Please note I just noted today's agenda and although late to comment I am unable to call in due to wife and kid working from home (internet bandwidth) with multiple callers etc or call in So I would like to voice support on agenda items 1 and 2 and three today On the agenda, as well as the Baking Co. item on Mission street preservation item. We don't have a lot of good preservation items in the excelsior and need to assure that some buildings and cultural landmarks are preserved.

We also need to stabilize housing needs and create a fund to purchase larger scale sites. Example would be the Safeway site or Valentina funeral home site as permanently affordable public housing stock in D11 and other parts of the city. (See prior comments on purchasing back parkmerced!) its very realistic considering the overall housing needs and costs to build new housing stock...

Thank you for including in the support on comments.
