Completed by: Erica Major Date _____

1 [Approve Project List - California Senate Bill 1 Local Streets and Road Program - Road
2 Maintenance and Rehabilitation Account Funds]

3 **Resolution approving the list of projects to be funded by Fiscal Year 2021-2022 Road**
4 **Maintenance and Rehabilitation Account funds as established by California Senate Bill**
5 **1, the Road Repair and Accountability Act of 2017.**

6
7 WHEREAS, Senate Bill 1 (herein referred to as SB 1), the Road Repair and
8 Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the California
9 Legislature and signed into law by the Governor of California in April 2017 to address the
10 significant multi-modal transportation funding shortfalls statewide; and

11 WHEREAS, SB 1 includes accountability and transparency provisions that will ensure
12 the residents of the City and County of San Francisco are aware of the projects proposed for
13 funding and which projects have been completed each fiscal year; and

14 WHEREAS, The City and County of San Francisco must adopt by resolution a list of
15 projects proposed to receive fiscal year funding from the Road Maintenance and
16 Rehabilitation Account (herein referred to as RMRA), created by SB 1, which must include a
17 description and the location of each proposed project, a proposed schedule for the project's
18 completion, and the estimated useful life of the improvement; and

19 WHEREAS, The California Transportation Commission has requested to receive San
20 Francisco's Board approved RMRA funded project list for Fiscal Year 2021-2022 by July 1,
21 2021; and

22 WHEREAS, The City and County of San Francisco will receive an estimated \$26.4
23 million in RMRA funding in Fiscal Year 2021-2022 from SB 1; and

24 WHEREAS, This is the fifth year in which the City and County of San Francisco is
25 receiving SB 1 funding and will enable the City and County of San Francisco to continue

1 essential road maintenance and rehabilitation projects that would not have otherwise been
2 possible without SB 1; and

3 WHEREAS, The City and County of San Francisco used a Pavement Management
4 System to develop the SB 1 project list to ensure revenues are being used on the highest
5 priority and cost-effective projects that also meet community priorities for transportation
6 investment; and

7 WHEREAS, Project selection criteria include public inquiries, Pavement Condition
8 Index scores, multi-modal routes, project readiness, geographic equity, and funding
9 availability; and

10 WHEREAS, The 2018 California Statewide Local Streets and Roads Needs
11 Assessment found that the City and County of San Francisco streets and roads are in a good
12 condition and this revenue will help us increase the overall quality of our road system and
13 over the next decade will maintain our streets and roads in good condition; and

14 WHEREAS, Fiscal Year 2021-2022 funding from SB 1 will help the City and County of
15 San Francisco maintain and rehabilitate 319 blocks throughout San Francisco; and

16 WHEREAS, SB 1 RMRA is one funding source among multiple within the San
17 Francisco Public Works Street Resurfacing Program (herein referred to as Street
18 Resurfacing); and

19 WHEREAS, If non-RMRA funding continues at levels established by the 2011 Road
20 Repaving and Street Safety General Obligation Bond, Street Resurfacing will be able to
21 resurface, repair, and rehabilitate approximately 500 additional blocks each year; and

22 WHEREAS, All Street Resurfacing project candidates are subject to substitution and
23 schedule changes pending available funding, visual confirmation, utility clearances with other
24 agencies and are not guaranteed to be moved forward to construction; and

1 WHEREAS, Unforeseen challenges such as increased work scope, changing priorities,
2 cost increases, or declining revenue may arise causing Street Resurfacing to postpone or
3 drop candidates from consideration; and

4 WHEREAS, Without revenue from SB 1, the City and County of San Francisco would
5 have to reduce its annual pavement workload, causing the quality of San Francisco's road
6 network to deteriorate and the City's average Pavement Index Condition score to drop; and

7 WHEREAS, Maintaining and preserving the local street and road system will reduce
8 drive times and traffic congestion, improve bicycle safety, and make the pedestrian
9 experience safer and more appealing, which leads to a reduction in vehicle emissions, helping
10 California achieve its air quality and greenhouse gas emissions reduction goals; and

11 WHEREAS, Restoring roads before they fail is more cost effective and reduces
12 construction time, as well as reduces air pollution from heavy equipment and water pollution
13 from site run-off; and

14 WHEREAS, The SB 1 project list and overall investment in our local streets and roads
15 infrastructure, with a focus on basic maintenance and safety, investing in complete streets
16 infrastructure, and using cutting edge technology, materials, and practices, will have
17 significant positive co-benefits statewide; now, therefore, be it

18 RESOLVED, That the foregoing recitals are true and correct; and, be it

19 FURTHER RESOLVED, The following list of planned projects will be funded in-part or
20 solely with Fiscal Year 2021-22 RMRA revenue:

- 21 1. Various Locations Pavement Renovation No 57
- 22 2. Various Locations Pavement Renovation No 58
- 23 3. Various Locations Pavement Renovation No 59
- 24 4. Various Locations Pavement Renovation No 60

