## **Senate Bill 1 Road Maintenance and Rehabilitation Account**

In April 2017, Governor of California Jerry Brown signed Senate Bill 1, the Road Repair and Accountability Act of 2017 (SB1), which through tax and fee increases, will raise over \$5 billion annually in new transportation revenues for the State of California.

\$1.5 billion of the total annual SB1 revenue is earmarked for local streets and roads maintenance and rehabilitation in the Road Maintenance and Rehabilitation Account (RMRA). California's counties and cities receive an annual share from RMRA.

On January 20, 2021, California State Association of Counties (CSAC) released San Francisco's Fiscal Year 2021-22 county and city share. San Francisco is estimated to receive \$26.4 million in Fiscal Year 2021-22. Prior to receiving an apportionment of Road Maintenance and Rehabilitation Account (RMRA) funds from the California State Controller, San Francisco must identify and approve which projects will receive RMRA funds. San Francisco Public Works' Street Resurfacing program has identified six (6) projects to receive RMRA funding next fiscal year:

1. Various Locations Pavement Renovation No 57
2. Various Locations Pavement Renovation No 58
3. Various Locations Pavement Renovation No 59
4. Various Locations Pavement Renovation No 60
5. Various Locations Pavement Renovation No 61
6. FY21-22 Citywide Pavement Preservation
