ORDINANCE NO.

[Waiver of Business Registration Fees and Certain License Fees]

Ordinance waiving business registration fees for the fiscal year commencing July 1, 2020, and certain license fees originally due on March 31, 2020, for businesses with \$25,000,000 or less in San Francisco gross receipts that received more than 50% of such receipts from business activities precluded during all or a portion of the period from March 17~~6~~, 2020, through March 1, 2021, due to a Local Health Officer's order to mitigate the spread of COVID-19 and/or from the activities of a facility that prepares and serves food for delivery or carry out or a restaurant, and refunding any waived amounts paid to the City.

NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Purpose.

(a) On February 25, 2020, Mayor London Breed proclaimed a state of emergency in response to the COVID-19 pandemic. On March 3, 2020, the Board of Supervisors concurred in the February 25 Proclamation.

(b) On March 16, 2020, to mitigate the spread of COVID-19, the Local Health Officer issued Order No. C19-07, which has been amended and replaced by subsequent orders, directing San Franciscans to "shelter in place" beginning on March 17, 2020. These orders,

1 which are now known as “stay-safer-at-home” orders, generally require individuals to stay in
2 their homes to the extent possible, and require businesses to cease all non-essential
3 operations at physical locations in the City, with some limited exceptions.

4 (c) In response to the COVID-19 emergency, on March 11, 2020, the Mayor extended
5 the due date for certain license fees otherwise due on March 31, 2020 under Section 76.1 of
6 the Business and Tax Regulations Code to June 30, 2020. On April 23, 2020, to lessen the
7 economic impact of the COVID-19 emergency, the Mayor further extended the payment
8 deadline for those fees and certain deadlines for the payment of business registration fees for
9 fiscal year 2020/2021 to September 30, 2020. On August 4, 2020, the Mayor further
10 extended those deadlines to March 1, 2021. On January 22, 2021, the Board of Supervisors,
11 by ordinance, further extended the deadline to pay these license fees and business
12 registration fees to November 1, 2021 and April 30, 2021, respectively. That legislation also
13 waived these license fees and business registration fees, among others, for certain qualified
14 entertainment businesses and certain qualified restaurant businesses.

15 (d) Due to the public health emergency related to COVID-19 and the actions required
16 to respond to the emergency, businesses engaged in non-essential operations have closed.
17 The adverse economic impacts of the COVID-19 emergency have therefore been particularly
18 severe on businesses engaged in non-essential operations. Even as some businesses
19 previously closed have been or may be permitted to partially reopen on a limited basis, they
20 are suffering and will continue to suffer severe economic harm due to the COVID-19
21 emergency and the actions required to respond to it.

22 (e) The COVID-19 outbreak has caused significant negative impacts on businesses in
23 the City, including the closure or partial closure of many of those businesses. While the exact
24 course of the pandemic cannot be predicted, it is expected to continue to pose serious public
25 health concerns in San Francisco for months to come, and will continue to have a serious

1 negative impact on businesses during that time. This ordinance is intended to mitigate the
2 economic harm and other hardships inflicted on businesses in San Francisco due to the public
3 health emergency.

4 Section 2. Definitions.

5 For purposes of this ordinance, the following terms shall have the following meanings:

6 “Business Registration Certificate” means a “registration certificate,” as defined in
7 Section 852.2 of Article 12 of the Business and Tax Regulations Code.

8 “Business Registration Fee” means the tax imposed under Article 12 of the Business
9 and Tax Regulations Code.

10 “City” means the City and County of San Francisco.

11 “Combined Group” has the meaning described in Section 956.3 of Article 12-A-1 of the
12 Business and Tax Regulations Code.

13 “License Fees” means the fees payable to the Tax Collector under Section 76.1 of
14 Article 2 of the Business and Tax Regulations Code.

15 “Newly Established Business” has the meaning set forth in Section 852.1 of Article 12
16 of the Business and Tax Regulations Code.

17 “Person” has the meaning set forth in Section 6.2-15 of Article 6 of the Business and
18 Tax Regulations Code.

