Hearing - Summer Together Initiative

The text is listed:

Summer Together aims to bring free summer programming to most San Francisco Unified School District students who want it. After over a year of distance learning, SFUSD students are hungry for in person social and emotional contact with peers and educators. Furthermore, many students have fallen behind on core academic subjects like literacy and math and will have an opportunity to engage in make-up learning over the summer in preparation for the next academic year. Priority enrollment for Summer Together will begin on April 12, 2021.

Hearing to discuss the wide range of programs and supports that the City will be making available to families through the Summer Together Initiative. This hearing will help SFUSD families understand the different types of learning and recreational programs available this summer, the partners involved in these programs, and the process that families can follow to enroll in these summer programs. The hearing will also address funding for the program, who is officially running the program, and who has access to information related to the program. Directing the Clerk of the Board to invite SFUSD, the Department of Children, Youth and Their Families, and the Recreation & Parks

Department to present and attend the hearing.
