San Francisco, CA 94110

Dear Jennifer:

Please let this letter serve as confirmation that the San Francisco General Hospital Foundation is gifting the perpetual software licenses with Carl Zeiss Meditec, Inc. referenced in the attached document to the City and County of San Francisco for use by the San Francisco Department of Public Health.

With this letter, I am confirming that the gift of these licenses is an outright gift, with no terms or stipulations regarding ownership. There are no restrictions on the use of the asset nor any income generated, if any. The fair value of this asset is \$59,949, based on the attached documentation.

The original gift date for this equipment was July 8, 2016. The source of these funds is as follows: \$12,688 as a direct gift from our Foundation to the project; \$47,261 from the Friends of the Congressional Glaucoma Caucus Foundation.

Sincerely,

Gerry Chow
Chief Financial Officer