19 “Qualified Business” means a Person or Combined Group that both (a) received more
20 than 50% of its total combined San Francisco Gross Receipts for calendar year 2019 from
21 business activities in the City that were precluded during all or a portion of the period from
22 March 17, 2020 through March 1, 2021 by an order of the Local Health Officer to mitigate the
23 spread of COVID-19 and/or from the activities of a facility that prepares and serves food for
24 delivery or carry out or a restaurant; and (b) had \$25,000,000 or less in total combined
25 San Francisco Gross Receipts in calendar year 2019.

1 For purposes of determining whether it is a “Qualified Business,” a Person or
2 Combined Group that was a Newly Established Business commencing business in the City in
3 calendar year 2020 or 2021 shall use its estimated total combined San Francisco Gross
4 Receipts for the calendar year in which the Person or Combined Group first commenced
5 business in the City instead of its total combined San Francisco Gross Receipts in calendar
6 year 2019.

7 “Registration Year” has the meaning set forth in Section 852.4 of Article 6 of the
8 Business and Tax Regulations Code.

9 “San Francisco Gross Receipts” has the meaning used in Section 855 of Article 12 of
10 the Business and Tax Regulations Code.

11 “Tax Collector” has the meaning set forth in Section 6.2-19 of Article 6 of the Business
12 and Tax Regulations Code.

13
14 Section 3. Waiver of Business Registration Fees and Certain License Fees.

15 (a) The Business Registration Fee for the Registration Year beginning July 1, 2020,
16 and all License Fees originally due on March 31, 2020 without regard to any extensions by
17 Mayoral declaration or otherwise, shall be waived for each Qualified Business.

18 (b) No penalties shall be imposed on any Qualified Business with respect to the
19 Business Registration Fee for the Registration Year beginning July 1, 2020. No penalties
20 shall be imposed with respect to the payment of any License Fees waived under this
21 Section 3.

22 (c) The Tax Collector may set the forms and procedures required for a Person or
23 Combined Group to apply for a waiver under this Section 3.

1 Section 4. Refund of Waived Fees and Penalties Paid to City.

2 If a Person or Combined Group pays or has paid to the City any tax, fee, or penalty
3 waived under Section 3 of this ordinance, the Tax Collector shall refund or cause to be
4 refunded the amount of that tax, fee, or penalty, without interest, upon request of that Person
5 or Combined Group. Any refund request under this Section 4 must be filed in writing on a
6 form prescribed by the Tax Collector within the later of (1) one year of payment of the tax, fee,
7 or penalty, or (2) December 31, 2021.

8
9 Section 5. Effect of Fee Waiver.

10 (a) Notwithstanding Section 76.1(b) of Article 2 of the Business and Tax Regulations
11 Code, the failure of a Person to pay any License Fees waived under Section 3 of this
12 ordinance shall neither cause the license to expire by operation of law nor require the Person
13 to obtain a new license, and such failure shall not preclude the Person from continuing to do
14 or perform the act or carry on the business, trade, profession, or calling for which City law
15 requires the license.

16 (b) The waiver of a Person or Combined Group's Business Registration Fee under
17 Section 3 of this ordinance shall not relieve a Person or Combined Group from the registration
18 and other applicable requirements under Articles 6 and 12 of the Business and Tax
19 Regulations Code, except for the payment of that Person or Combined Group's waived
20 Business Registration Fee. If a Person or Combined Group satisfies the registration and
21 other applicable requirements under Articles 6 and 12 of the Business and Tax Regulations
22 Code for the Registration Year beginning July 1, 2020, except for the payment of any waived
23 Business Registration Fee, such Person or Combined Group shall be treated as if they had
24 paid the Business Registration Fee for all purposes.

LEGISLATIVE DIGEST
(Amended in Committee - 2/17/2021)

[Waiver of Business Registration Fees and Certain License Fees]

Ordinance waiving business registration fees for the fiscal year commencing July 1, 2020, and certain license fees originally due on March 31, 2020, for businesses with \$25,000,000 or less in San Francisco gross receipts that received more than 50% of such receipts from business activities precluded during all or a portion of the period from March 17, 2020 through March 1, 2021 due to a Local Health Officer's order to mitigate the spread of COVID-19 and/or from the activities of a facility that prepares and serves food for delivery or carry out or a restaurant, and refunding any waived amounts paid to the City.

