**LEASE AGREEMENT  
FOR THE  
HARVEY MILK TERMINAL 1 RETAIL CONCESSION LEASE NO. 12 - BOOKSTORE  
AT SAN FRANCISCO INTERNATIONAL AIRPORT**

THIS LEASE AGREEMENT (this “**Lease**”), dated as of the Effective Date, is entered into by and between Tenant, and the City and County of San Francisco, a municipal corporation, acting by and through its Airport Commission (“**City**”). This Lease is made with reference to the following facts:

A. City owns the San Francisco International Airport (the “**Airport**”) located in the County of San Mateo, State of California, which Airport is operated by and through the Airport Commission (the “**Commission**”), the chief executive officer of which is the Airport Director (“**Director**”). The Airport’s “Terminal Building Complex” is currently comprised of Terminal 1, Terminal 2, Terminal 3, and an International Terminal, together with connecting concourses, piers, boarding areas and extensions thereof, and satellite buildings now or hereafter constructed. Tenant acknowledges that, from time to time, the Airport undergoes certain construction and renovation projects. Unless otherwise specified, the term “Airport” or “Terminal Building Complex” as used herein shall mean the Airport or the Terminal Building Complex, respectively, as the same may be expanded, contracted, improved, modified, renovated, or changed in any way. Unless otherwise specified below, references to the “City” shall mean the City, acting by and through its Airport Commission.

B. Tenant desires to provide and operate the service described in the Permitted Use at the Airport, and City has determined that such service would be an accommodation and convenience for airline passengers and the public using the Terminal Building Complex or the Airport.

C. Following a competitive process, pursuant to Section 2A.173 of the San Francisco Administrative Code, the Commission has determined that Tenant is the highest or best responsible bidder or proposer. Pursuant to the Resolution, Commission has awarded this Lease to Tenant. This Lease is subject to the final approval of the San Francisco Board of Supervisors under Charter Section 9.118.

Accordingly, Tenant and City agree as follows:

**1. PREMISES**

1.1 Extent of Leasehold. On the terms, conditions, and covenants in this Lease, City hereby leases to Tenant and Tenant hereby leases from City, the Premises. In addition, Tenant shall possess the non-exclusive right of ingress and egress to and from the Premises as may be necessary on areas designated by Director, subject to Airport Rules and Regulations, as amended from time to time (as amended, the “**Airport Rules**”), provided that Tenant’s exercise of such right shall not impede or interfere unduly with the operation of the Airport by City, its tenants, customers, and other authorized occupants. Tenant shall not place or install any racks, stands or other display of merchandise or trade fixtures in any Airport property outside the Premises, without the express prior consent of Director. In no event will Tenant engage in any activity on the Airport outside the Premises for the recruitment or solicitation of business. For purposes of this Lease relating to Tenant’s responsibilities, the “**Premises**” shall mean the area(s) shown on Exhibit A, where (a) the exact boundaries are deemed to be three inches (3”) inside each wall separating the Premises from the adjacent premises or the external Terminal wall, and (b) with respect to the facade and/or wall on the front of the Premises, separating the Premises from

architect certifying that the expansion/contraction work was completed in strict compliance with the plans and specifications approved by City, (ii) copies of paid invoices showing the costs actually paid by Tenant for the remodeling and Tenant's out-of-pocket moving costs, and (iii) lien releases from all contractors, subcontractors, and material suppliers entitled to payment in connection with the expansion/contraction work. Following its review and approval of those submissions, City will reimburse Tenant for all reasonable costs of the expansion/contraction work; provided that in no event will City be required to reimburse Tenant for more than the Maximum Reimbursement Amount and further provided that City may, in City's sole discretion, make such reimbursement by issuing Tenant a rent credit. In no event will City be obligated to pay or reimburse Tenant for any other costs or expenses, including business interruption costs.

(d) With respect to a Required Relocation, the Minimum Annual Guarantee shall be increased, or decreased, as the case may be, pro rata, to reflect the increase or decrease, as the case may be, in the size of the replacement premises compared to the original premises.

(e) With respect to a Premises Change where the aggregate square footage of the original premises will be expanded or contracted by more than ten percent (10%), the Minimum Annual Guarantee shall be increased, or decreased, as the case may be, pro rata to reflect the increase or decrease, as the case may be, in the size of the expanded or contracted premises compared to the original premises.

(f) Any Required Relocation or Premises Change described herein can be effected on the terms and conditions set forth above without need for a formal amendment of this Lease.

(g) Notwithstanding anything to the contrary herein, City shall not require a Required Relocation or a Premises Change unless City shall have considered other reasonable alternatives and rejected them.

1.3 Remeasurement of Premises. At any time and from time to time, Director may cause City to conduct a space audit pursuant to which City remeasures the Premises using the Airport's then-current measurement specifications, and in such event, the Lease terms based on square footage shall be deemed automatically adjusted to reflect such remeasurement. Only if such remeasurement results in a change in the total square footage of the Premises of more than ten percent (10%) will the Minimum Annual Guarantee be adjusted to reflect such remeasurement.

1.4 Changes to Airport. Tenant acknowledges and agrees that City shall have the right at all times to change, alter, expand, and contract the Airport, including the Terminal Building Complex, and that City has made no representations, warranties, or covenants to Tenant regarding the design, construction, pedestrian traffic, enplanements, airline locations, or views of the Airport or the Premises. Without limiting the generality of the foregoing, Tenant acknowledges and agrees that the Airport is currently undergoing, and may from time to time hereafter undergo, renovation, construction, and other Airport modifications, and may from time to time adopt rules and regulations relating to security and other operational concerns that may affect Tenant's business. Although City will use reasonable efforts to minimize the effect of such changes on Tenant's business, Tenant acknowledges that such activity may have some effect on its operations located at the Airport. Such construction and renovation programs might involve barricading, materials storage, noise, the presence of workers and equipment, rearrangement, utility interruptions, and other inconveniences normally associated with construction and renovation. Although City will use reasonable efforts to minimize the effect of such changes on Tenant's business, Tenant acknowledges that such activity may have some effect on its operations located at the Airport, and Tenant shall not be entitled to any rent credit or other compensation therefor. At any time and from time to time, City may, without the consent of Tenant, and without affecting Tenant's

2.4 Delivery Delay by City. If for any reason (including, without limitation, the existing tenant's failure to vacate timely the Premises) City cannot deliver possession of the Premises to Tenant on the Commencement Date, this Lease shall remain in effect, City shall not be subject to any liability, and such failure shall not extend the Term hereof. In such event, and provided such delay is not caused by the act or omission of Tenant, or Tenant's principal, affiliate, contractor, employee, agent, licensee or invitee (a "**Tenant Entity**"), the Rent Commencement Date shall be extended day for day to reflect such delay. After the Rent Commencement Date has occurred, upon Director's request, Tenant will execute a written acknowledgment of the Commencement Date and the Rent Commencement Date. In the event Tenant fails to execute and return promptly such acknowledgment to City, the dates described therein shall be deemed conclusive.

2.5 City's Right to Extend Term. *Left blank by agreement of the parties*

2.6 Holding Over. If, without objection by City, Tenant holds possession of the Premises after the Expiration Date, Tenant shall become a tenant from month to month, upon the terms of this Lease except that, the MAG shall not be applicable, and Base Rent shall be the Percentage Rent specified in the Summary during any such holdover period. No such holdover shall be deemed to operate as a renewal or extension of the Term. Such month-to-month tenancy may be terminated by City or Tenant by giving thirty (30) days' notice of termination to the other at any time. Tenant shall have no rights to renew or extend the Term of this Lease.

2.7 Early Lease Termination.

Notwithstanding the Lease provisions herein, the Director, in his sole and absolute discretion, has the authority to terminate the Lease during the Operating Term if the use of the space is required in support of the Airport's Five-Year or Ten-Year Capital Plan, as published annually (the "**Early Lease Termination**"). In the event the Director exercises this Early Lease Termination, the Airport shall provide Tenant with six (6) months' written notice of the termination date of the Lease, upon which the Lease shall terminate and Tenant shall vacate the Premises in accordance with applicable Lease provisions contained herein.

