Good afternoon. Thank you. The continued date of October 26 is fine with the appellant and we waive the timeline provisions.

Thank you Natalie.

Pursuant to [Administrative Code, Section 31.16 \(b\)\(7\)](#), the Board must hear the appeal within 30 days of the date scheduled for the hearing and such decision may be postponed but shall not be more than 90 days from the appeal filing. If the appeal is to be continued past the 30 day deadline, we would ask the parties to waive the timeline provisions.

As requested we are including the project sponsors Tyler Kepler and Lou Vasquez in this email thread. The Board President's office is reaching out to the appellant and project sponsors to see if we can reschedule the Special Order for the CEQA Final Environmental Impact Report Appeal on 469 Stevenson Street (File Nos. 210919-210922) from Tuesday, October 5 to Tuesday, October 26. Kindly let us know if this hearing date works for all.

Subject: Rescheduling File No. 210919-210922 CEQA/EIR Appeal for 469 Stevenson Street to 10/26

Hi Mr. Elberling and Ms. Brandt-Hawley,

I'm reaching out on behalf of Board President Walton to see if we can reschedule the Special Order for the CEQA Final Environmental Impact Report Appeal on 469 Stevenson Street (File Nos. 210919-210922) from Tuesday, October 5 to Tuesday, October 26. We currently have a very impacted agenda for the October 5 meeting with a Committee of the Whole (2 hours +/-) and 4 CEQA Appeals (45-90 minutes each) scheduled for October 5. I'm requesting the three CEQA appeals that were filed after August 20 to postpone to a later date. Please let me know if October 26 or a different date works? The Board will not be meeting on October 12 due to Indigenous People's Day.

Looping in the BOS Legislation Team to see if we need to ask for additional permission to waive any deadlines and to assist with reaching out to the Project Sponsor.

Thank you,
Natalie
