Hello Ms. Wong,

Not a problem. I assumed you meant me.

The request for retroactive approval is due to the item being continued from the Budget & Finance Committee meeting of March 17, 2021. We had anticipated approval prior to the contract expiration date of March 31, 2021 and additional funding is required for costs incurred beginning April 1, 2021 through March 31, 2023.

Is this sufficient or is a formal memo from the Director of Transportation required.

I will also be in attendance for any questions that may arise.

Thank you,

Steve

Hi Mr. Lee,

As you are aware, your following item was heard in Budget & Finance Committee on April 7, 2021, and forwarded to the full Board on April 13, 2021:

- **File No. 210175 -** Contract Amendment - Retroactive - TEGSCO, LLC, dba San Francisco AutoReturn - Vehicle Towing, Storage and Disposal Services for Abandoned and Illegally-Parked Vehicles - Not to Exceed $88,200,000

This legislation authorizes "retroactive" approval. Due to the full Board's concerns regarding "retroactive" approvals, please make sure you - or a department representative - will be in attendance to answer any questions or concerns when the full Board considers this matter.

If you would like to include written explanation regarding the "retroactive" approval, please forward to me and I will disseminate to the Members and include in the legislative file.

Thank you for your continued collaboration on the legislative process.

Best,

Linda Wong
