Dear Supervisors and Mayor:

My name is Simone Manganelli and I live in District 8, and I am writing to you all in support of Matt Haney's legislation that would set a 30% standard for all supportive housing, introduced on October 20, 2020 (File: 201185), and for the mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly homeless tenants in city contracted housing are starving and rent burdened, not by a private landlord, but by the city and county of San Francisco. Supervisor Haney's legislation would correct this injustice, which applies to supportive housing buildings which came online before 2016, when all new buildings would follow the 30% standard.

A significant number of these tenants (the vast majority of whom are disabled) are Black, seniors, and LGBTQ+. Those who care about racial justice need to find a way to correct these housing inequities, and COVID-19 only laid bare how economic inequality can hurt the most vulnerable and posed extra expenses for many supportive housing tenants.

While I am not an unhoused person myself, I have many unhoused neighbors who lived in the area around my house. A few weeks ago, I was dismayed to find out the City conducted a whole sweep of our area, pushing unhoused people out of the area. Instead of using these city resources to do absolutely nothing for unhoused people, how about we use some of that money to support the #30RightNow legislation, so that we can prevent even more people from being pushed out on to the streets, with the coming eviction crisis caused by the pandemic.

The #30RightNow Coalition (policy statement viewable here: <https://medium.com/@30rightnow/we-are-the-30rightnow-coalition-fef2fde8c442>) is a tenant let coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, The Housing Rights Committee, the Coalition on Homelessness, and many more, and we are demanding that the City go all out to get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. This is 20 years long overdue, it follows a long-standing federal standard, and would help so many weather this crisis and enhance their lives and prevent evictions.

Sincerely,

Simone Manganelli, District 8 Resident

To Mayor London Breed and the Board of Supervisors:

My name is Jaime Viloría and I live in District 6, specifically in the Tenderloin. I am writing to you all in support of my D6 Supervisor Matt Haney's legislation that would set a 30% standard for all supportive housing in San Francisco, introduced on October 20, 2020, and for the Mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly homeless tenants in city contracted housing are starving and rent burdened, not by a private landlord, but by the city and county of San Francisco. Supervisor Haney's legislation would correct this injustice, which applies to supportive housing buildings which came online before 2016, when all new buildings would follow the 30% standard. A significant number of these tenants (the vast majority of whom are disabled) are Black, seniors, and LGBTQ+. Those who care about racial justice need to find a way to correct these housing inequities, and COVID-19 only laid bare how economic inequality can hurt the most vulnerable and posed extra expenses for many supportive housing tenants.

In addition, according to the 2019–20 evictions report from the Department of Homelessness and Supportive Housing, numerous housing sites with rent burdens have had households with multiple eviction notices for non-payment of rent. The #30RightNow Coalition ([policy statement viewable here](#)) is a tenant let coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, The Housing Rights Committee, the Coalition on Homelessness, and many more. We are demanding that the City go all out to get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. This is 20 years long overdue, it follows a long-standing federal standard, and would help so many weather this crisis and enhance their lives and prevent evictions.

I appreciate your support and for finding ways to take care of the people, especially for the most in need in San Francisco

Sincerely,
Jaime Viloría
Tenderloin, SF

Those who care about racial justice need to find a way to correct these housing inequities, and COVID-19 only laid bare how economic inequality can hurt the most vulnerable and pose extra expenses for many supportive housing tenants.

A 30% of income standard is the least we can provide. In fact, the standard for affordability used to be 25% before a paradigm shift in the 1970s which has furthered real-estate profiteering. Thirty is enough, and 25 is better.

The #30RightNow Coalition ([policy statement viewable here](#)) is a tenant-led coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, the Housing Rights Committee, the Coalition on Homelessness, and many more, and we are demanding that the City get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. This is 20 years long overdue, it follows a long-standing federal standard, and would help so many weather this crisis and enhance their lives and prevent evictions.

