RESOLUTION NO.

1	[Authorizing Preparation of an Amended Infrastructure Financing Plan for City and County of
2	San Francisco Infrastructure and Revitalization Financing District No.1 (Treasure Island)]
3	Resolution authorizing and directing the Director of the Office of Public Finance, or
4	designee thereof, to prepare an amended infrastructure financing plan for the City and
5	County of San Francisco Infrastructure and Revitalization Financing District No. 1
6	(Treasure Island) and project areas therein, and determining other matters in
7	connection therewith, as defined herein.
8	
9	WHEREAS, Naval Station Treasure Island ("NSTI") is a former United States Navy
10	base located in the City and County of San Francisco (the "City") that consists of two islands
11	connected by a causeway: (1) Treasure Island, and (2) an approximately 90-acre portion of
12	Yerba Buena Island; and
13	WHEREAS, Under the Treasure Island Conversion Act of 1997, which amended
14	California Health and Safety Code, Section 33492.5, and added Section 2.1 to Chapter 1333
15	of the Statutes of 1968, the California Legislature: (i) designated the Treasure Island
16	Development Authority, a California non-profit public benefit corporation ("TIDA") as a
17	redevelopment agency under California redevelopment law with authority over NSTI upon
18	approval of the City's Board of Supervisors, and (ii) with respect to those portions of NSTI
19	which are subject to Tidelands Trust, vested in TIDA the authority to administer the public
20	trust for commerce, navigation and fisheries as to such property; and
21	WHEREAS, The Board of Supervisors approved the designation of TIDA as a
22	redevelopment agency for NSTI in 1997; and
23	WHEREAS, On January 24, 2012, the Board of Supervisors rescinded designation of
24	TIDA as the redevelopment agency for Treasure Island under California Community

Redevelopment Law in Resolution No. 11-12; and such rescission does not affect TIDA's

status as the Local Reuse Authority for NSTI or the Tidelands Trust trustee for the portions of
NSTI subject to the Tidelands Trust, or any of the other powers or authority; and

WHEREAS, The United States of America, acting by and through the Department of the Navy ("Navy"), and TIDA entered into an Economic Conveyance Memorandum of Agreement (as amended and supplemented from time to time, the "Conveyance Agreement") that governs the terms and conditions for the transfer of NSTI from the Navy to TIDA; and under the Conveyance Agreement, the Navy has and will convey NSTI to TIDA in phases after the Navy has completed environmental remediation and issued a Finding of Suitability to Transfer (as defined in the Conveyance Agreement) for specified parcels of NSTI or portions thereof; and,

WHEREAS, Treasure Island Community Development, LLC ("Developer") and TIDA have previously entered into a Disposition and Development Agreement (Treasure Island/Yerba Buena Island) dated June 28, 2011 (the "DDA"), including a Financing Plan (Treasure Island/Yerba Buena Island) (the "Financing Plan"), which governs the disposition and development of a portion of NSTI (the "Project Site") after the Navy's transfer of NSTI to TIDA in accordance with the Conveyance Agreement; and

WHEREAS, The DDA contemplates a project (the "Project") under which TIDA acquires the Project Site from the Navy and conveys portions of the Project Site to Developer for the purposes of: (i) alleviating blight in the Project Site through development of certain improvements, (ii) geotechnically stabilizing the Project Site, (iii) constructing public infrastructure to support the Project and other proposed uses on NSTI, (iv) constructing and improving certain public parks and open spaces, (v) remediating certain existing hazardous substances, and (vi) selling and ground leasing lots to vertical developers who will construct residential units and commercial and public facilities; and

WHEREAS, On April 21, 2011, the Planning Commission, by Motion No. 18325 and
the Board of Directors of TIDA, by Resolution No. 11-14-04/21, as co-lead agencies, certified
the completion of the Final Environmental Impact Report for the Project, and unanimously
approved a series of entitlement and transaction documents relating to the Project, including
certain environmental findings under the California Environmental Quality Act ("CEQA"), a
mitigation and monitoring and reporting program (the "MMRP"), and the DDA and other
transaction documents; and

WHEREAS, On June 7, 2011, in Motion No. M11-0092, the Board of Supervisors unanimously affirmed certification of the Final Environmental Impact Report, on that same date, the Board of Supervisors, in Resolution No. 246-11, adopted CEQA findings and the MMRP, and made certain environmental findings under CEQA (collectively, the "FEIR"). Also on that date, the Board of Supervisors, in Ordinance No. 95-11, approved the DDA and other transaction documents, including the Transportation Plan and Infrastructure Plan; and

WHEREAS, TIDA and the Developer had been working diligently since then to implement the Project consistent with the DDA, the MMRP and other documents; and,