Under this provision only, Tenant is entitled to a Lease buy-out and no other monetary payment under this Lease, at law or at equity. The buy-out is computed as the unamortized investment in "hard construction costs" as defined further in Lease Section 7.1 [Minimum Investment]. In the absence of "hard construction costs," the required Minimum Investment Amount will be used. The amortization is based on a straight-line method as applied to the Operating Term. An example of the buy-out computation is as follows: Tenant invests \$500,000 in hard construction costs and has a five year Operating Term, and one two-year Extension Option. During the Operating Term and with two lease years remaining of the Operating Term, the Director exercises the Early Lease Termination provision. Using the straight line method for amortization, the buy-out to Tenant shall be \$200,000 (\$500,000 divided by 5 years multiplied by two lease years remaining of the term).

### 3. **USE AND OPERATION**

3.1 Permitted Use. Tenant shall use the Premises for the Permitted Use and for no other purpose. Tenant shall, at all times, operate the Premises in strict conformance with the Permitted Use attached as Exhibit B herein. In the event Tenant desires to use the Premises for any purpose other than the Permitted Use (including selling an item or service outside the scope of the Permitted Use), Tenant must submit a request to Director. Director may, in his/her sole and absolute discretion approve or deny such request. Any such decision shall be binding on Tenant. Without limiting the generality of this

### 3.8 Other Operational Requirements.

(a) Tenant must keep the display cases and windows within the Premises presentable, clean, and suitably illuminated at all times.

(b) Tenant must dispose of all trash and debris in areas and in containers designated by Director. If City provides common trash areas, Tenant may request a permit to use the same for a charge determined by Director from time to time. Tenant may not place or leave or permit to be placed or left in or upon any part of the common areas or corridors adjacent to the Premises any garbage, debris or refuse.

(c) City shall have the right to implement a consolidated distribution center for delivery of merchandise to Tenant. If City elects to implement such a consolidated distribution center, Tenant must use the service and pay any associated fees.

(d) Tenant acknowledges that the operational requirements of the Airport as an airport facility, including without limitation security requirements, are of paramount importance. Tenant acknowledges and agrees that it must conduct its business in a manner that does not conflict with the operational requirements of the Airport as an airport facility and that fully accommodates those requirements. Without limiting other waivers herein, Tenant waives all claims for any Losses arising out of or connected to the operation of the Airport as an airport facility. Without limitation on the foregoing, Tenant must:

- (i) comply with the Airport Rules;
- (ii) cause all deliveries and dispatches of merchandise, supplies, fixtures, equipment and furniture to be made and conveyed to or from the Premises by means and during hours established by Director in Director's sole discretion. City has no responsibility regarding the delivery or dispatch of Tenant's merchandise, supplies, fixtures, equipment and furniture. Tenant may not at any time park its trucks or other delivery vehicles in common areas; and
- (iii) not park within the parking areas of the Airport except in those areas, if any, designated by City pursuant to permits obtained from the Airport's Permit Bureau. Nothing herein shall imply that Tenant shall be able to secure any on-Airport parking privileges.

3.9 Prohibited Activities. Without limiting any other provision herein, Tenant shall not, without the prior written consent of Director: (a) use or permit the use of the Premises for the conduct of an outlet store or a second-hand store; (b) advertise any distress, fire, bankruptcy, liquidation, relocation, closing, or going-out-of-business sales; (c) use or permit the use on the Premises of any pinball machines, videogames, or other devices or equipment for amusement or recreation, or any vending machines, newspaper racks, pay telephones, or other coin, token, or credit card-operated devices; (d) cause or permit anything to be done in or about the Premises, or bring or keep anything thereon, which might (i) increase in any way the rate of fire insurance on the Terminal Building Complex or any of its contents; (ii) create a nuisance; (iii) in any way obstruct or interfere with the rights of others in the Terminal Building Complex or injure or annoy them; (e) commit or suffer to be committed any waste upon the Premises; (f) use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose; (g) place any loads upon the floor, walls or ceiling which endanger the structure or obstruct the sidewalk, passageways, stairways or escalators, in front of, within, or adjacent to the Terminal Building Complex; (h) use any advertising or promotional medium that may be seen, heard, or otherwise experienced outside

regulations with respect thereto, Title 24 of the California Administrative Code, all Environmental Laws, the Airport Rules, the Tenant Improvement Guide (including any design criteria) as the same may be amended from time to time (the “**TI Guide**”), and the requirements referenced in Section 19 [City and Other Governmental Provisions] hereof.

#### 4. RENT

4.1 Definitions. For purposes of this Lease, the following capitalized terms shall have the following meanings:

(a) “**Gross Revenues**” means:

- (i) The retail price of all merchandise sold and services rendered in, on, about or from the Premises or from such other locations on the Airport where Tenant operates, whether through a subtenant, concessionaire, or by any other person or entity herein permitted, to include catering and internet sales, as permitted herein, and any other receipts, credits, rebates, allowance or revenues of any type arising out of or in connection with Tenant’s operations at the Premises, regardless of where or by whom any such merchandise is prepared, whether such sales be for cash or on credit, and in case of sales on credit, whether or not payment is actually made; provided, however, that in the event merchandise is returned by a customer and the sale is canceled, the selling price shall be excluded; plus,
- (ii) The full amount of all deposits forfeited by customers in connection with any business of Tenant in, on, about or from the Premises; plus,
- (iii) The full amount of all orders for goods or services accepted by Tenant in, on, about or from the Premises, whether or not to be filled or performed at any other place, and the full amount of all orders accepted by Tenant elsewhere, but to be filled or performed in, on, about or from the Premises or from such other locations on the Airport where Tenant operates. In determining Gross Revenues, retail sales taxes shall not be included; plus,
- (iv) The retail price of all merchandise orders placed on the Premises from Tenant’s catalog; plus,
- (v) Branding fees, marketing fees, merchandising fees, promotional allowances, retail display allowances (RDA) and any type of ancillary advertising or product placement fees/allowances arising out of or in connection with Tenant’s operations at the Premises.

The following shall not be included in Gross Revenues:

- (i) Any exchange of merchandise between facilities of Tenant where such exchange is made solely for the convenient operation of Tenant’s business and not for the purpose of consummating a sale made in, at or from the demised premises, or for the purpose of depriving City of the benefit of sales which would otherwise be made in or at the Premises;
- (ii) Returns to the shippers or manufacturers;

Acceptance of any service charge shall not constitute a waiver of Tenant's default on the overdue amount or prevent City from exercising any of the other rights and remedies available to City.

4.3 Adjustments to Minimum Annual Guarantee. On each MAG Adjustment Date, the Minimum Annual Guarantee will be adjusted such that the Minimum Annual Guarantee with respect to the upcoming Lease Year shall be increased to equal the following amount:

$$\text{MAG} \quad \times \quad \frac{\text{Comparison Index}}{\text{Base Index}}$$

Notwithstanding anything to the contrary herein, in no event will the Minimum Annual Guarantee for any Lease Year be lower than the Minimum Annual Guarantee with respect to the prior Lease Year.

4.4 Construction Period Operations. In the event Tenant desires to operate and conduct operations constituting the Permitted Use in a temporary facility prior to substantial completion of the Initial Improvements and the Rent Commencement Date, then prior to the Commencement Date, Tenant shall give notice thereof to Director requesting Director's approval of such interim operations. Such notice shall specify the nature of such operations, including the proposed area for such operations, the hours of such operations, and the inventory to be offered for sale. Director shall have the right to grant or deny such approval in Director's sole and absolute discretion. In the event Director grants approval of such interim operations, then such operations shall be on such terms and conditions required by Director, including: (a) Director may revoke Director's approval at any time, and following such revocation, Tenant must immediately cease such operations until the Rent Commencement Date; (b) Such interim operations may be conducted only in the area designated by Director; (c) Tenant's responsibilities and liabilities with respect to such designated area shall be the same responsibilities and liabilities that Tenant has with respect to the Premises, except that Tenant shall not be obligated to perform the Initial Improvements or any other Alterations on such designated area; (d) As Base Rent for the interim period, Tenant shall pay to City the Construction Period Percentage Rent identified in the Summary based on Gross Revenues achieved from such designated area during each month of such interim period. All such rent shall be due and payable on the twentieth (20th) day of the month following each month of operation, and otherwise as provided in Section 4 of the Lease. Tenant shall report all Gross Revenues achieved during such interim period and such Gross Revenues shall not be included as Gross Revenues for the purposes of calculation of Base Rent following the Rent Commencement Date; and (e) Tenant shall be solely responsible for making the designated area useable for Tenant's interim operations, and for protecting such area from construction and other activities in the Premises. At Director's request, Tenant shall restore such area to the condition existing prior to Tenant's use thereof.

