18 years of age or older: Yes No

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

As a fifth generation biracial Chinese & Irish American, born and raised in San Francisco, my Chinese family and I have experienced the injustices towards Chinese Americans since the late 1800s. From the Chinese Exclusion Act, being barred from living outside of Chinatown, and the recent discrimination stemming from Chinese Americans being blamed for the COVID-19 pandemic, my family and I have lived through various forms of anti-Chinese and anti-Asian sentiments locally. Because of this, I am passionate about advocating for the rights and justice for my community, as well as working to change the very institutionalized systems that create the injustice and inequity that affects all our communities.

Business and/or professional experience:

I am currently a Union Organizer for United Food and Commercial Workers (UFCW) Local 5. I build relationships with essential workers throughout the Bay Area and help them access the tools to organize, have a stronger voice in the workplace, and advocate for a living wage, healthcare, and good working conditions. I worked closely with Supervisor Walton’s office to implement the emergency hazard pay ordinance for essential grocery workers. I currently organize and represent cannabis workers in San Francisco and throughout the Bay Area. I am an active member of the San Francisco Labor Council.

Civic Activities:

Prior to union organizing, I worked on and won several progressive electoral campaigns in San Francisco. I attended San Francisco public schools for my entire life including attending City College of San Francisco before transferring to UC Santa Cruz where I received my B.A. in Politics. I also spent time in Washington D.C. working for the Center for American Progress and the Chinese American Citizens Alliance before returning to San Francisco to pursue my Masters in Public Administration at USF. I have interned for former Supervisor David Campos and Supervisor Hillary Ronen. I was the former Secretary for the San Francisco Young Democrats and currently an appointed delegate to the California Democratic Party representing AD19.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No