WHEREAS, No additional environmental review was required because there were no substantial changes to the project analyzed in the FEIR, no change in circumstances under which the project was being undertaken, and no new information of substantial importance indicating that new significant impacts would occur, that the impacts identified in the FEIR as significant impacts would be substantially more severe, or that mitigation or alternatives previously found infeasible were now feasible; and

WHEREAS, Developer and the City previously entered into a Development Agreement related to the Project Site to eliminate uncertainty in the City's land use planning for the Project Site and secure orderly development of the Project consistent with the DDA and other ///

applicable requirements, and the Financing Plan was also an exhibit to the Development
Agreement; and

WHEREAS, The Financing Plan identified certain financial goals for the Project and the contractual framework for cooperation between TIDA, the City, and Developer in achieving those goals and implementing the Project; and,

WHEREAS, The Financing Plan, among other things, obligates TIDA and the City to take all actions reasonably necessary for, and obligates Developer to cooperate reasonably with the efforts of, (i) the City to form requested community facilities districts (each, a "CFD"; together, the "CFDs") and take related actions under the Mello-Roos Community Facilities Act of 1982 (the "Mello-Roos Act") to pay for Qualified Project Costs, Ongoing Park Maintenance and Additional Community Facilities (as those terms are defined in the Financing Plan), (ii) the City to form requested infrastructure financing districts and take related actions under applicable provisions of the Government Code of the State of California to pay for Qualified Project Costs and (iii) the City to issue bonds and other debt for the CFDs and the infrastructure financing districts and other public financing instruments described in the Financing Plan (defined in the Financing Plan as "Public Financing"); and

WHEREAS, Under Chapter 2.6 of Part 1 of Division 2 of Title 5 of the California Government Code, commencing with Section 53369 (the "IRFD Law"), this Board of Supervisors is authorized to establish an infrastructure and revitalization financing district and to act as the legislative body for an infrastructure and revitalization financing district; and,

WHEREAS, Pursuant to IRFD Law Section 53369.5, an infrastructure and revitalization financing district may be divided into project areas; and,

WHEREAS, Pursuant to the Financing Plan and the IRFD Law, the Board of Supervisors adopted Ordinance No. 21-17 on January 31, 2017, which the Mayor signed on February 9, 2017 ("IRFD Formation Ordinance"), pursuant to which the Board of Supervisors

1	declared City and County of San Francisco infrastructure and Revitalization Financing District

13	(v) Project Area E of the City and County of San Francisco Infrastructure and
14	Revitalization Financing District No. 1 (Treasure Island) ("Project Area E"); and,
15	WHEREAS, Pursuant to the IRFD Formation Ordinance, the Board of Supervisors also
16	approved an Infrastructure Financing Plan for the IRFD ("IFP"); and,
17	WHEREAS, The IRFD Law provides that the legislative body of an infrastructure and

#### CITY AND COUNTY OF SAN FRANCISCO

Anna Van Degna Director of Public Finance

#### MEMORANDUM

TO: Honorable Members, Board of Supervisors, as legislative body of

City and County of San Francisco Infrastructure and Revitalization

Financing District No. 1 (Treasure Island) (the "Treasure Island IRFD" or the "IRFD")

FROM: Anna Van Degna, Director of the Controller's Office of Public Finance

Luke Brewer, Controller's Office of Public Finance

Bob Beck, Director of the Treasure Island Development Authority

DATE: Tuesday, September 14, 2021

SUBJECT: Resolution of Intention to Add Territory to and Amend the Infrastructure Financing

Plan for the Treasure Island IRFD; and

Resolution Authorizing and directing the Director of the Office of Public Finance to

Prepare an Amended Infrastructure Financing Plan for the Treasure Island IRFD

#### **Recommended Actions**

We respectfully request that the Board of Supervisors ("Board"), in its capacity as the legislative body of the Treasure Island IRFD, consider for review and approval the resolutions which initiate the process required for amending the Infrastructure Financing Plan ("IFP") for the IRFD. The proposed amendments to the IFP are deemed necessary in order for the City to administer the IRFD in accordance with applicable provisions of the Government Code of the State of California (the "IRFD Law").

#### **Background**

Since 1997, the City and the Treasure Island Development Authority ("TIDA") have worked together on the Treasure Island/Yerba Buena Island Development Project ("Project") in order to redevelop the former Treasure Island Naval Station ("NSTI") in connection with the conveyance of the Navy-owned lands to TIDA. In early 2003, TIDA and the Treasure Island Community Development, LLC<sup>1</sup> ("TICD" or the "Developer") entered into an Exclusive Negotiating Agreement and began work on a Development Plan.

