Hi. Thanks for the opportunity to explain the BLA's recommendation to make this modification retroactive.

While the Airport accepts the Budget Analyst's recommendation to include retroactive language to the Airport travel agency lease, it was not included as originally submitted as do not believe it is necessary. The lease is in holdover and the extension is not effective until approved by BOS. There is no change in the MAG rent paid to the airport.

Thanks again.

Please let me know if there are additional questions.

Best,
Cathy

Subject: BOS File No. 210069 - Retroactive - Airport Travel Agency, Inc - Airport Amenities and Business Services

Hi Cathy,

As you are aware, your following item was heard in Budget & Finance Committee on April 7, 2021, and forwarded to the full Board on April 13, 2021:

- **File No. 210069** - Lease Amendment No. 2 - Retroactive - Airport Travel Agency, Inc - Airport Amenities and Business Services - Term Extension

This legislation authorizes "retroactive" approval. Due to the full Board's concerns regarding "retroactive" approvals, please make sure you - or a department representative - will be in attendance to answer any questions or concerns when the full Board considers this matter.

If you would like to include written explanation regarding the “retroactive” approval, please forward to me and I will disseminate to the Members and include in the legislative file.

Thank you for your continued collaboration on the legislative process.

Best,

Linda Wong
