Hello,

Thank you to the Budget & Finance Committee members for hearing these agenda items (3&4) today.

The Gubbio Project supports the acquisitions of the Eula & Mission Inn. We know that housing solves homelessness and that there is no medicine as powerful as housing.

We encourage the City and HSH and the Board of Supervisors to continue to acquire units and buildings throughout the City to support the needs of our unhoused community with access to housing.

In Community, Calder