Existing Law

Businesses in the City must obtain a registration certificate from the Tax Collector and pay an annual registration fee under Article 12 of the Business and Tax Regulations Code on a fiscal year basis. They also pay various annual license fees that are due and payable to the Tax Collector on March 31 of each year under Section 76.1 of Article 2 of the Business and Tax Regulations Code.

Amendments to Current Law

This ordinance would waive, for each Qualified Business: (1) the business registration fee for the fiscal year commencing July 1, 2020; (2) all annual license fees otherwise due and payable to the Tax Collector on March 31, 2020, without regard to any extensions; and (3) all penalties with respect to these waived business registration fees and license fees. This ordinance also would refund any waived taxes, fees, and penalties paid to the City, upon written request of the Qualified Business filed within the later of: (1) one year of payment of the tax, fee, and/or penalty; and (2) December 31, 2021.

A Qualified Business is a business that satisfied both of the following in calendar year 2019: (1) had \$25,000,000 or less in total combined San Francisco gross receipts, and (2) generated more than 50 percent of those receipts from business activities in the City that were precluded during all or a portion of the period from March 17, 2020 through March 1, 2021 by an order of the Local Health Officer to mitigate the spread of COVID-19 and/or from the activities of a facility that prepares and serves food for delivery or carry out or a restaurant. For purposes of determining whether it is a "Qualified Business," a business commencing business in the City in calendar year 2020 or 2021 would use its estimated total combined San Francisco gross receipts for the calendar year in which they first commenced business in the City, rather than 2019 total combined San Francisco gross receipts.

Background Information

On February 25, 2020, the Mayor proclaimed a state of emergency in response to the COVID-19 pandemic, and the Board of Supervisors concurred in that proclamation on March 3, 2020. On March 16, 2020, the Local Health Officer issued a shelter in place order directing San Franciscans to stay in their homes and requiring businesses to cease all non-essential operations at physical locations in the City. That order has been amended and replaced by subsequent orders extending shelter in place (now referred to as “stay safer at home”), with modifications but with no expiration date.

On March 11, 2020, by emergency declaration, the Mayor extended the due date for annual license fees otherwise due on March 31, 2020. On April 23, 2020, the Mayor further extended that due date to September 30, 2020, and also extended the deadline for the payment of registration fees for fiscal year 2020/2021 to September 30, 2020. On August 4, 2020, the Mayor further extended those deadlines to March 1, 2021. On January 22, 2021, the Board of Supervisors, by ordinance, further extended the deadline to pay these license fees and business registration fees to November 1, 2021 and April 30, 2021, respectively. That legislation also waived these license fees and business registration fees, among others, for certain qualified entertainment businesses and certain qualified restaurant businesses.

This legislative digest reflects amendments made in committee on February 17, 2021. The amendments would permit payors to request a refund of taxes, fees, and penalties waived by this ordinance within the later of one year of payment and December 31, 2021.

MANDATE STATEMENT

City Charter Section 2.105 states that the Board of Supervisors shall act only by written ordinance or resolution.

BACKGROUND

In response to the coronavirus (COVID-19) global pandemic, the San Francisco Health Officer first issued a Shelter-In-Place Order—in conjunction with five other Bay Area counties—on March 16, 2020. As originally written, the Order required individuals to stay in their homes except for essential needs like grocery shopping, working in essential businesses, providing essential government functions, or engaging in essential travel. All non-essential businesses and activities were required to suspend operations; over time, the initial Shelter-In-Place Order has been modified to allow outdoor and certain other businesses and activities to resume, such as outdoor dining, curbside pick-up, and in-store retail, or—as has occurred more recently—to rollback reopening due to increasing Covid-19 cases. Consistent with the state’s four-stage roadmap for reopening, the County has a phased reopening plan that provides for the incremental reopening of business sectors and other activities in a manner that seeks to contain the risk of a surge in COVID-19 cases.

