 55% women, 30% women of color, and 52% people

of color, which overall is more diverse by gender and race compared to both Supervisorial appointees and total appointees.

This report is intended to advise the Mayor, Board of Supervisors, and other appointing authorities, as they select appointments for policy bodies of the City and County of San Francisco. In spirit of the 2008 City Charter Amendment that establishes this biennial Gender Analysis report requirement and the importance of diversity on San Francisco policy bodies, efforts to address gaps in diversity and inclusion should remain at the forefront when making appointments in order to accurately reflect the population of San Francisco.

## IV. Methodology and Limitations

---

This report focuses on City and County of San Francisco Commissions, Boards, Task Forces, Councils, and Committees that have the majority of members appointed by the Mayor and Board of Supervisors and that have jurisdiction limited to the City. The gender analysis reflects data from the policy bodies that provided information to the Department on the Status of Women through digital and paper survey.

Data was requested from 90 policy bodies and acquired from 84 different policy bodies and a total of 741 appointees. A Commissioner or Board member's gender identity, race/ethnicity, sexual orientation, disability status, and veteran status were among data elements collected on a voluntary basis. Data on lesbian, gay, bisexual, transgender, queer, or questioning (LGBTQ) identity, disability, and veteran status of appointees were incomplete or unavailable for some appointees but are included to the extent possible. As the fundamental objective of this report is to surface patterns of underrepresentation, every attempt has been made to reflect accurate and complete information in this report. Data for some policy bodies was incomplete, and all appointees who responded were included in the total demographic categories. Only policy bodies with full data on gender and race for all appointees were included in sections comparing demographics of individual bodies. It should be noted that for policy bodies with a small number of members, the change of a single individual greatly impacts the percentages of demographic categories. As such, these percentages should be interpreted with this in mind.

The surveyed policy bodies fall under two categories designated by the San Francisco Office of the City Attorney document entitled *List of City Boards, Commissions, and Advisory Bodies Created by Charter, Ordinance, or Statute*.<sup>8</sup> This document separates San Francisco policy bodies into two different categories. The first category includes Commissions and Boards with decision-making authority and whose members are required to submit financial disclosures with the Ethics Commission, and the second category encompasses Advisory Bodies whose members do not submit financial disclosures with the Ethics Commission. Depending on the analysis criteria in each section of this report, the surveyed policy bodies and appointees are either examined comprehensively as a whole or examined separately in the two categories designated by the Office of the City Attorney.

Data from the U.S. Census 2013-2017 American Community Survey 5-Year Estimates provides a comparison to the San Francisco population. Figures 26 and 27 in the Appendix display these population estimates by race/ethnicity and gender.

Dear Supervisors Ronen,

I'm writing to support the appointment of Jennifer Wong to the Sunshine Ordinance Task Force. She's a proven advocate for government transparency and the public's right to know. Her experience qualifies her for a seat on the task force.

Jenn has been co-lead of the LWVSF Observer Corps for over a year, helping to increase transparency of policing practices in San Francisco, and educating the public about attending and observing government meetings. Additionally, she volunteered for many years with San Franciscans for Sunshine to help strengthen and modernize the Sunshine

Ordinance itself. Currently, she also serves on the LWVSF Board of Directors as a Director at Large.

For all these reasons, I strongly encourage you to appoint Jennifer Wong to the Sunshine Ordinance Task Force. Thank you for your consideration.

Sincerely,  
Keith W. Wong

Re: Nominations of Dean Schmidt, Lila LaHood and Jennifer Wong to Sunshine Ordinance Task Force: Strongly support

Dear Supervisors,

As someone who has worked shoulder-to-shoulder with all of the above-named nominees, I strongly support their appointments to the Sunshine Ordinance Task Force.

I know Mr. Schmidt and Ms. Wong through my own sunshine activism, and I have the pleasure of working for Ms. LaHood's award-winning news publication, the San Francisco Public Press, as a copy editor and proof reader.

All of these applicants are as diligent in learning about the issues as they are passionate about government transparency -- qualities that make them extremely well-suited to serve on the Task Force.

Re: Nominations of Dean Schmidt and Jennifer Wong to the Sunshine Ordinance Task Force

Dear Supervisors,

I strongly support the appointments of both Dean Schmidt and Jennifer Wong to the Sunshine Ordinance Task Force.

Over the past years, I have worked with both Mr. Schmidt and Ms. Wong on the steering committee of San Franciscans for Sunshine. I have always been impressed with the level of commitment to the issue of government transparency each has shown. The knowledge and skills—and fine personal qualities—that they would bring to the Task Force are greatly needed at this challenging time for us all.

Dear Members of the Rules Committee,

I am writing to show my support for Jennifer Wong's appointment to Seat Five on the Sunshine Ordinance Task Force. I have served in Seat Five for the last four years on behalf of the The League of Women Voters of San Francisco.

Jennifer Wong has expressed a dedication to learning about open meeting laws and access to public records. In addition to observing Sunshine Ordinance Task Force meetings, Ms. Wong has regularly observed Police Commission meetings through her involvement in the League of Women Voters of San Francisco Observer Corps. Through this experience she has gained insight into the challenges facing the public as they try and attend public meetings and the essential role of public participation in government.

In addition, Ms. Wong has worked with the grassroots organization, San Franciscans for Sunshine, to review the ordinance and understand its intricacies and how the ordinance may need to be modernized.

It is Ms. Wong's experience with public meetings, as a member of the League of Women Voters of San Francisco Observer Corps and her detailed review of the Sunshine Ordinance that make her an excellent candidate to serve as my replacement in Seat 5.

Kindly,  
Leuwam Tesfai

RE: Appointment of Jennifer Wong  
Sunshine Ordinance Task Force

Dear Supervisors Mar, Ronen, and Stefani,

I'm writing to support the appointment of Jennifer Wong to the Sunshine Ordinance Task Force. I have gotten to know Jenn through her work with the League of Women Voters and around government transparency and accountability issues. She is also a frequently engaged on issues before the Police Commission. Jenn is a smart and thoughtful advocate and community member and is well-qualified for a seat on the Task Force.

Jenn has been co-lead of the LWVSF Observer Corps for over a year, helping to increase transparency of policing practices in San Francisco, and educating the public about attending and observing government meetings. Additionally, she volunteered for many years with San Franciscans for Sunshine to help strengthen and modernize the Sunshine Ordinance itself. Currently, she also serves on the LWVSF Board of Directors as a Director at Large.

For all these reasons, I strongly encourage you to appoint Jennifer Wong to the Sunshine Ordinance Task Force. Thank you for your consideration.

Sincerely,

---