4.5 Rent Prior to Rent Commencement Date. In the event Tenant completes its improvements and opens for business prior to the Rent Commencement Date, Base Rent will be greater of the Percentage Rent or a pro-rated MAG based on a thirty (30) day month. In the event this Lease covers more than one Facility, upon the Rent Commencement Date for the first and each successive Facility, Base Rent will be the greater of the Percentage Rent or a pro-rated MAG based on the percentage of each such Facility's square footage against the total square footage of the Premises. For example, if the aggregate square footage of the Premises equals 1,000 square feet, and the newly constructed Facility equals 500 square feet, the pro-rated MAG will be fifty percent (50%) of the total MAG, since 500 square feet is fifty percent of the aggregate square footage of 1,000 square feet. If the pro-rated MAG amount is less than the Percentage Rent however, then the Percentage Rent amount will supersede the pro-rated MAG.

credit, or otherwise. Tenant must require each subtenant, concessionaire, licensee, and assignee to maintain the same records. All such books and records shall be kept in accordance with "generally accepted accounting principles," consistently applied, showing in detail all business done or transacted in, on, about or from or pertaining to the Premises, and Tenant shall enter all receipts arising from such business in regular books of account, and all entries in any such records or books shall be made at or about the time the transactions respectively occur. The books and source documents to be kept by Tenant must include records of inventories and receipts of merchandise, daily receipts from all sales and other pertinent original sales records and records of any other transactions conducted in or from the Premises by all persons or entities conducting business in or from the Premises. Pertinent original sales records include: (i) cash register tapes, including tapes from temporary registers, (ii) serially pre-numbered sales slips, (iii) the original records of all mail and telephone orders at and to the Premises, (iv) settlement report sheets of transactions with subtenants, concessionaires, licensees and assignees, (v) original records indicating that merchandise returned by customers was purchased at the Premises by such customers, (vi) memorandum receipts or other records of merchandise taken out on approval, (vii) detailed original records or any exclusions or deductions from Gross Revenues, (viii) sales tax records, and (ix) all other sales records, if any, that would normally be examined by an independent accountant pursuant to generally accepted auditing standards in performing an audit of Gross Revenues. Tenant must keep the required books, source documents and records of Gross Revenues available for inspection by City and its agents and employees at the Premises or at another location within the continental United States at all times during regular business hours. In addition, Tenant shall maintain monthly and annual reports of Gross Revenues derived from its operation under this Lease, using a form and method as is directed by Director. Such forms and methods shall be employed by Tenant throughout the term of this Lease. Upon Director's written request, Tenant shall make available immediately to City and/or its auditors any and all books, records and accounts pertaining to its operations under this Lease. The intent and purpose of the provisions of this section are that Tenant shall keep and maintain records which will enable City and City's Controller to ascertain, determine and audit, if so desired by City, clearly and accurately, Gross Revenues achieved, and the adequacy of the form and method of Tenant's reporting thereof.

(b) Should any examination, inspection, and audit of Tenant's books and records by City disclose an underpayment by Tenant of the total Base Rent due, Tenant shall promptly pay to City such deficiency, and if such deficiency exceeds two percent (2%) of the total Base Rent due, Tenant shall also promptly reimburse City for all costs incurred in the conduct of such examination, inspection, and audit. Further, should any examination, inspection, and audit of Tenant's books and records by City disclose an underpayment by Tenant of the total Base Rent due and such deficiency exceeds five percent (5%) of the total Base Rent due, City shall have the right to terminate this Lease. In the event that City deems it necessary to utilize the services of legal counsel in connection with collecting the reimbursement for such examination, inspection, and audit, then Tenant shall reimburse City for reasonable attorneys' fees and litigation expenses as part of the aforementioned costs incurred.

4.10 Other Reports and Submissions. Tenant shall furnish City with such other financial or statistical reports as Director or his/her representative from time to time may reasonably require. - (iii) **"Reference Month(s)"** shall mean the corresponding month in the Reference Year.
- (iv) **"Reference Year"** shall have the meaning given it in the Summary.
- (v) **"Percentage Rent"** shall have the meaning given it in the Summary.
- (vi) **"Severe Decline in Enplanements for Three Months"** shall mean that the actual Enplanements achieved during a one-month period is less than 80% of the actual Enplanements of the same Reference Month in the Reference Year, and such shortfall continues for three (3) consecutive months.
- (vii) **"Enplanement Stabilization for Two Months"** means that actual Enplanements for a particular month equals or exceeds 80% of the actual Enplanements of the same Reference Month in the Reference Year, and such threshold is achieved for two (2) consecutive months.

(b) MAG Suspension. If at any time during the term, there is a Severe Decline in Enplanements for Three Months, then the MAG shall be temporarily suspended as follows:

- (i) The MAG suspension shall be effective on the first day of the month immediately following the Severe Decline in Enplanements for Three Months.
- (ii) During such MAG suspension period, Tenant shall be required to pay only the Percentage Rent, unless and until the MAG is reinstated as provided below. - (ii) In the event the MAG is reinstated after the commencement of a "Lease Year" or other period of time for annual gross revenue accumulation specified in the Lease, the MAG will be pro-rated accordingly.

## 5. ASSIGNMENT OR SUBLETTING

5.1 No Assignment. Tenant shall not assign, sublet, encumber, or otherwise transfer, whether voluntary or involuntary or by operation of law, the Premises or any part thereof, or any interest herein, without City's prior written consent, which consent may be granted or denied in City's sole and absolute discretion (the term "**Transfer**" shall mean any such assignment, subletting, encumbrance, or transfer). City's consent to one Transfer shall not be deemed a consent to subsequent Transfers. Any Transfer made without City's consent shall constitute a default hereunder and shall be voidable at City's election. Notwithstanding or limiting the foregoing, the City will allow a Tenant, including an individual or entity with any level of ownership in an Airport tenancy, to hold a maximum of eight (8) retail or food and beverage, or a combination therein, leases at the Airport at any given time. This policy does not include subleases. Any transfer made without the City's consent shall constitute a default hereunder and shall be voidable at the City's election.

5.2 Changes in Tenant. The merger of Tenant with any other entity or the transfer of any controlling ownership interest in Tenant, or the assignment or transfer of a substantial portion of the assets of Tenant, whether or not located on the Premises, shall constitute a Transfer. Without limiting the generality of the foregoing, if Tenant is a partnership, a withdrawal or change, voluntary, involuntary or by operation of law of the partner or partners owning twenty-five percent (25%) or more of the partnership, or the dissolution of the partnership, or the sale or transfer of at least twenty-five percent (25%) of the value of the assets of Tenant, shall be deemed a Transfer. If Tenant is a corporation or limited liability company, any dissolution, merger, consolidation or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock or membership interests of Tenant, or the sale or transfer of at least twenty-five percent (25%) of the value of the assets of Tenant, shall be deemed a Transfer. The phrase "**controlling percentage**" means the ownership of, and the right to vote, stock or interests possessing at least twenty-five percent (25%) of the total combined voting power of all classes of Tenant's capital stock or interests issued, outstanding and entitled to vote for the election of directors. Without limiting the restrictions on asset transfers, this paragraph shall not apply to stock or limited liability company interest transfers of corporations or limited liability companies the stock or interests of which is traded through an exchange or over the counter.

5.3 No Release. In no event will City's consent to a Transfer be deemed to be a release of Tenant as primary obligor hereunder.

