Dear Honorable Supervisors,

As a resident of San Francisco since 1979, and longtime member of the Dewey Circle Renovation Committee and its previous iteration, I am requesting that you approve Item 85. We have worked so hard to make this project happen and are thankful that we were able to manage all the hoops we had to jump through. Please make it easier going forward for neighbors to take pride and stewardship of their neighborhoods by beautifying needed areas. It's a win/win situation for all involved. It is vital that you pave the way for more of these beautification projects by having a clear, standard procedure to follow. This is a wonderful way to showcase your district with civic pride.

Thank you,
Sincerely,

Amy Mack