In 2011, TICD and TIDA entered into the Disposition and Development Agreement ("DDA") and TICD and the City entered into the Development Agreement ("DA") to deliver the Project. The Financing Plan attached to the DDA and DA contemplates reimbursement to the Developer for costs incurred to construct public infrastructure through the issuance of special tax bonds issued for one or more community facilities districts ("CFDs") under the Mello-Roos Community Facilities Act of 1982 ("Mello-Roos Act") and tax increment bonds issued by the Treasure Island IRFD.

<sup>1.</sup> The existing members of TICD are (1) Treasure Island Holdings, LLC, a joint venture comprised of a subsidiary of Lennar Corporation and a non-managing third-party investor member, (2) TICD Hold Co., LLC, an indirect subsidiary of Lennar, (3) KSWM Treasure Island, LLC, a joint venture comprised of affiliates of Stockbridge Capital Group, LLC, Kenwood Investments, and Wilson Meany, LP, and (4) Stockbridge TI Co-Investors, LLC, an affiliate of Stockbridge.

Under the Mello-Roos Act, the Board of Supervisors has the authority to levy special taxes on taxable property in a CFD. Under the IRFD Law, the Board of Supervisors allocates a portion of the general 1% ad valorem tax revenues to the IRFD; no new taxes are levied in connection with the IRFD.

The development plan for the Project anticipates a new San Francisco neighborhood consisting of up to 8,000 new residential housing units, as well as new commercial and retail space, a hotel, and 290 acres of parks and public open space, including shoreline access and cultural uses. Transportation amenities being built for the project will enhance mobility on Yerba Buena Island and Treasure Island as well as link the islands to mainland San Francisco. Some amenities include a combined police/fire emergency services building; utility improvements including new water, sewer, storm, gas, electrical and communications infrastructure with new water storage reservoirs and a wastewater treatment plant; new and upgraded streets, public byways, bicycle, transit, and pedestrian facilities; and a new ferry terminal.

#### The Treasure Island IRFD

On January 31, 2017, following a public hearing and landowner vote, the Board adopted Ordinance No. 21-17 forming the Treasure Island IRFD and adopting the Infrastructure Financing Plan (the "Adopted IFP"). The IRFD consists of five (5) Project Areas on Yerba Buena Island (Project Area A) and Treasure Island (Project Areas B, C, D and E) which represent the initial phases of development of the Project.

Under the terms set forth in the Financing Plan, the City has committed a portion of the incremental property tax revenues derived in the project areas to the IRFD for the reimbursement of eligible project costs consistent with the terms and limitations of IRFD Law. The City receives 64.59% of the 1% Ad Valorem property tax; the remaining 35.41% of property tax revenues are directed to the State, education, and other special districts.

In the Financing Plan the City has committed 56.69% of the Tax Increment to the financing of the Project with 82.5% of those committed revenues being available to TICD for the reimbursement of eligible project expenses ("Facilities") and 17.5% of the revenues being reserved for the use of TIDA and the City in financing affordable housing ("Housing"). The remaining 8% of City tax increment is not dedicated to the Public Financing but is subordinated to the debt service of bonds issued by the IRFD should insufficient increment be generated to meet the debt service obligation.

The IFP established the initial Project Areas (A, B, C, D and E) including (i) legal boundaries; (ii) the fiscal year to be used as the base year for calculating incremental assessed value and tax increment available to the Project; (iii) the trigger amount of tax increment to be collected by the City in order to commence

the distribution of the tax increment to the IRFD from a given Project Area in the following fiscal year (the "Commencement Year") and determine the final year of tax increment allocation to the Project, which is 40 years (or such longer period if allowed by the IRFD Law and approved by the Board) following the Commencement Year.

As of Fiscal Year 2021-22 only Project Area A, which consists of the development parcels on Yerba Buena Island, has begun distributing tax increment to the IRFD to finance public infrastructure and affordable housing for the Project, as shown in the adjacent table.

# Project Area A Tax Increment Distributions to the IRFD 82.50% 17.50% Fiscal Year Facilities Housing Total 2019-20 \$327,218 \$69,410 \$396,628 2020-21 \$476,589 \$101,095 \$577,684 Total \$803,807 \$170,505 \$974,312

Tax Increment Projections			
2021-22	\$620,477	\$131,616	\$752,094

Project Area A reached its trigger amount in FY 2018-19 and therefore its Commencement Year was FY 2019-20

Based on FY 2021-22 Assessed Values Project Area B will generate its trigger amount this year, and its Commencement Year will be FY 2022-23. See **Exhibit A** for additional details on the history of incremental assessed valuation and tax increment by Project Area since formation.