On March 11, 2020, the Mayor first announced several measures to support small impacted by COVID-19, including deferral of certain license fees otherwise due on March 31, 2020. Since March, the Mayor has deferred the payment of license fees several times, and fees originally due on March 31, 2020 and March 31, 2020 are now deferred to November 1, 2021, pursuant to legislation passed in January 2021 (File 20-1260). Business registration fees originally due on June 1, 2020 are deferred to April 30, 2021 (File 20-1260).

In addition to the fee deferrals, File 20-1260 waives business registration and license fees and payroll expense taxes for restaurants and food service businesses with annual San Francisco gross receipts up to \$750,000 and for entertainment venues with annual San Francisco gross receipts up to \$20 million. According to the Budget and Legislative Analyst’s report to the December 16, 2020 Budget and Finance Committee, more than 1,800 businesses would receive the waivers in FY 2019-20 through FY 2021-22, resulting in a reduction in revenues to the City of approximately \$5.0 million over a three-year period.

DETAILS OF PROPOSED LEGISLATION

File 20-1415: Ordinance

The proposed ordinance would waive certain license fees and business registration fees that are normally due on March 31, 2020 and June 1, 2020, respectively, for City businesses. In response to COVID-19, the Mayor and Board of Supervisors have already delayed the deadline for these payments—to April 30, 2021 for business registration fees and November 1, 2021 for license fees.

The proposed fee waivers would apply to San Francisco businesses that (1) generated more than 50 percent of their San Francisco gross receipts from business activities precluded by the Local

Health Officer's Shelter-In-Place orders in effect from March 17, 2020 through March 1, 2021, or a restaurant or other facility that prepares and serves food for delivery or carry out, and (2) generated a maximum of \$25 million in San Francisco gross receipts for calendar year 2019. For businesses that opened in calendar year 2020 or 2021, San Francisco gross receipts would be based on an estimate. The proposed ordinance also enables eligible businesses to seek a refund of their 2020 license and/or business registration fee within one year.

According to the Treasurer/Tax Collector, \$30,096,625 was due in 2019 business registration renewal fees from 92,589 San Francisco businesses with San Francisco gross receipts up to \$25 million, as displayed in Table 1 below. These businesses comprised about 62 percent of total business registration fees of \$48.9 million for all San Francisco businesses in 2019.

Source: Treasurer/Tax Collector

A combined total of \$40,813,954 was due in license fees and business registration fees for businesses with San Francisco gross receipts up to \$25 million in 2019.

FISCAL IMPACT

The City will experience a one-time revenue reduction associated with the one-time waiving of license fees and business registration fees for San Francisco businesses that generated a maximum of \$25 million in San Francisco gross receipts in 2019 and that generated the majority of those receipts from business activities precluded by the Local Health Officer’s Shelter-In-Place orders, or a restaurant or other facility that prepares and serves food for delivery or carry out.

We estimated the number of San Francisco businesses likely to be impacted by both the license and business registration fee waivers by using 2018 industry information available from the U.S. Census Bureaus’ County Business Patterns data, which is an annual series that provides county-level economic data by industry including the number of establishments, employment during the week of March 12, first quarter payroll, and annual payroll. Based on this data, we estimate that the one-time revenue reduction would range from a total of \$16 to \$18 million. Specifically, we estimate that lost revenue associated with license fees could range from \$4.7 to \$5 million, which would impact revenues to multiple City departments. We estimate that the business registration fee waiver could lead to one-time revenue loss of \$11.3 to \$13.0 million, which would represent a loss to the City’s General Fund. These estimates include (rather than add to) the estimated revenue reduction in FY 2020-21 of \$2.9 million from the waiver of certain license fees and business registration fees for entertainment venues with San Francisco gross receipts up to \$20 million and restaurants with San Francisco gross receipts up to \$750,000 (File No. 20-1260).