Sincerely,
Laksh Bhasin

**A RESOLUTION OF THE SAN FRANCISCO SINGLE ROOM OCCUPANCY TASK FORCE
URGING THE BOARD OF SUPERVISORS TO ALLOCATE MONEY FOR RENT SUBSIDIES
FOR TENANTS LIVING IN HOTELS UNDER THE JURISDICTION OF THE DEPARTMENT
OF HOMELESSNESS AND SUPPORTIVE HOUSING:**

Author(s): Jordan Davis

WHEREAS, The City And County Of San Francisco currently utilizes a significant portion of our SRO stock as housing for the formerly homeless, under the jurisdiction of the Department of Homelessness and Supportive Housing, often known as "non-profit hotels".

WHEREAS, The United States Department Of Housing And Urban Development defines cost-burdened as paying more than 30% of one's income towards rent, and thus, public and subsidized housing generally sets rents at no more than 30% of one's income.

WHEREAS, many tenants in non-profit hotels receive government benefits, such as SSI and CAAP, the maximum SSI rate being \$1,018 per month in 2019.

WHEREAS, many tenants in non-profit hotels pay 50% or more of their income towards rents, even as they receive government benefits, for units that often don't have kitchens or bathrooms.

WHEREAS, many master-leased hotels charge flat rate rent and this creates worries among tenants that they will receive steep rent increases.

WHEREAS, the consequences of this rent burden are deeply felt, as SRO tenants in non-profit hotels have trouble paying for food (especially those with special dietary needs), clothing, phone bills, etc., and it takes a toll on their physical and mental health.

BE IT RESOLVED, That the Single Room Occupancy Task Force asks the Board of Supervisors to, in collaboration with the Department of Homelessness and Supportive Housing, examine and re-evaluate the tenant portion of rent whilst realistically assessing the cost, in order to provide funding in this year's and subsequent years' budget after that to modify the tenant portion of rent so that the tenant is paying only 30% of income towards rent.

BE IT FURTHER RESOLVED, That in furthering rent relief for tenants in non-profit hotels, no extra cost burden should be placed on hotel owners/operators, or non-profit housing providers, nor should, in allocating these funds, compete with any budget ask that advances social and economic justice.

BE IT FURTHER RESOLVED, That upon passage of this resolution, a copy shall be e-mailed to board.of.supervisors@sfgov.org within 24 hours.

I am a gay, disabled senior living in a SRO (Midori Hotel) who pays two-thirds of my Social Security check on rent each month. I have lived and worked, until I became disabled, in San Francisco for 37 years. If this bill is passed, I would only pay 30% of my income on rent which would be a true blessing. Please support Matt Haney's bill, for in doing so, you would be improving the lives of thousands of San Franciscans like myself. Thank you, Mark Tiedtke, Midori Hotel, 240 Hyde St. Apt.300, San Francisco, CA 94102.

Dear Supervisors and Mayor,

I am a district 8 resident, working in district 6. I am writing to express my fervent support of Matt Haney's legislation that would set a 30% standard for all supportive housing in San Francisco, introduced on October 20, 2020 (File: 201185), and to urge the mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly unhoused tenants in city contracted housing are starving and rent burdened, not by a private landlords, but by the city and county of San Francisco. Supervisor Haney's legislation would correct this untenable situation, affecting supportive housing buildings that came online before 2016, when all new buildings were required to adhere to the 30% standard.

A significant number of these tenants (the vast majority of whom are disabled) are Black, Brown, seniors, and LGBTQ+ Those who profess to care about racial justice must find a way to correct these housing inequities, rendered more stark by COVID 19, which has exposed how economic inequality can hurt the most vulnerable, especially those supportive housing tenants.

In addition, according to the 2019–20 evictions report from the Department of Homelessness and Supportive Housing, numerous housing sites with rent burdens have had households with multiple eviction notices for non-payment of rent.

The #30RightNow Coalition (policy statement viewable here: <https://medium.com/@30rightnow/we-are-the-30rightnow-coalition-fef2fde8c442>) is a tenanted coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, The Housing Rights Committee, the Coalition on Homelessness, and many more. We are demanding that the City go all out to get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. This is 20 years long overdue, it follows a long-standing federal standard, and would help so many weather this crisis and enhance their lives and prevent evictions.

