Section 1. The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. _____ and is incorporated herein by reference.

Section 2. The San Francisco Public Works Code is hereby amended by amending Section 184.78, to read as follows:

SEC. 184.78. BANNERS.

(a) **Findings.** The Board of Supervisors hereby finds that:

(1) Banners placed on the upper portion of City-owned utility poles are an important medium for providing notice to San Francisco residents, as well as those who work in and visit San Francisco, about City-sponsored, City-funded, and City-wide special events, City-convention facility events, and the locations of the City's diverse neighborhoods.

(2) Because of the significant economic benefits that the City gains from tourism, San Francisco has a strong interest in fostering tourism by promoting City-sponsored, City-funded and City-wide special events, and in providing notice of the locations of the City's varied and distinct neighborhoods.

1 (3) Because of the significant economic benefits that the City gains from the events
2 held at the City's convention facilities, San Francisco has a strong interest in fostering,
3 promoting and identifying those events conducted at the City's convention facilities.

4 (4) Increasing awareness of City-sponsored City-funded and City-wide special events,
5 and San Francisco's diverse neighborhoods also fosters civic pride.

6 (5) By adopting this section the Board does not intend to create a public forum on the
7 upper portion of City-owned utility poles, it has decided to make the upper portion of City-
8 owned utility poles available for the installation of banners that announce City-sponsored
9 events, City-funded events, City-wide special events, City convention facility events, or City
10 neighborhoods in order to achieve its goals of promoting tourism and civic pride, and
11 providing public notice.

12 (b) Subject to the conditions and limitations imposed by this Section, the Department is
13 authorized to adopt rules and regulations governing the posting of banners consistent with the
14 terms of this Article. In enacting such rules and regulations, the Department shall consider the
15 need to protect the safety of pedestrians, vehicles and other property and the need to promote
16 aesthetics on the City's streets and sidewalks. With respect to City-wide special event
17 banners or City convention facility banners, the Department of Public Works shall not
18 discriminate on the basis of the viewpoint in a banner in its administration and interpretation of
19 this Section and any rules or regulations adopted under this Section.

20 (c) Only the following banners may be posted on City-owned utility poles: City-
21 sponsored banners, City-funded event banners, City-wide event banners, City convention
22 facility banners, and City neighborhood banners.

1 (1) A "city-sponsored banner" is a banner announcing an event or series of related
2 events conducted by the City or any of its departments, boards, commissions or agencies, or
3 announcing a facility operated by the City or any of its departments, boards, commissions.

4 (2) A "city-funded event banners is a banner announcing an event or series of related
5 events which event or series of events have received funding of \$5,000 or more from the City
6 or any of its departments, boards, commissions or agencies.

7 (3) A "city-wide special event banner" is a banner announcing an event or series of
8 related events of interest to a significant portion of the residents of San Francisco and/or
9 tourists, which is not a purely commercial enterprise, and where (a) the proceeds, if any, will
10 directly benefit either a federal, state, or local government agency or a charitable non-profit
11 organization that maintains tax-exempt status under Internal Revenue Code Section 501(c)(3)
12 or (b) the event or series of events will take place on City-owned property and further a public
13 purpose.

14 (4) A "city convention facility banner" is a banner installed on any City-owned utility
15 pole located on streets proximate to the City's convention center facilities that announces an
16 event currently being held at a City-owned convention center facility. Those streets are: Third
17 Street between Folsom and Mission (west side only), Folsom Street between Third and Fourth
18 (north side only), Howard Street between Third and Fifth (both sides), Mission Street between
19 Third and Fourth (south side only), Fourth Street between Mission and Howard (both sides),
20 Fourth Street between Howard and Folsom (east side only), and Grove Street between Polk
21 and Larkin (both sides). A "city convention facility banner" may only be installed proximate to
22 the City-owned convention center facility at which the event the banner announces is currently
23 being held. A "city convention facility banner" may only be installed 10 days prior an event,
24 and may not remain posted for more than 10 days after an event. The Department shall give
25

1 requests for a "city convention facility banner" priority over other requests for banners on City-
2 owned utility poles directly adjacent to any part of the City's convention center facilities.

3 (5) A "city neighborhood banner" is a banner demarking a neighborhood in San
4 Francisco, placed in that neighborhood, and identifying the neighborhood's name, such as, for
5 example: the Tenderloin, or Pacific Heights.

7 a significant portion of the residents of San Francisco" is any event or series of related events
8 that take place in the City and that reasonably expect an in-person attendance of 500 or more
9 people for a single event or 1000 or more people for a series of events. Expected attendance
10 may be demonstrated by attendance at that same event or series of related events in previous
11 years, attendance at a similar event or series of related events in previous years, by
12 attendance projections for an event or series of events based on sales of tickets or
13 subscriptions to the event or series of related events or, for an event or series of events that is
14 being organized for the first time, by another reasonable measure of expected in-person
15 attendance to be determined by the Department of Public Works.

17 historic and decorative lamp posts listed in Section 184.58, with the exception of those historic

21 between two or more structures or spans a street unless and until the party responsible for the
22 posting of such banner first obtains a permit from the Department for the purpose of enabling
23 that Department to ensure that the banner is posted in a safe manner and that the party has
24 obtained adequate insurance coverage for any risk posed by such posting, according to
25

1 guidelines established by the Director; and provided that, if any part of the banner is to be
2 attached to non-City property, upon filing the permit application, the party shall be notified that
3 the consent of the private owner should be obtained before posting the banner.

4 (f) Notwithstanding anything in this Code that may be to the contrary, the Director is

5 investigation of banners being maintained without or in violation of a valid permit. Payment of
6 the fees shall be directly to the Department of Public Works.

7 (1) The person responsible for payment of the fee may appeal the amount of the
8 investigation fee to the Board of Appeals, subject to its filing fees and rules.

9 (2) The nonpayment of such fee or fine, or the continued existence of a condition in
10 violation of this Section, shall be grounds for the Director of Public Works to deny a permit for