5.4 Subleasing. Without limiting City's discretion in approving or disapproving a proposed Transfer, if and to the extent City permits Tenant to sublease the Premises, the following shall apply: (a) Prior to negotiating a sublease agreement, Tenant must submit to City a sublease proposal for City's approval, which approval may be granted or withheld in City's absolute and sole discretion; (b) Every sublease must be on a Standard Sublease Agreement form approved by Director, and the actual sublease must be approved by Director; (c) Each and every covenant, condition or obligation imposed upon Tenant by this Lease and each and every right, remedy or benefit afforded City by this Lease will not be impaired or diminished as a result of any sublease agreement; (d) No subtenant shall be obligated to pay to Tenant, and Tenant shall not be permitted to charge any rent, percentage rent, bonus rent, key money, administration fee, or the like, which exceeds, in the aggregate, the total sums that Tenant pays to City under this Lease for the portion of the Premises subleased by the subtenant under its sublease agreement (the "**Excess Rent**"). If, notwithstanding the foregoing prohibition, Tenant receives any Excess Rent, Tenant shall pay the same to City; (e) Tenant assigns to City all rent and other payments due from all subtenants under any sublease agreements; provided however, Tenant is hereby granted a license to collect rents and other payments due from subtenants under their sublease agreements until the occurrence of an Event of Default, regardless of whether a notice of that default has been given by City. At any time,

Tenant hereunder. Tenant agrees to make an irrevocable election not to claim depreciation or an investment credit with respect to any property leased hereunder.

6.2 Other Liens. Tenant shall not permit or suffer any liens to be imposed upon the limitation, mechanics', material suppliers' and tax liens, as a result of its activities without promptly discharging the same. Notwithstanding the foregoing, Tenant may in good faith contest any such lien if Tenant provides a bond in an amount and form acceptable to City in order to clear the record of any such liens. Tenant shall assume the defense of and indemnify and hold harmless City against any and all liens and charges of any and every nature and kind which may at any time be established against said premises and improvements, or any part thereof, as a consequence of any act or omission of Tenant or as a consequence of the existence of Tenant's interest under this Lease.

## 7. INVESTMENTS; ALTERATIONS

7.1 Minimum Investment. Prior to the Rent Commencement Date, Tenant, at Tenant's sole cost and expense, shall refurbish, redecorate and modernize the interiors and exteriors of the Premises, and otherwise complete the initial improvements necessary and appropriate to commence operations in the Premises (the "**Initial Improvements**"), at a minimum cost of the Minimum Investment Amount or less than said amount provided Tenant complies with the Concessions Design Guidelines and receives Design Review Committee approval. As-Built drawings of fire sprinkler and fire alarm systems must be submitted to Building Inspection and Code Enforcement ("**BICE**") in AUTOCAD ".DWG" format within 30 days of issuance of a Temporary Certificate of Occupancy (TCO). Within ninety (90) days after substantial completion of the Initial Improvements, Tenant must provide to City an AUTOCAD file and an electronic PDF file in accordance with the requirements as specified in the Tenant Improvement Guide and an affidavit, signed under penalty of perjury by both Tenant *and* Tenant's general contractor, architect or construction manager, stating the hard construction costs paid by Tenant to complete the Initial Improvements, together with copies of paid invoices and lien waivers substantiating the costs stated in the affidavit. Such "hard construction costs," which must equal or exceed the Minimum Investment Amount, may include architectural and engineering fees, provided the credit for such costs against the Minimum Investment Amount shall not exceed fifteen percent (15%) of the Minimum Investment Amount. The minimum investment may not include financial costs, interest, inventory, pre-opening expenses, inter-company charges related to construction, business interruption, overhead, or debt service on any construction loan, or any charges paid by Tenant to an affiliate. If Director disputes the amount of investment claimed by Tenant, Director may, at City's expense, hire an independent appraiser to determine the cost of the investment. If the independent appraiser determines that the investment is less than the Minimum Investment Amount, the deficiency, as well as City's costs of hiring such independent appraiser, will be paid to City by Tenant within sixty (60) days of City's written notice of the appraiser's determination. At any time, upon three (3) business days' notice, City or its representatives may audit all of Tenant's books, records and source documents related to the hard construction costs paid by Tenant to complete the Initial Improvements. If the audit reveals that the hard construction costs paid by Tenant were less than those stated in Tenant's affidavit, then Tenant must pay City for the costs incurred by City in connection with the audit plus any additional deficiency discovered between the hard construction costs paid by Tenant and the Minimum Investment Amount. City, at City's sole discretion, may require that Tenant comply with the terms of a Tenant Work Letter setting forth additional terms relating to Tenant's construction of the Initial Improvements, and Tenant hereby agrees to comply with any such Tenant Work Letter.

7.2 City's Approval Rights. Tenant shall not make or suffer to be made any alterations, additions, or improvements to the Premises or any part thereof or attach any fixtures or equipment thereto, including the Initial Improvements (collectively, "**Alterations**") without City's prior written consent.

7.5 Title to Alterations. Title to all Alterations of such a nature as cannot be removed without damage to the Terminal, including all carpeting, decorations, finishings, and counters, shall vest in City on the Expiration Date. All other equipment of such nature as to constitute trade fixtures shall remain the property of Tenant. On the Expiration Date, Tenant may remove said trade fixtures or Director may require that Tenant remove same at Tenant's expense. Prior to the Rent Commencement Date, Tenant shall submit to Director a proposed list of such trade fixtures; said list may be subsequently amended during the term of this Lease to reflect any changes in said trade fixtures. Tenant agrees and understands that "**fixture**" is defined as a thing affixed to premises that is bolted, nailed, screwed, cemented and/or plastered. For the purpose of this Lease, fixtures shall include slat wall, counters and the like, attached to the physical structure of the premises in any matter whatsoever. On the Expiration Date, all fixtures, other than those deemed trade fixtures by City, shall become the property of City. Tenant shall be liable to City for City's costs for storing, removing and disposing of Tenant's personal property, and of restoration of the Premises.

7.6 Effect of Alterations on Airport. If and to the extent that Tenant's activities or proposed Alterations trigger an obligation or requirement on the part of City to make changes to the Airport premises (including ADA requirements), Tenant shall indemnify, defend, and hold harmless City from and against any and all Losses (as defined below) arising out of such activities or Alterations.

7.7 Mid-Term Refurbishment

(a) Tenant shall refurbish, redecorate and modernize the interior and exterior of the public retail area of the Premises after the sixth (6th) anniversary of the Rent Commencement Date (the "**Mid-Term Refurbishment Date**"). On or before the date that is thirty (30) days before the Mid-Term Refurbishment Date, Tenant shall give notice to Director of its intended plan with respect to such mid-term refurbishment requirements. All such mid-term refurbishments will be subject to the requirements of this Lease, including Director's approval rights under this Section 7. Tenant shall invest Thirty-five (35%) of the Minimum Investment Amount. Tenant shall complete all such refurbishments on or before the date that is six (6) months after the Mid-Term Refurbishment Date.

(b) The Director shall be authorized to waive, reduce or delay such requirement provided Director is satisfied that Tenant has developed and shall implement a maintenance program necessary or appropriate to keep the facilities in good condition throughout the term of the Lease.

(c) Upon completion of the mid-term refurbishment, Tenant shall provide City with documentation of expenses as specified in Section 7.1 [Minimum Investment] for mid-term refurbishment investment.

7.8 Labor Harmony. The parties acknowledge that it is of the utmost importance to City, Tenant, and all those occupying or to occupy space in the Domestic and International Terminals that there be no interruption in the progress of the construction work. Accordingly, City and Tenant agree as follows:

(a) In any contract or undertaking which Tenant may make with a contractor for work in the Premises, provision shall be made for the dismissal from the job of workmen whose work is unskilled or otherwise objectionable, in the Director's (and, for this purpose, "**the Director**") shall include a reference to the Airport's Architect) reasonable judgment. Tenant shall cause any such workmen to be

Further, Tenant shall pay to City when invoiced, the Airport Communication Infrastructure Charge, as the same may be modified from time to time. All payments for STS services shall be due and payable when invoiced by City.