Projected Fiscal Year 21-22 Funding Street Resurfacing Candidates

Legend

- FY 21-22 RMRA Funding
- FY 21-22 Candidates by Other Funding Sources
- FY 22-23 and Onward Candidates

NOTES:

- Candidates to be completed by City Forces and Pavement Preservation Projects are not displayed. As of FY 15/16, approximately 300 blocks are completed annually at various locations throughout the City by City Forces and Pavement Preservation Projects.
- All Public Works Street Resurfacing Program candidates are subject to substitution and schedule changes pending available funding, visual confirmation, utility clearances and coordination with other agencies and are NOT guaranteed to be moved forward to construction. Unforeseen challenges such as increased work scope, changing priorities, cost increases or declining revenue may arise causing the Public Works Street Resurfacing Program candidates to be postponed or dropped from consideration.

TO: Angela Calvillo
Clerk of the Board of Supervisors

FROM: Supervisor Myrna Melgar, Chair, Land Use and Transportation Committee *mm*

RE: Land Use and Transportation Committee
COMMITTEE REPORTS

Pursuant to Board Rule 4.20, as Chair of the Land Use and Transportation Committee, I have deemed the following matters are of urgent nature and request them to be considered by the full Board on Tuesday, June 22, 2021, as Committee Reports:

File No. 210527 Approve Project List - California Senate Bill 1 Local Streets and Road Program - Road Maintenance and Rehabilitation Account Funds

Resolution approving the list of projects to be funded by Fiscal Year 2021-2022 Road Maintenance and Rehabilitation Account funds as established by California Senate Bill 1, the Road Repair and Accountability Act of 2017. (Public Works)

File No. 210284 Administrative, Public Works, and Transportation Codes – Shared Spaces Sponsors: Mayor; Mandelman, Safai, Stefani, Haney and Peskin

Ordinance amending the Administrative Code to rename and modify the Places for People Program as the Shared Spaces Program, and to clarify the roles and responsibilities of various departments regarding activation and use of City property and the public right-of-way, streamline the application process, specify minimum programmatic requirements such as public access, setting permit and license fees, and provide for the conversion of existing Parklet and Shared Spaces permittees to the new program requirements; amending the Public Works Code to create a Curbside Shared Spaces permit fee, provide for public notice and comment on permit applications, provide for hearings for occupancy of longer-term street closures, and supplement enforcement actions by Public Works; amending the Transportation Code to authorize the Interdepartmental Staff Committee on Traffic and Transportation (ISCOTT) to issue permits for the temporary occupancy of the Traffic Lane for purposes of issuing permits for Roadway Shared Spaces as part of the Shared Spaces Program, subject to delegation of authority by the Municipal Transportation Agency Board of Directors to temporarily close the Traffic Lane, and adding the Planning Department as a member of ISCOTT; amending the Transportation Code to prohibit parking in a zone on any street, alley, or portion of a street or alley, that is subject to a posted parking prohibition except for the purpose of loading or unloading passengers or freight; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and affirming the Planning Department's determination under the California Environmental Quality Act. (Economic Impact)

File No. 210601

Administrative Code - COVID-19 Tenant Protections

Ordinance amending the Administrative Code to prohibit landlords from evicting residential tenants for non-payment of rent that came due between July 1, 2021, and December 31, 2021, that was not paid due to the COVID-19 pandemic, provided the tenant has paid at least 25 percent of the rent owed; to prohibit landlords from imposing late fees, penalties, or similar charges on such tenants; and making findings as required by the California Tenant Protection Act of 2019.

These matters will be heard in the Land Use and Transportation Committee at a Special Meeting on Friday, June 18, 2021, at 10:00am.

Certified copy required: Yes ☐

No ☒

Senate Bill 1 Road Maintenance and Rehabilitation Account

In April 2017, Governor of California Jerry Brown signed Senate Bill 1, the Road Repair and Accountability Act of 2017 (SB1), which through tax and fee increases, will raise over \$5 billion annually in new transportation revenues for the State of California.

\$1.5 billion of the total annual SB1 revenue is earmarked for local streets and roads maintenance and rehabilitation in the Road Maintenance and Rehabilitation Account (RMRA). California's counties and cities receive an annual share from RMRA.

On January 20, 2021, California State Association of Counties (CSAC) released San Francisco's Fiscal Year 2021-22 county and city share. San Francisco is estimated to receive \$26.4 million in Fiscal Year 2021-22. Prior to receiving an apportionment of Road Maintenance and Rehabilitation Account (RMRA) funds from the California State Controller, San Francisco must identify and approve which projects will receive RMRA funds. San Francisco Public Works' Street Resurfacing program has identified six (6) projects to receive RMRA funding next fiscal year:

1. Various Locations Pavement Renovation No 57
2. Various Locations Pavement Renovation No 58
3. Various Locations Pavement Renovation No 59
4. Various Locations Pavement Renovation No 60
5. Various Locations Pavement Renovation No 61
6. FY21-22 Citywide Pavement Preservation
