17  
18 WHEREAS, The Electorate of the City and County of San Francisco passed  
19 Proposition J in November 1976, allowing City and County Departments to contract with  
20 private companies for specific services that can be performed for a lower cost than similar  
21 work by City and County employees (Charter, Section 10.104.15); and

22 WHEREAS, The City has previously approved outside contracts for the services listed  
23 below; and

1           WHEREAS, The Controller has determined that a Purchaser's award of a contract for  
2 the services listed below to a private contractor will continue to achieve substantial cost  
3 savings for the City; and

4           WHEREAS, The City and County of San Francisco must reconcile a projected \$750  
5 million general fund budget deficit for FY2020-2021 with a Charter obligation to enact a  
6 balanced budget each fiscal year; and

7           WHEREAS, The Controller's certification, which confirms that said services can be  
8 performed at lower costs to the City and County by private contractor than by employees of  
9 the City and County, is on file with the Clerk of the Board of Supervisors in File No. 200848,  
10 which is hereby declared to be part of this resolution as if set forth fully herein; now, therefore  
11 be it

12           RESOLVED, That the Board of Supervisors hereby concurs with the Controller's  
13 certification, and approves the Proposition J Resolution concerning the Purchaser's award of  
14 a contract to a private contractor for the services listed below for the period of July 1, 2020,  
15 through June 30, 2021, and for the period of July 1, 2021, through June 30, 2022 for the