8.4 Waiver of Damages. Tenant hereby expressly waives any and all claims for damages arising or resulting from failures or interruptions of utility services to the Premises, including electricity, gas, water, plumbing, sewage, telephone, communications, heat, ventilation, air conditioning, or for the failure or interruption of any public or passenger conveniences. Without limiting the generality of the foregoing, Tenant shall have no rights to abate Rent or terminate this Lease in the event of any interruption or failure of utility services.

## **9. MAINTENANCE AND REPAIR**

TENANT SPECIFICALLY ACKNOWLEDGES AND AGREES THAT CITY IS LEASING THE PREMISES TO TENANT ON AN "AS IS WITH ALL FAULTS" BASIS AND THAT TENANT IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, FROM CITY OR ITS AGENTS, AS TO ANY MATTERS CONCERNING THE PREMISES, INCLUDING: (i) the quality, nature, adequacy and physical condition and aspects of the Premises, including, but not limited to, landscaping, utility systems, (ii) the quality, nature, adequacy, and physical condition of soils, geology and any groundwater, (iii) the existence, quality, nature, adequacy and physical condition of utilities serving the Premises, (iv) the development potential of the Premises, and the use, habitability, merchantability, or fitness, suitability, value or adequacy of the Premises for any particular purpose, (v) the zoning or other legal status of the Premises or any other public or private restrictions on use of the Premises, (vi) the compliance of the Premises or its operation with any applicable codes, laws, regulations, statutes, ordinances, covenants, conditions and restrictions of any governmental or quasi-governmental entity or of any other person or entity, (vii) the presence of Hazardous Materials on, under or about the Premises or the adjoining or neighboring property, (viii) the quality of any labor and materials used in any improvements on the real property, (ix) the condition of title to the Premises, and (x) the agreements affecting the Premises, including covenants, conditions, restrictions, ground leases, and other matters or documents of record or of which Tenant has knowledge.

California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist ("CASp") to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises have not been inspected by a CASp. Pursuant to California Civil Code Section 1938(e), City provides the following disclosure to Tenant: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." In the event Tenant elects to obtain a CASp inspection of the Premises, Tenant shall provide notice of such to City, and Tenant agrees that Tenant shall bear the cost of the inspection and any necessary repairs within the Premises.

If Tenant shall fail to make any payment or perform any act on its part to be performed hereunder and such failure shall continue for ten (10) days after notice thereof by City, City may, but shall not be obligated to do so, and without waiving or releasing Tenant from any obligations of Tenant, make any such payment or perform any such other act on Tenant's part to be made or performed as provided in this Lease. All sums so paid by City and all necessary incidental costs shall be deemed additional rent hereunder and shall be payable to City on demand, and City shall have (in addition to any other right or remedy of City) the same rights and remedies in the event of the nonpayment thereof by Tenant as in the case of default by Tenant in the payment of Rent.

In the event of the exercise by City of such option to terminate, Tenant shall have no right to or claim upon any improvements or the value thereof, which may have been previously installed by Tenant in or on the Premises.

15.6 Cumulative Rights. The exercise by City of any remedy provided in this Lease shall be cumulative and shall in no way affect any other remedy available to City under law or equity.

15.7 Prepayment. As provided in Section 4.12 [Prepay Rent], if Tenant defaults in the payment of Rent, City may require prepayment of Rent. Such right shall be in addition to and not in lieu of any and all other rights hereunder, or at law or in equity.

17.1 Definitions. As used herein, the following terms shall have the meanings hereinafter set forth:

(a) "**Environmental Laws**" shall mean any federal, state, local or administrative law, rule, regulation, order or requirement relating to industrial hygiene, environmental conditions or Hazardous Materials, whether now in effect or hereafter adopted, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Prior to the termination or expiration of this Lease, Director shall have the right to require Tenant to file with the City an application for a Closure Permit for decontamination of the site and investigation and removal of all Hazardous Materials in compliance with the Airport's TI Guide, the Airport Rules, and all Laws. The Closure Permit may require a plan for long-term care and surveillance of any contamination allowed to remain at the Premises or Airport property and an acknowledgment of responsibility and indemnification for any and all Losses associated with any such contamination. Without limiting the foregoing provision, City reserves the right to require Tenant to, and in such event Tenant shall, at Tenant's sole cost and expense, decontaminate the Premises and remove any Hazardous Materials discovered during the Term, except those Hazardous Materials which constitute Pre-Existing Conditions. Such removal shall be performed to the Director's reasonable satisfaction.

18.1 Definitions. For purposes of this Section 18, the following capitalized terms shall have the following meanings:

(a) "*Award*" means all compensation, sums or value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

(b) "*Date of Taking*" means the earlier of: (a) the date upon which title to the portion of the Premises taken passes to and vests in the condemnor, and (b) the date on which Tenant is dispossessed

A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

18.2 General. If during the Term or during the period between the execution of this Lease and the Commencement Date, any Taking of all or any part of the Premises or any interest in this Lease occurs, the rights and obligations of the parties hereunder shall be determined pursuant to this Section 18. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.11 Conflict of Interest. Through its execution of this Agreement, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify Landlord.

19.12 Prevailing Rates of Wage. Intentionally Left Blank. See Section 19.21(j).

19.13 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off and on ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.14 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and

Organization which requests such an agreement and which has registered with the Director or his/her designee, within thirty (30) days after the Labor Peace/Card Check Agreement has been requested; (b) Not less than thirty (30) days prior to the modification of this Lease, Tenant shall provide notice by mail to any Labor Organization or federation of labor organizations which have registered with the Director or his/her designee ("**registered labor organization**"), that Tenant is seeking to modify or extend this Lease; (c) Upon issuing any request for proposals, invitations to bid, or similar notice, or in any event not less than thirty (30) days prior to entering into any Subcontract, Tenant shall provide notice to all registered labor organizations that Tenant is seeking to enter into such Subcontract; and (d) Tenant shall include in any subcontract with a Subcontractor performing services pursuant to any Covered Contract, a provision requiring the Subcontractor to comply with the requirements of the Labor Peace/Card Check Rule. If the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the option to terminate this Lease, in addition to exercising all other remedies available to him/her.

#### 19.21 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at [www.sfgov.org/olse/mco](http://www.sfgov.org/olse/mco). A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes

23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.29 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.30 Bottled Water Requirements. The Airport issued Airport Operations Bulletin 19-03-AOB, which prohibits Airport tenants, vendors and permittees from providing or Selling Bottled Water in containers that contain plastic or aseptic paper packaging, including in vending machines. Instead, reusable, single-use and multi-use recyclable aluminum and glass, and BPI-certified compostable products, pre-approved by the Airport, may be sold. "Bottled Water" means drinking water in a sealed box, bag, can, bottle, or other container intended primarily for single-service use and having a capacity of one liter or less. Drinking water includes mineral water, carbonated or sparkling water, and electrolyte enhanced water. This policy is effective August 20, 2019 and will be incorporated into the Airport Rules and Regulations to become effective January 1, 2020. The Airport has compiled a list of compliant Bottled Water on <https://sfoconnect.com/zero-waste-concessions>.

Any notice hereunder shall be deemed to have been given and received and effective two (2) days after the date when it is mailed, if sent by first-class, certified mail, one day after the date when it is mailed if sent by overnight courier, or upon the date personal or electronic mail delivery is made. For convenience of the parties, copies of notices may also be given by facsimile to the number set forth in the Summary or such other number as may be provided from time to time; provided, however, neither party may give binding notice by facsimile.

20.2 No Implied Waiver. No failure by either party to insist upon the strict performance of any obligation of the other party under this Lease or to exercise any right, power or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or of such term, covenant or condition. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver.

invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the full extent permitted by law.

20.11 Governing Law. This Lease shall be construed and enforced in accordance with the laws of the State of California and the Charter of the City and County of San Francisco.

20.12 Attorneys' Fees. In the event that either City or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Lease, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney. Without limiting the generality of the foregoing, Tenant shall also pay all costs and expenses incurred by City related to City's participation in or monitoring of any Tenant bankruptcy, insolvency, or similar proceeding involving creditors' rights generally and any proceeding ancillary thereto. This Section shall survive expiration or earlier termination of this Lease.