Sincerely,

Anne Bluethenthal, District 8 and 6

Artistic Director, ABD Productions / Skywatchers

Dear Supervisors and Mayor:

My name is Simone Manganelli and I live in District 8, and I am writing to you all in support of Matt Haney's legislation that would set a 30% standard for all supportive housing, introduced on October 20, 2020 (File: 201185), and for the mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly homeless tenants in city contracted housing are starving and rent burdened, not by a private landlord, but by the city and county of San Francisco. Supervisor Haney's legislation would correct this injustice, which applies to supportive housing buildings which came online before 2016, when all new buildings would follow the 30% standard.

A significant number of these tenants (the vast majority of whom are disabled) are Black, seniors, and LGBTQ+. Those who care about racial justice need to find a way to correct these housing inequities, and COVID-19 only laid bare how economic inequality can hurt the most vulnerable and posed extra expenses for many supportive housing tenants.

While I am not an unhoused person myself, I have many unhoused neighbors who lived in the area around my house. A few weeks ago, I was dismayed to find out the City conducted a whole sweep of our area, pushing unhoused people out of the area. Instead of using these city resources to do absolutely nothing for unhoused people, how about we use some of that money to support the #30RightNow legislation, so that we can prevent even more people from being pushed out on to the streets, with the coming eviction crisis caused by the pandemic.

The #30RightNow Coalition (policy statement viewable here: <https://medium.com/@30rightnow/we-are-the-30rightnow-coalition-fef2fde8c442>) is a tenant let coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, The Housing Rights Committee, the Coalition on Homelessness, and many more, and we are demanding that the City go all out to get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. This is 20 years long overdue, it follows a long-standing federal standard, and would help so many weather this crisis and enhance their lives and prevent evictions.

Sincerely,

Simone Manganelli, District 8 Resident

Dear Supervisors and Mayor,

My name is Chance and I live in District 10. I am writing to you in support of Supervisor Haney's legislation that would set a 30% standard for all supportive housing in San Francisco, introduced on October 20, 2020 (File: 201185), and for the mayor to properly fund this by the 2021-2022 budget cycle.

Recognizing that the City is in an extraordinary financial situation, as tax revenues will decline sharply now and for years to come, I would hope that we not ask those who have the least to bear a greater burden than they can bear, as we so often have. During this crisis, and after, we need the City to perform the role of government and provide for its citizens where needed - the City charging unsustainable rents, sometimes up to 50% of income, strikes me as the opposite of that. Capping rents in City-funded supportive housing units at 30% of income is in line with nationwide standards and will help ensure supportive housing fulfills its purpose - keeping our most vulnerable citizens off the streets and safely housed.

Further, many of the tenants affected by this legislation are Black, seniors, and LGBTQ+ - members of marginalized groups often victimized by discrimination. Given San Francisco's history of housing demonstration, echoes of which reach today, this fairly simple and overdue gesture would at the very least represent a small step toward remedying those injustices.

The City must make many painful sacrifices in the face of its budget crisis - I would hope that forcing hundreds of low-income tenants to continue to choose between food and rent is not one of them. Please support Supervisor Haney's legislation and ensure it is reliably funded now and for the foreseeable future. Thank you.

The #30RightNow Coalition (policy statement viewable here: <https://medium.com/@30rightnow/we-are-the-30rightnow-coalition-fef2fde8c442>) is a tenant-led coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, The Housing Rights Committee, the Coalition on Homelessness, and many more, and we are demanding that the City go all out to get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. Dear Supervisors and Mayor,

My name is Curtis Bradford, co-Chair of the Tenderloin People's Congress, and I am writing to you all in support of Matt Haney's legislation that would set a 30% standard for all supportive housing in San Francisco, introduced on October 20, 2020 (File: 201185), and for the mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly homeless tenants in city contracted housing are starving and rent burdened, not by a private landlord, but by the city and county of San Francisco. Supervisor Haney's legislation would correct this injustice, which applies to supportive housing buildings which came online before 2016, when all new buildings would follow the 30% standard.