Table 3: Estimated Business Registration and License Fees for Eligible Businesses with Gross Receipts Less than \$25 Million

	Low	High
Business Registration Fees	\$11,340,000	\$13,000,000
License Fees	4,660,000	5,000,000
Total	\$16,000,000	\$18,000,000

Source: BLA Analysis of US Census County Business Patterns data

Actual revenue reduction will differ from these estimates, which are based on U.S. Census data rather than Treasurer/Tax Collector information. While the Treasurer/Tax Collector provided the amount of taxes due for all businesses with gross receipts up to \$25 million, this information did not identify the type of business, and therefore, could not be used to estimate the number of businesses impacted by the Shelter-In-Place Orders nor the number of food service businesses that would be covered by the proposed ordinance. These estimates are based on U.S. Census County Business Patterns data, which differs from Treasurer/Tax Collector data in that it reports (a) payroll rather than gross receipts, and (b) a smaller number of businesses than registered in San Francisco. Our estimates also made assumptions about the number of impacted businesses contained in each of the U.S. Census data categories, which categorizes businesses by the North

American Industry Classification System (NAICS)—a system that does not neatly align with the businesses that were impacted by Shelter-In-Place Orders.¹

POLICY CONSIDERATION

Impact of Ordinance on Fee and License Reporting and Collection

The Chief of Policy and Communications for the Treasurer/Tax Collector Office reported to us that implementation of the proposed ordinance would require collection of information related to whether a business received more than 50 percent of its total combined 2019 San Francisco gross receipts (up to \$25 million) from business activities that were either (1) precluded during all or a portion of the period from March 17, 2020 through March 1, 2021, or (2) from the activities of a facility that prepares and serves food for delivery or carry out or a restaurant.

The Treasurer/Tax Collector Chief of Policy and Communications noted that the information on whether a business generated more than 50 percent of their 2019 gross receipts—up to a maximum of \$25 million—from activities that were precluded by one or more of the Shelter-In-Place orders would likely be self-reported as part of the registration renewal tax filing, with the ability for the department to review and audit the self-reported information. The details of reporting and collecting this financial information would need to be addressed as part of implementing the proposed ordinance.

Business Operations during Shelter-in-Place

Some industries that were initially impacted by the broad Shelter-In-Place Order were later granted the ability to reopen with health and safety plans in place. Construction, warehousing, and manufacturing were all granted the ability to reopen in May 2020—while indoor gyms, fitness centers, and personal services were not granted the ability to reopen until three months later in September 2020 and were later required to close as a result of the most recent regional Stay-at-Home Order. The proposed ordinance is worded so that businesses in all of these industries could receive a waiver—regardless of the duration of their business closure and the amount of their 2020 gross receipts—as long as a majority of their 2019 gross receipts came from activities that were required to remain closed for some period of time due to Shelter-In-Place orders from March 17, 2020 through March 1, 2021.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

¹ Another data limitation is the time lag for the U.S. Census data, which was compiled for 2018, and therefore does not account for the economic recession caused by the COVID-19 pandemic.

RE: BOS File No. 201415 – Waiver of Business Registration Fees and Certain License Fees.

Small Business Commission Recommendation to the Board of Supervisors: **Support.**

Dear Ms. Calvillo,

On January 11, 2021 the Small Business Commission (SBC or Commission) heard BOS File No. 201415 – Waiver of Business Registration Fees and Certain License Fees. Andrew Mullan, Legislative Aide to Supervisor Catherine Stefani provided the SBC with an overview of the legislation. The SBC voted (7-0) to recommend that the Board of Supervisors support the legislation.

The Commission engaged in a substantive discussion with Mr. Mullan. They had an opportunity to discuss the possibility of waiving fees in perpetuity, Mr. Mullan shared that the sponsor's office would take this under consideration through a separate and distinct legislative effort. The priority for this proposal is to get relief to small businesses more expeditiously. The Commission also discussed Section 4. Refund of Waived Fees and Penalties Paid to City and contemplated challenges that small businesses may have in requesting their refund, particularly for limited-English proficient business owners. Mr. Mullan committed to ensuring that businesses would be opted in to a refund and they would not have to specifically request one.