20.13 Cumulative Remedies. All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

20.14 Time of Essence. Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

20.15 Reservations by City. City may (a) at any time, upon reasonable advance written or oral notice, enter the Premises to show the Premises to prospective tenants or other interested parties, to post notices of non-responsibility, to re-measure the Premises, to repair any part of the Premises or adjoining areas, to install equipment for adjoining areas, and for any other lawful purpose; (b) without advance notice, enter the Premises to conduct an environmental audit, operational audit, or general inspection, or in an emergency. City shall use reasonable efforts to minimize disruption in Tenant's business. Such entry shall not constitute a forcible or unlawful entry into or a detainer of the Premises, or an eviction, actual or constructive of Tenant from the Premises. City reserves the exclusive right to use all areas of the Airport not comprising the Premises, and the exterior walls and roofs the Premises. City reserves the exclusive right to use such areas together with the right to install, maintain, use, repair, and replace pipes, ducts, conduits, wires, columns, and structural elements serving other parts of the Airport in and through the Premises. This reservation in no way affects maintenance obligations imposed in this Lease.

20.16 Survival of Indemnities. Expiration or termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, nor shall it effect any provision of this Lease that expressly states it shall survive termination hereof. Each party hereto specifically acknowledges and agrees that, with respect to each of the indemnities contained in this Lease, the indemnitor has an immediate and independent obligation to defend the indemnitees from any claim which actually or potentially falls within the indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to the indemnitor by the indemnitee. Further, Tenant's obligation to make payments to City in respect of accrued charges (including those which have not yet been billed) and to make repairs (including those relating to the return of the Premises to City) which are accrued at

**TENANT WORK LETTER**

**HARVEY MILK TERMINAL 1 BOARDING AREA B – PHASES 3 & 4**  
**TENANT WORK LETTER**

This **HARVEY MILK TERMINAL 1 BOARDING AREA B PHASES 3 & 4 TENANT WORK LETTER** (this “**Tenant Work Letter**”) is incorporated by reference into the Lease by and between Tenant and City. Capitalized terms not defined herein shall have the meanings given them in the Lease. This Tenant Work Letter is a specific work letter applicable to The Harvey Milk Terminal 1, Boarding Area B, although should be reviewed and complied consistent with the Tenant Improvement Guide (the “**TIG**”), which may be accessed at <https://sfoconnect.com/tenant-improvement-guide-0>.

**1. BASE BUILDING CONSTRUCTION**

A. **Overview.** San Francisco International Airport (the “**Airport**” or “**SFO**”) is currently under contract with a Base Building Contractor (“**BBC**”) for construction and/or renovation of The Harvey Milk Terminal 1 (the “**T1 Project**”) in which Tenant’s Premises will be located (the “**Terminal**”). It is anticipated that Tenant will undertake design and construction of its Premises (“**Tenant’s Work**”) prior to the Airport’s completion of the overall T1 Project. Tenant and other entities hired by the Tenant, including Tenant’s contractor and design professionals, must cooperate at all times with the Airport’s in-house base building work project team (the “**Airport Project Team**”) and the BBC during the design and construction of Tenant’s Work. Access to the Premises may be limited or restricted at times. Tenant’s design, construction and operational teams will need to coordinate with modifications to the BBC logistics plan as modified over the course of fit-out and start up operations. Tenant construction must coordinate with BBC for any planned interruptions for base building systems testing as required for base building occupancy. A tenant coordinator (“**Tenant Coordinator**”) from the Airport Project Team and a Property Manager from SFO Revenue and Development (“**Property Manager**”) will facilitate Tenant interaction with the base building construction (“**Base Building Construction**”).

B. **Right of Way.** The BBC will provide a reasonable right-of-way within, above and below all Tenant spaces to accommodate Tenant’s mechanical equipment, grease exhaust system, sanitary and grease waste lines. Tenant plumbing and waste lines will not be allowed to cross above or go through special systems rooms, tenant wiring closets, elevator machine rooms or electrical rooms. Tenant may be required to provide access to a limited number of base building systems through their Premises. The Tenant Coordinator, the Airport Project Team and the BBC will work with the Tenant to advise and coordinate as to any base building utility requirements that require access within the shell of the Premises so as to limit impact to Tenant use or design intent.

- Architecture and Engineering Standards governing some aspects of tenant construction (“**A&E Standards**”), a copy of which may be accessed here: <https://www.sfoconstruction.com/ae-standards-and-guidance-documents>
- Airport’s Sustainability Requirements, which must be coordinated through the Airport’s Zero Committee, as further set forth below in the Section 6 below: “SFO Sustainability Requirements”;
- the California Uniform Retail Food Facilities Law (CURFFL) (for food and beverage concession tenants); and
- the terms and conditions of the Lease, including but not limited to Section 7 of the Lease [Investments; Alterations].

**C. Specific Approvals.** Prior to commencing Tenant’s Work, Tenant must obtain the following (as further discussed below):

- Approval of construction plans from the Airport’s Design Review Committee (the “**DRC**”) and the Zero Energy and Resilient Outcomes Committee (the “**ZERO Committee**”).
- Upon approval from the DRC and the Zero Committee, Tenant must obtain a building permit from SFO Building Inspection and Code Enforcement (“**BICE**”).
- All food and beverage concession tenants must also complete plan review and obtain a health permit from the San Mateo County Environmental Health Department.

**D. Design Review and Permitting Workshop.** Upon the written notification to Tenant of the Estimated Opening Date, the Property Manager and Tenant Coordinator will host an informational workshop for Tenant to provide insight into the review and approval process of the DRC and Zero Committee, as well as the permitting process under BICE. The presentation includes a period for questions and answers. In preparation of design drawings for Tenant’s Work, Tenant is advised of the following:

(i) Lease Outlines, Point of Connection, and Base Building Drawings. The Airport will distribute Tenant Lease Outline Drawings and Point of Connection Drawings in PDF format. The BBC will provide access to base building construction documents in PDF format and models in AutoDesk Revit format to enable Tenant’s design consultants to prepare design plans for Tenant’s Work.

(ii) Tenant Verification of Existing Conditions. Tenant shall physically survey the Premises at the earliest opportunity after executing the Lease to verify existing conditions and acknowledge the results in writing on an Airport-provided form.

(iii) Tenant Signage Requirements. Tenant shall refer to the Tenant Design Guidelines for requirements on tenant signage.

**E. DRC, Zero Committee, BICE Approvals and Permits.** Design review steps and required permits include, but are not limited to, the following:

(i) Preliminary Review by Property Manager. Upon completion of Tenant’s schematic designs for the Premises, Tenant shall submit such plans to the

the Tenant Coordinator with one electronic set of permit drawings prior to starting construction on site. Tenant must also provide Tenant Coordinator with a copy of all revisions sent to BICE, including those after the receipt of the Tenant Work Building Permit.

(v) **San Mateo County Health Permit.** Food and beverage tenants shall submit an application to the County of San Mateo for a Health Permit, concurrent with their BICE review. San Mateo County Health Permit requirements and processes can be found at [www.co.sanmateo.ca.us](http://www.co.sanmateo.ca.us).

(vi) **ABC Liquor License Permit.** Tenants seeking a transfer, renewal, or new Liquor License may go to: <http://www.abc.ca.gov/>. For information regarding zoning as it applies to ABC forms, contact Tiare Pena at the San Mateo County Planning Department (650) 363-1850. Posting of liquor license notices shall be coordinated with the Tenant Coordinator.

#### 4. **PRIOR TO COMMENCEMENT OF CONSTRUCTION**

The Airport shall provide written notification to Tenant that the Premises are ready for commencement of Tenant's Work. Upon notification that the Tenant may commence Tenant's Work, Tenant and Tenant's contractor will physically survey the Premises with the Property Manager and the Tenant Coordinator and acknowledge in writing to the Airport that the space is acceptable. In addition to the foregoing, prior to commencement of construction, Tenant shall satisfy the following requirements:

**A. Local Hiring Ordinance.** Pursuant to the San Francisco Local Hiring Ordinance, construction cannot start on any projects with an estimated cost of \$750,000 or more per building permit, until Tenant has submitted the appropriate forms to the Airport Employment Quality & Standards office.

