

**WORKBOOK INSTRUCTIONS**

This worksheet provides instructions on how to complete the FY 2020 Financial Management Forms Workbook (FMFW) v20.1. It is divided into sections that correspond to each of the worksheets within this workbook. The first section describes the macros used in this workbook and can be ignored if you are using the non-macro version of this FMFW. For further guidance, contact your Program Representative. Mail completed FMFW to:

 Mather, CA 95655

**Section 1: MACROS**

Below is a table with instructions on how to enable macros in Microsoft Excel, depending on the version.

**Note:** Some computers may not run Macros correctly even when enabled in Excel. A Non-Macro version of the workbook is available under such circumstances.

Version	Instructions
Excel 2003	1) From the menu bar, click on TOOLS > MACRO > SECURITY. 2) From SECURITY LEVEL tab, select the MEDIUM or LOW. 3) Save, Close, and Re-open the workbook. <b>NOTE:</b> The MEDIUM setting will prompt you to enable or disable macros each time the file is opened. This will prevent potentially unsafe macros from running. The LOW setting will enable macros without prompt. It is recommended that you have virus software installed and updated if other files.
Excel 2007	1) Click the round "Office" button in upper left corner of the window. 2) Click "Excel Options" button near lower-right corner. 3) From "Excel Options" window, select "Trust Center" on left pane. 4) Click on the "Trust Center Settings" button on the right pane, which will open a new "Trust Center" window. 5) From the new "Trust Center" window, pick "Macro Settings" on left pane. 6) Choose "Disable all macros with notification" radio button on the right pane, then click OK. <b>NOTE:</b> Each time a workbook with macros is opened, a security alert will appear. This alert may be a pop-up window or a banner across the top of the window. You must choose to enable for macros to function.
Excel 2010 / 2013 / 2016	1) Click on the File tab, then choose Options, which will then open a new "Excel Options" window. 2) From the new window, click "Trust Center" on the left pane. 3) Click "Trust Center Settings..." button on the right pane, which will then open a new "Trust Center" window. 4) From the "Trust Center" window, pick "Macro Settings" on left pane. 5) Choose "Disable all macros with notification" radio button on the right pane, then click OK. 6) Save, Close, and Re-open the workbook. <b>NOTE:</b> Each time a workbook with macros is opened, a security alert will appear. This alert may be a pop-up window or a banner across the top of the window. You must choose to enable for macros to function.

Below is a table of macro buttons available on many of the worksheets in this workbook. Buttons can only be clicked with a mouse. To activate a macro with a keyboard, hold Alt + F8 to open a list of macros and scroll through the list.

Button	Function
Sort (↑)	Sorts by Project Number in ascending order.
Spellcheck	Spellchecks active sheet.
Black Font	Selects the entire row(s) of the selected cell(s) and changes the font color to black. Any strikethroughs will be removed.
Red Strikethrough	Selects the entire row(s) of the selected cell(s) and changes the font color to red. A red strikethrough will be added.
Blue Font	Selects the entire row(s) of the selected cell(s) and changes the font color to blue. Any strikethroughs will be removed.
Toggle Scalable	Changes the background color of the selected row; colored row indicates project is a scalable project.
Add Row	Adds a single row in the table, below the selected cell. A prompt will appear asking to choose a cell before a row is added. Only one row can be added at a time.
Delete Row	Select the cells of the rows to be deleted, then press button. Deletes the entire row of the selected cell. Multiple rows can be deleted, if the selected cells are contiguous.
Formula Reset	Restores formulas to default values in the appropriate cells. Use this if formulas are missing or are not calculating correctly. This button also adjusts the table row height to auto-fit the contents.
New Request	Duplicates the active worksheet for modification and reimbursement requests, placing it immediately after the original worksheet. An input box will appear to name the new worksheet. Remember to use the most recent version of the worksheet when creating a new request.
New Mod Item	Copies the selected line and inserts it immediately below. The font color of the selected row will change to red with a red strikethrough indicating that the line item has been changed. The duplicated line will have blue font color, without a strikethrough, indicating the modified line item.
Initial Application	Populates the Ledger Type field with "Initial Application" and the Date field with today's date.
Advance	Populates the Ledger Type field with "Advance" and the Date field with today's date.
Reimbursement Request	Populates the Ledger Type field with "Reimbursement Request" and the Date field with today's date. A new "Request #" field will be appear.
Modification	Populates the Ledger Type field with "Modification" and the Date field with today's date. A new "Request #" field will be appear.