This proposal advances the Economic Recovery Task Force's recommendations to preserve the operation and lessen regulatory burdens for small businesses and would advance the Small Business Commission's advocacy to provide direct economic relief.

Thank you for considering the Commission's recommendation. Please feel free to contact me should you have any questions.

Sincerely,

Regina Dick-Endrizzi

Dear Members of the Board of Supervisors,

I represent the Unified Tattoo and Body Art Shops of San Francisco. Please support Supervisor Stefani's legislation to waive 2020 registration and license fees for businesses ordered to close down by the health officer. In 2020 there were 84 registered Body Art facilities and 412 licensed Tattoo and Body Art practitioners. Annual facility registration is \$1710 and individual licenses are \$125. **All fees for Tattoo and Body Art for 2020 could be waived for \$195,140.**

San Francisco's Tattoo and Body Art community is extremely diverse. More than half of our businesses are owned by women and people of color. Over one third of licensed Body Art Practitioners are women, one third are people of color and many are both. Our community also has a significant number of queer and trans shop owners and practitioners.

Since 2019 the City has seen 16 Body Art businesses dissolve. It is unknown if they disappeared or merely went underground. Our sector is unable to participate in the Shared Spaces program and we have not qualified for grants and loans. We were closed for seven months in 2020 and over one month, so far, in 2021. These unpredictable closures wreak havoc on our ability to maintain our clientele and reestablish and sustain our businesses. Our fees are too high to continue paying through closures on top of owed rent and bills. Deferrals only create a backlog of

insurmountable debt and add to our already overwhelming struggle. Please save
Tattoo and Body Art shops and encourage the waiving of our fees and registration
for 2020. Thank you.

Best,
Rose & Thorn Tattoo

Greetings - Please support BOS # 201415 to waive the business registration fee and certain annual license fees for FY 2020 for qualifying businesses. This proposed legislation would support me, a vulnerable businesses who has endured economic hardships due to the local emergency.

I am a sole practioner massage therapist and to date (other than delayed licensing fees) I have received zero financial support from the City of San Francisco even though I have applied for every grant and program under that has come across my desk (my guess is at least 5-10 different grants and zero interest loan programs). I feel that the city of SF has ignored me because they feel that federal money should be enough for a sole practioner. It feels weird for the same city/county that allowed people to go to their chiropractors, acupuncturists, physical therapist and even personal trainers refuses to give me any support while it actively prevented folk for coming in for bodywork.

Please help!

Dear Supervisors,

The San Francisco Chamber of Commerce supports File #201415, introduced by Supervisor Stefani and co-sponsored by Supervisors Ronen, Mandelman, and Haney that will waive business registration fees for eligible small businesses for the fiscal year beginning July 1, 2020, and those fees due on March 31st, 2020.

The San Francisco Chamber of Commerce actively supports policies that uplift our small business community, which contributes so greatly to San Francisco's vibrance and culture. We believe this ordinance will help small businesses maintain a foothold in San Francisco's neighborhood commercial districts.

Please see attached for our full letter of support.

RE: Support of File #201415 “Waiver of Business Registration Fees and Certain License Fees”

Dear Board of Supervisors,

The San Francisco Chamber of Commerce supports File #201415, introduced by Supervisor Stefani and co-sponsored by Supervisors Ronen, Mandelman, and Haney that will waive business registration fees for eligible small businesses for the fiscal year beginning July 1, 2020, and those fees due on March 31st, 2020.

This ordinance is a needed step to support our struggling small business in San Francisco. Recent data on small business closures shows that approximately 50% of our local small businesses have closed. We need to make sure that the businesses who have survived this past year remain open, and work towards cultivating means for other businesses to return.

The businesses that would benefit from this emergency ordinance include many of the hallmark small businesses that make our neighborhoods the diverse and engaging places. Even modest savings from waived fees could be the difference between small businesses reopening safely, or shuttering permanently. We must do everything we can to try and preserve our small business ecosystem in San Francisco and invest in their resiliency.