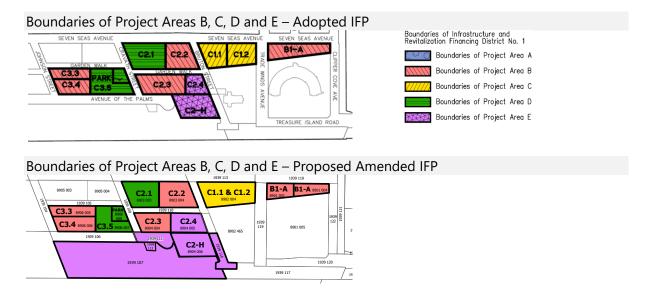

#### The Amendments to the IFP

The Controller's Office of Public Finance ("OPF") in coordination with TIDA and with assistance from the Assessor's Office has been administering the IRFD since its formation in 2017. OPF has determined that certain amendments to the boundaries of the IRFD and the Project Areas and to the IFP are needed for OPF to continue administering the IRFD in accordance with IRFD Law and the Financing Plan. As described below, all of these amendments will be approved by the qualified electors in the IRFD.

#### 1. Changes in Project Area Boundaries

This proposed amendment would revise the Project Area Boundaries to reflect their actual Assessor Parcels based on adjustments to the original development parcels which have occurred as additional tentative and final maps have been recorded since formation. These were relatively standard modifications for early stage development but have resulted in the shifting of property between certain Project Areas. In order to accurately calculate the tax increment commencements and distributions by Project Area, the legally defined boundaries of certain Project Areas need to be redefined in order to align Project Areas with actual Assessor parcels. These will ultimately be provided to the State Board of Equalization ("BOE") to create new Tax Rate Areas ("TRAs") for clear tracking of the tax increment over the 40 years that a given Project Area will exist.

In addition, the proposed amendment revising the Project Area Boundaries would add property into Project Area E, in order to preemptively capture a pending map recordation which would change the location of Development Parcel C2-H to adjust for easements. The property proposed to be added is owned by TIDA and would not otherwise be developed or included in a future Project Area. By adding these properties now, it prevents further amendments to the IFP and the need for a special election to do so in the future.

#### 2. Allowances for Future Amendments to the IFP Regarding Project Area Boundaries

Given the nature of long-term master planned developments such as the Project, this proposed amendment would allow the Board of Supervisors to approve future amendments to the IRFD and Project Area boundaries without further approval from the qualified electors in the IRFD as long as an independent fiscal consultant determines that the change will not adversely impact debt service coverage on outstanding IRFD bonds. The purpose of this amendment is to provide OPF and TIDA with an administratively simpler process for amending Project Area boundaries to reflect the recordation of final subdivision maps by the Developer on Treasure Island or Yerba Buena Island. With this amendment, the Board of Supervisors would be able to protect IRFD bondowners by ensuring that Project Area boundaries would align with the assessor parcels and that the BOE would be able to assign tax rate areas according to California law.

#### 3. Restatement of the Distribution of 1% Property Tax Rate Among Tax Agencies

This proposed amendment would incorporate the San Francisco County Office of Education's tax rate factor into the table, which had been blended into the General Fund tax rate historically and excluded from the following table of the Adopted IFP and would extend the decimal places out to more accurately reflect the distribution. It is likely that the City and the Developer will amend the Financing Plan to reflect this change.

#### DISTRIBUTION OF 1% PROPERTY TAX RATE IN CITY AND COUNTY OF SAN FRANCISCO

Total Other Taxing Agencies		9.98%	10.081681%
Total		100.00%	100.000000%

#### 4. Elimination of Election Requirements

This proposed amendment would eliminate any requirement for elections set forth in the IFP if the California Legislature amends the IRFD Law to eliminate the requirement for elections. This change would protect bondowners.

#### **Additional Information & Anticipated Legislative Timeline**

The Resolution of Intention to Amend the IFP of the Treasure Island IRFD is the first step in the process to amend the IFP and will describe the intention of the Board of Supervisors, in its capacity as legislative body of the Treasure Island IRFD, to amend the IFP, including the proposed amended boundaries of the Project Areas.

The Resolution Authorizing Director of OPF to Prepare the Amended IFP is the second step in the process to amend the IFP, and the work is underway to prepare the Amended IFP.

The final Amended IFP must be approved by resolution of the Board of Supervisors, in its capacity as legislative body of the City, prior to the public hearing and special election, and will ultimately be adopted by ordinance following the special election.

Both Resolutions are expected to be introduced at the Board of Supervisors meeting on Tuesday, September 14, 2021. Additionally, there will be further related legislation and actions of the City, as laid out in the timeline below.