Below is a table that lists macros that can be activated by using a keyboard shortcut. A shortcut requires the user to press 2 keys simultaneously: the control button and a letter.

Keyboard Shortcut	Function
Control + S	Spell checks active worksheet.
Control + J	Sorts projects by Investment Justification, from A-Z; then by Funding Source (A-Z), then by Discipline (A-Z); only works on the Project Ledger.
Control + K	Sorts projects by Project Number, from 0-999, then by Funding Source (A-Z); then by Discipline (A-Z); works on all ledgers

Section 2: GRANT SUBAWARD FACE SHEET

Use the Grant Subaward Face Sheet to apply for grant programs. Each grant program requires its own separate Grant Subaward Face Sheet. Please print the Grant Subaward Face Sheet in portrait format and provide an original signature from the authorized official. **The use of white out or tape is prohibited and will invalidate the signature on the Grant Subaward Face Sheet.**

Cal OES Section: The top portion of the form contains blocks for four (4) important numbers. Please do not fill in these blocks. These numbers will be entered by Cal OES.

Form Field	Instructions
1. Subrecipient	The Subrecipient is the unit of government or community based organization (CBO) that will have legal responsibility for these grant funds (e.g. County of Alameda, City of Fresno or Women's Place of Merced). Enter the legal name of the Subrecipient that is registered with the Internal Revenue Service (IRS). PLEASE NOTE: that all CBOs must be registered, active, and current with the IRS, Department of Justice (DOJ), and Secretary of State (SOS) websites. Failure to be current will result in funds being withheld from Cal OES.
1a. Federal DUNS Number (Subrecipient)	Enter the full 9-digit Federal Data Universal Numbering System (DUNS) ID number for the Subrecipient. If the Subrecipient does not yet have a DUNS number assigned, one may be obtained by contacting Dun & Bradstreet at 866-705-5711 or at www.dnb.com. This requirement applies to federally funded grants only. Your DUNS # must be current and active in the System for Award Management (SAM) at the time of your Award.
2. Implementing Agency	Enter the complete name of the agency responsible for the day-to-day operation of the grant (e.g. Sheriff, Police Department, or Department of Public Works). If the Implementing Agency is the same as the Subrecipient, enter the same title again.
2a. Federal DUNS Number (Implementing Agency)	Enter the full 9-digit Federal Data Universal Numbering System (DUNS) ID number for the Implementing Agency. If the Implementing Agency does not yet have a DUNS number assigned, one may be obtained by contacting Dun & Bradstreet at 866-705-5711 or at www.dnb.com. This applies to federally funded grants only. Your DUNS # must be current and active in the System for Award Management at the time of your Award.
3. Implementing Agency Address	Enter the address of the Implementing Agency. Provide the complete nine digit zip code (Zip+4).
4. Location of Project	Enter the City and County/Operational Area where the project is located. Provide the complete nine digit zip code (Zip+4).
5. Disaster/Program Title	Enter the name of the Disaster or Program providing the funds for this Grant Subaward. A disaster may be referred by the federal declaration number. Program titles should be complete without the use of acronyms.
6. Performance Period	Enter beginning and ending dates of the performance period for the Grant Subaward. (mm/dd/yyyy)
7. Indirect Cost Rate	Indicate whether you are using the 10% de Minimis rate based on Modified Total Direct Costs (MTDC) or your current cognizant agency approved indirect cost rate agreement. A copy of the approved ICR Negotiating Agreement must be enclosed with your application. Indicate N/A if you will not be claiming indirect costs under the award. <b>Indirect costs may or may not be allowable under all Federal fund sources.</b>
8A-13G. Fund Allocations and Total Project Cost	For each fund source used in the program, select the correct grant year and acronym from the drop down lists, the amount of state or federal funds requested, the amount of cash and/or in-kind match contributed and the resulting totals. Please do not enter both state and federal on the same line. Block 12G should correspond to the total project cost specified in the budget.
14. Certification Paragraph	Please review the Certification Paragraph.
15. CA Public Records Act	Please review, and if applicable, provide the necessary documentation.
16. Official Authorized to sign for the Subrecipient	Enter the name and title of the official authorized to enter into the Grant Subaward for the Subrecipient as stated in Block 1 of the Grant Subaward Face Sheet (Cal OES 2-101). Enter the Payment Mailing Address where grant funds should be sent. Provide the complete nine digit zip code (Zip+4).
17. Federal Employer ID Number	Enter the 9-digit Federal Employer Identification Number for the Implementing Agency.
