LEGISLATIVE DIGEST

[Administrative Code - Medical Examiner Fees]

Ordinance amending Administrative Code Section 8.14 to adjust fees of the Office of the Chief Medical Examiner to include post-mortem investigation services, remove references to obsolete services, and update fee amounts; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

Administrative Code Sec. 8.14 sets the fees for various documents and services provided by the Office of the Chief Medical Examiner, subject to annual adjustments as determined by the Controller.

Amendments to Current Law

The proposed ordinance would delete fees for services no longer offered by the Office of the Chief Medical Examiner, establish fees for certain post-mortem investigation services and update fees to reflect current costs.

Background Information

Section 8.14 was last updated in 2017.

The legislation was introduced with fees from the Controller's Fee Schedule, and then amended by the Budget and Appropriations Committee to adjust those fees consistent with the current consumer price index.