#### **B. Tenant Contractor Insurance.**

(i) Prior to the issuance of a building permit from BICE, Tenant's contractor shall obtain the following insurance in accordance with the following:

- (a) Workers' Compensation Insurance with Employer's Liability limits not less than \$1,000,000 each accident, illness or injury.
- (b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products Liability and Completed Operations Coverage's.
- (c) Commercial Automobile Liability Insurance with limits not less than \$2,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Employer's non-ownership liability and hired auto coverage's.
- (d) Builder's Risk Insurance on an all risk form, with coverage and limits equal to one hundred percent (100%) of the completed value to date of the work to be completed under this Tenant Work Letter.

per incident, as stated in Section 15.8 [Fines]. Tenant's contractor must coordinate with the BBC contractor for all construction activities, including overtime work. Tenant's contractor must accommodate the BBC during the installation of any time intensive work, such as the installation of terrazzo flooring. Access to the Premises may be limited or restricted at times as directed by the Airport and/or the BBC.

B. **Debris Removal.** Tenant's contractor is responsible for proper trash and debris disposal. Tenant is required to submit an SFO-approved debris management plan prior to starting work. *For complete debris removal requirements, please see Sustainability Requirements set forth in Section 6 of this Letter.*

C. **Site Logistics.** Tenant contractors must plan for lay down space within the Premises. The BBC will supply and maintain the following items on site for the use of all tenant contractors:

- Lavatory facilities.
- Debris boxes.
- Temp power – Tenants requiring welding will need to provide for their power; Tenants shall coordinate with BBC on the duration Temp power availability.
- Parking – Limited parking within, and adjacent to, the construction site may be available, provided there is no conflict with BBC construction logistics, milestones, or Airport Operations. All parking must be coordinated with BBC and/or Airport Operations.

D. **Construction Safety.** Tenant's contractor must comply with all local, state and federal OSHA guidelines to support the Airport's core value "Safety and Security is our first priority." A base building jobsite construction safety orientation program shall be required of all tenant construction workers prior to starting work at the Airport. The jobsite construction safety orientation program will be made available to Tenant's contractor through the BBC. In addition, an SDS binder shall be on site at all times with up-to-date chemical information on all products being installed in case of an emergency.

E. **Preconstruction Meeting.** The BBC, Tenant and Tenant's contractor shall attend a preconstruction meeting on site prior to beginning construction.

G. **Concessions Partnering Sessions.** The BBC, Tenant, Tenant's Designer, and Tenant's contractor is required to attend monthly Structured Collaborative Partnering Sessions.

H. **Deliveries.** All Tenant deliveries will be coordinated with the BBC and the Airport Project Team during the weekly construction meeting. Any large Tenant items will need to be stored off-Airport until such items are ready to be installed within the Premises. Lay down and staging areas outside of the Premises are limited and requests for laydown or staging will be reviewed on a case-by-case basis.

H. **Airport ID Badging.** All construction workers will have to have an Airport ID badge while working in the terminal (whether before or after the buildings where the work spaces are located are secure), making deliveries from the airfield, or once the site becomes sterile.

I. **Tenant Construction Schedule.** Tenant shall submit a construction schedule at the preconstruction meeting. Tenant shall submit schedule updates to the Tenant Coordinator on a bi-weekly basis until completion of Tenant's Work.

submitted in electronic PDF, BIM/Revit and CADD format to the designated Airport Property Manager within ninety (90) days of issuance of TCO. Electronic files on either a CD or Travel Disk in BIM/Revit and CADD format should be mailed to Tenant's Property Manager at: Revenue Development and Management, San Francisco International Airport, 575 North McDonnell Road, Suite 3-329, San Francisco, CA. 94128

## **6. SUSTAINABILITY REQUIREMENTS**

**A. General.** SFO is committed to prudent environmental stewardship and has integrated sustainable planning, design, construction, and operational strategies into its physical facilities. It is anticipated that this process will result in exceptional project outcomes that provide long-term positive environmental, social, and financial benefits. Tenant is encouraged to contribute to these sustainable development efforts, and to use creative and innovative design, construction, and operational strategies to create aesthetically pleasing and environmentally responsible space in alignment with SFO's sustainability goals.

**B. Base Building Contract.** The BBC will design and construct the building where the Premises are located such that when completed it will at a minimum: (i) be energy and water efficient, (ii) use materials and products that are environmentally preferable and that support improved indoor environmental quality, (iii) comply with the current version of CALGreen, the SF Environment Code, and (iv) designed to achieve a LEED BD+C or C+S minimum Gold certification.

**C. Tenant's Work.** In connection with the planning, design and construction of Tenant's Work, Tenant is required to comply with the following:

(i) **ZERO Committee Process:** Tenant shall review SFO's sustainability goals and guidelines. Tenant shall submit to ZERO Committee (and/or ZERO Tenant Subcommittee) for its approval, an Intake Form found on the ZERO Committee website, a narrative describing how Tenant's design and operations will meet these goals and guidelines. The drawing review should take place after the Design Review. Relevant Airport documents include:

- Guiding Principles of Sustainability as described in San Francisco International Airport's Delivering Exceptional Projects – Our Guiding Principles (pg. 49-54), located at <http://www.sfoconstruction.com/>.
- SFO Sustainable Planning, Design and Construction Guidelines located at <http://www.flysfo.com/community-environment/environmental-sustainability-reports>.
- Zero Energy and Resilient Outcomes (ZERO) Committee website: <https://sfoconnect.com/zero-energy-and-resilient-outcomes-zero-committee#sfoc-tab-0>

(ii) **California Building Standards and Codes.** Tenant shall provide documentation to the ZERO Committee to demonstrate compliance with the California Building Standards Code

San Francisco Environment Code. For tenant improvement projects of 10,000 gross square feet or more LEED v4-ID+C minimum Gold level certification is required. In connection with such certification, Tenant is advised of the following:

- Tenant shall be responsible for all work and costs related to the LEED certification.
- Tenant will present all required materials to the ZERO Committee at regularly scheduled meeting during the design process prior to the approval of the ZERO Committee.
- The LEED Scorecard must be submitted at the conclusion of each design phase and at project close-out, along with required documentation and a copy of the project LEED certificate.
- Tenant shall demonstrate that the project achieves the following LEED credits required through Chapter 7 of the San Francisco Environment Code: (i) LEED prerequisite Fundamental Commissioning and Verification and Enhanced and Monitoring-Based Commissioning; (ii) LEED credit for Construction and Demolition (C&D) Debris Management - diverting 75% C&D Material from the landfill; (iii) LEED credit for Enhanced Indoor Air Quality Strategies; (iv) LEED credit for Construction Indoor Air Quality Management Plan; (v) LEED credit Indoor Air Quality Assessment Option 2: Air Testing; and (vi) LEED credit for Low Emitting Materials.

(x) LEED Scorecard for Projects Less than 10,000 Square Feet. For tenant improvement projects less than 10,000 gross square feet, Tenant is not required to achieve LEED certification but is required to submit the LEED Scorecard that demonstrates the maximum LEED credits that are practicable for Tenant's Work and pursue these credits through the design and construction process as required by Chapter 7 of the San Francisco Environment Code. The LEED Scorecard is to be submitted to the BICE, SF Environment and ZERO Committee during the conceptual design phase and as a final as-built indicating all LEED credits that would be achieved if the project had been certified.

(xi) Sustainable Innovation Credit. Tenants who show considerable effort in incorporating sustainability into their design and operation are eligible to submit for a Sustainable Innovation Credit through Airport Revenue and Development, however, the Airport does not guarantee acceptance of Sustainable Innovation Credit to any tenant prior to applying.

(xii) PG&E Tracking of Natural Gas Use. If the Premises will utilize natural gas, Tenant must submit to the ZERO Committee an executed PG&E Authorization to Receive Customer Information to allow the Airport's tracking of natural gas used onsite, and keep such authorization active during the term of the tenancy.