The San Francisco Chamber of Commerce actively supports policies that uplift our small business community, which contributes so greatly to San Francisco’s vibrance and culture. We believe this ordinance will help small businesses maintain a foothold in San Francisco’s neighborhood commercial districts.

Sincerely,

RE: SUPPORT: File #201415, Waiver of Business Registration Fees and Certain License Fees

Dear President Walton, Supervisor Stefani and All Supervisors,

The San Francisco Council of District Merchants Associations (SFCDMA) has served to protect, preserve and promote small businesses in San Francisco for 70 years. We represent local merchant associations and an eclectic mix of neighborhood businesses in every commercial district.

The SFCDMA is writing in support of Supervisor Catherine Stefani's legislation, File #201415, that will waive business registration and some license fees for many San Francisco small businesses for whom revenue was lost in the last year.

We appreciate efforts by the Board of Supervisors to mitigate the devastating financial impacts local businesses have experienced due to COVID-19 and subsequent shut-down orders. As we move through and beyond the pandemic many of our small merchants and neighborhood commercial corridors will continue to suffer from lingering hardships caused by this unprecedented public health and economic crisis.

We strongly encourage the Supervisors to consider waiving these fees permanently to lessen financial and regulatory burdens on San Francisco's small businesses as we all work to recover and thrive in the aftermath of the pandemic.

The SFCDMA supports this legislation and thanks Supervisor Stefani for bringing it forward.

Sincerely,

Maryo Mogannam, President
San Francisco Council of District Merchants Associations

As a SF business-owner in the retail and restaurant industry, I fully support the legislation introduced by Supervisor Stefani and co-sponsored by Supervisors Ronen, Mandelman and Haney -- Waiver of Business Registration Fees and Certain License Fees.

Ordinance waiving business registration fees for the fiscal year commencing July 1, 2020, and certain license fees originally due on March 31, 2020, for businesses with \$25,000,000 or less in San Francisco gross receipts that received more than 50% of such receipts from business activities precluded during all or a portion of the period from March 16, 2020, through March 1, 2021, due to a Local Health Officer's order to mitigate the spread of COVID-19 and/or from the activities of a facility that prepares and serves food for delivery or carry out or a restaurant, and refunding any waived amounts paid to the City.

Thank you.

Regards,
Rhoda Berbey

Dear Ms. Wong,

I am a wine bar owner in San Francisco, writing with my strong support for waiving business registration fees and certain license fees. Our revenue was down 95% in 2020 over 2019, and we have a long road ahead of us before things can return to normal.

Thank you for your consideration,

Hello. I am emailing on behalf of our businesses located in San Francisco to support Supervisor Stefani's legislation to waive certain registration and license fees. Our business levels have dropped significantly and help from The City in this way would be appreciated by many.

Sincerely,

Subject: Vote to SUPPORT File #02141 TODAY! "Waiver of Business Registration Fees and Certain License Fees"

As a 20 year resident and homeowner in San Francisco and also a writer/editor/media in the food, drink and travel world, I am emailing to strongly urge the the Board of Supervisors to support File #02141, waiving business registration fees today!

Please do right by our small businesses which I do not believe the city has done enough right for thus far, still giving preference to big business and keeping processes and "red tape" onerous and complicated for small businesses, especially restaurants and bars, that make our city the world class destination it has been.

As someone who knows and is in this world daily and globally, we will not continue to be that destination if hundreds of our historic and independent restaurants fail and many more struggle years to reopen or open something new (which is NOT what we want anyway — we have already lost too many greats and everyone, even the Michelin-starred, are barely hanging on).

Do right, PLEASE. Pandemic measures have already almost killed our small businesses. We locals are paying attention and will make our voices heard for small businesses by voting for leaders who *strongly* support them — and against those who do not.

Thanks to Catherine Stefani, Matt Haney, Rafael Mandelman & Hilary Ronen for your support of this waiver. As media and SF homeowners and residents, we *have* noticed.

Best,
Virginia