A significant number of these tenants (the vast majority of whom are disabled) are Black, seniors, and LGBTQ+ Those who care about racial justice need to find a way to correct these housing inequities, and COVID-19 only laid bare how economic inequality

can hurt the most vulnerable and posed extra expenses for many supportive housing tenants. In addition, according to the 2019–20 evictions report from the Department of Homelessness and Supportive Housing, numerous housing sites with rent burdens have had households with multiple eviction notices for non-payment of rent.

I myself lived rent burdened in a Dish property at 50% of my income for rent. It was so hard to afford anything beyond the most basic of needs at that level. I was so relieved when I got lucky through Ward 86 to be able to move into an HIV specific unit in a TNDC building in the Tenderloin at 30% of income for rent. IT MADE A HUGE DIFFERENCE! 20% may not sound like much to folks earning a reasonable living, but living on SSI, 20% made a huge quality of life change for me. I was lucky. Too many of our other residents are stuck being rent burdened, still waiting for their change at a better life. Help make that a reality. Please support, implement and fully fund this effort. Let's fix this injustice.

Coalition (policy statement viewable here:

Of Supervisors,

Dear Supervisors and Mayor,

My name is Liza M. Murawski and I live in District 6 and I am writing to you all in support of Matt Haney's legislation that would set a 30% standard for all supportive housing in San Francisco, introduced on October 20, 2020 (File: 201185), and for the mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly homeless tenants in city contracted housing are starving and rent burdened, not by a private landlord, but by the city and county of San Francisco. Supervisor Haney's legislation would correct this injustice, which applies to supportive housing buildings which came online before 2016, when all new buildings would follow the 30% standard.

A significant number of these tenants (the vast majority of whom are disabled) are Black, seniors, and LGBTQ+ Those who care about racial justice need to find a way to correct these housing inequities, and COVID-19 only laid bare how economic inequality can hurt the most vulnerable and posed extra expenses for many supportive housing tenants. In addition, according to the 2019–20 evictions report from the Department of Homelessness and Supportive Housing, numerous housing sites with rent burdens have had households with multiple eviction notices for non-payment of rent.

The #30RightNow Coalition (policy statement viewable here: <https://medium.com/@30rightnow/we-are-the-30rightnow-coalition-fef2fde8c442>) is a tenant led coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal Community Services SF, The Housing Rights Committee, the Coalition on Homelessness, and many more, and we are demanding that the City go all out to get a universal 30% standard in supportive housing by the 2021-2022 budget cycle. This is 20 years long overdue, it follows a long-standing federal standard, and would help so many weather this

crisis and enhance their lives and prevent evictions.

Of Supervisors,

Dear Supervisors and Mayor,

My name is Robyn Miles and I live in District 8, and I am writing to you all in support of Matt Haney's legislation that would set a 30% standard for all supportive housing in San Francisco, introduced on October 20, 2020 (File: 201185), and for the mayor to properly fund this by the 2021-2022 budget cycle.

Many formerly homeless tenants in city contracted housing are starving and rent burdened, not by a private landlord, but by the city and county of San Francisco. In addition, according to the 2019–20 evictions report from the Department of Homelessness and Supportive Housing, numerous housing sites with rent burdens have had households with multiple eviction notices for non-payment of rent.

I am a service provider working with many formerly homeless clients and those who pay 50% or more of their income to live in supportive housing are unfairly burdened and struggle to meet basic needs.

The #30RightNow Coalition (policy statement viewable here: <https://medium.com/@30rightnow/we-are-the-30rightnow-coalition-fef2fde8c442>) is a tenant let coalition consisting of many trusted organizations such as the Supportive Housing Providers Network, Homeless Emergency Services Providers Network, DISH, Episcopal