(xiii) Building Electrification. The Airport is moving towards 100% building electrification by eliminating natural gas throughout its entire infrastructure. Natural gas usage introduces a fire risk to the Airport, and affects healthy indoor air quality while contributing to greenhouse gas emissions. Existing buildings are being evaluated for energy reduction opportunities as part of the Energy Benchmarking Study. From there, we will need to incorporate decarbonization opportunities in our business processes, including the ZERO Committee,

**B. Sanitary Sewer**

(i) General. Sanitary sewer is available to food and beverage tenants and select other tenant locations in the Terminal.

(ii) BBC Scope. The BBC will provide a 4-inch sanitary sewer line below the slab within the confines of the Premises designated to receive sanitary sewer service and this pipe will be installed in a manor to which the POC will accommodate drainage from any point within the lease premises. The piping shall be labeled with the space number every 10 feet and at point of connection. The BBC will also provide a 3-inch vent pipe within the Premises for Tenant's use.

(iii) Tenant's Scope. Tenant shall install a complete sanitary system to tie into the designated POC connection for SS and vent. All Floor penetrations must be imaged by an Airport approved imaging method (i.e., x-ray or sonograph) at Tenant's sole cost prior to core drilling. Tenant contractor shall submit plans for review by the BBC for coordination of core locations and supplemental structure required to accommodate the tenant design.

**C. Grease Waste.**

(i) General. The Terminal's grease waste will be serviced by an Airport-contracted provider at the expense of Tenant. In addition to grease waste, Tenant shall provide for disposal of cooking oil waste, as further described in Section 9 "Cooking Oil Waste" below.

(ii) BBC Scope. The BBC will provide a 4-inch grease waste line below the slab designated to receive grease waste. This piping will be installed in a manor to which the POC will accommodate drainage from any point within the lease premises, and this piping will be of materials that will not allow grease to coat the interior of the pipe line. These lines will be labeled with the space number every 10 feet and at point of connection. The BBC will also provide a 4-inch line at a designated ramp level location connected to the sanitary sewer system and a vent line connection in proportion for the tenant grease interceptor.

(iii) Tenant's Scope. Tenant is responsible for installing a complete grease waste interceptor system in an approved location. The grease interceptor unit itself shall have a plaque with the space name and a 24-hour contact number attached to it. This designated location is where the Tenant-provided grease waste interceptor will be installed by the Tenant's plumbing contractor. Tenant shall make the necessary inter-connections to the sanitary sewer, grease waste lines and vent from its grease waste interceptor. The kitchen area floor drains and prep sinks of food and beverage tenants shall be tied to the grease waste line POC provided by the BBC. Tenant is responsible for installing grease waste lines with the same material as the base building material within the Premises and label these lines ever 10' with the space number Tenant contractor shall submit plans for review by the BBC for coordination of core locations and supplemental structure required to accommodate the tenant design.

Exhibit D - Page 13 of 22

Tamper switches shall be provided for all valves normally in the open position and shall be PPDt self-storing type devices. All components of the fire sprinkler system shall be UL listed and comply with the requirements of NFPA 13.

**F. HVAC Systems & Controls**

(i) General. The Terminal is serviced by a central heating, ventilation, and air conditioning ("HVAC") system. The system is a variable volume conditioned air system fed from multiple air handlers, designed as either an overhead supply air system (mixing ventilation) or displacement ventilation depending on location within the Terminal (refer to utility point of connection drawings). The Premises will be designed as an overhead supply air system. Tenants located within areas served by central displacement ventilation (i.e., concourse level concessionaires) will be provided with ventilation, chilled water, and heating hot water connections to serve tenant-provided and -installed fan coil units. Tenants located within areas served by central overhead supply air systems (i.e. apron level storage cages and mezzanine level lounges) will be provided supply air, return air, and heating hot water connections to serve tenant provided and installed variable-air volume terminal units. Victaulic couplings will not be permitted on the hot water system. The Premises will not be monitored by the base building BMS.

(ii) BBC Scope. For Premises located in areas served by central displacement ventilation, the BBC will provide a point of connection to the 100% OSA system with an allowance of up to 0.4 CFM/ft<sup>2</sup> of ventilation air between 65°F and 75°F. The BBC will also provide points of connection to the chilled water and hot water supply and return at isolation valves. A means to drain condensate will be provided (either sanitary or condensate drain) to areas receiving tempered ventilation air. Cooling loads are sized to provide 150 sf/ton for food and beverage tenants and 250 sf/ton for retail tenants. Heating loads are sized to provide 30 BTU/sf of heating for food and beverage tenants and 30 BTU/sf of heating for retail tenants. For Premises located in areas served by central overhead supply air systems, the BBC will provide points of connection to the supply and return ducts. If the Premise is located on the apron level, cooling supply air allowance will be 0.85 CFM/ft<sup>2</sup>. If the Premise is located at the interior of the mezzanine level, cooling supply air allowance will be 1.0 CFM/ft<sup>2</sup>. If the Premises is located at the exterior of the mezzanine level, cooling supply air allowance will be 1.5 CFM/ft<sup>2</sup>. The BBC will also provide 30 Btuh/SF of heating to food and beverage tenants and 30 Btuh/SF of heating to retail tenants. The BBC will install chilled and hot water BTU meters at the points of connection to the Premises. The BTU meters will be specified by the BBC for connection to the EMCS monitoring and control system.

(iii) Tenant's Scope. Tenant will connect Tenant's HVAC system at the designated location(s) of the base building's central HVAC systems and extend systems as necessary through the Premises. Tenant is to provide fan coil units, VAV terminal boxes and necessary DDC controls in order to address anticipated loads to maintain proper temperature and maximize energy conservation in the space. Should Tenant need additional cooling or heating beyond the capacity of the base building hydronic or airflow provisions, Tenant must install its own supplemental rooftop equipment at a location

Any additional electrical equipment and associated work necessary to accommodate the request shall be provided by Tenant.

(ii) BBC Scope. BBC shall provide an empty 2" conduit with pull string from the Airport's Tenant's Distribution Panels, either the Tenant 277/480V panel that shall be sized appropriately to accommodate the tenant provided GFI breakers or the Tenant 120/208V panel to a point of connection within each Premises. Tenant shall be responsible for procurement and installation of all other work required to provide a complete electrical distribution system including main circuit breaker at the Tenant metering board and electrical meter circuit transformers (CT's) in the Airport's Tenant Metering Switchboard and feeder wiring from the Switchboard to the Tenant's Distribution Panel. The BBC shall provide 20 percent spares for future expansion in Tenant Distribution Boards. The BBC will install the Tenant Meter and energize both Tenant distribution panels.

(iii) Tenant's Scope. To limit the number of electrical shutdowns and associated coordination during construction, a "shutdown week" will be scheduled by the BBC during which all pertinent Tenant electrical contractors must install their CTs and main breaker and install and terminate their feeders from the Tenant's Distribution Panel to the Airport's Tenant Metering Switchboard. From that week forward, Tenant's electrical contractor can lock-out/tag-out the main breaker and continue with its work at its own pace. Tenant contractor shall submit plans for review by the BBC for coordination of core locations and supplemental structure required to accommodate the tenant design. The Airport specifies all products to purchase to ensure a match at the Airport Electrical Rooms including, but not limited to the following:

(a) For a 277/480V electrical service connection, Tenant shall install a maximum of 200A feeder circuit breaker in the Tenant Metering Switchboard. Ground fault breakers within the Airport's 277/480V Tenant Metering Switchboard shall be Square D model Power Pact type HJ with GFM (ground fault module add-on). Tenant may transform the 480V service to another voltage from the Tenant's Distribution Panel. Tenant's Distribution Panel and all other Tenant-installed electrical equipment shall be located within the lease line as indicated on the Tenant's lease outline drawings.

(b) For a 120/208V electrical service connection, Tenant shall install a maximum 50A feeder circuit breaker in the Tenant Metering Switchboard. Breakers within the Airport's Tenant Metering Switchboard shall be Square D model SE R ET. Tenant's Distribution Panel and all other Tenant-installed electrical equipment shall be located within the lease line as indicated on the Tenant's lease outline drawings.

Electrical meter circuit transformers (CTs) are sized according to the service load: for 100A service use 100:5 CT. CT wiring should be lengthened when necessary with color coded twisted pair #16 gauge using butt splices (not wire nuts) and clearly labeled where terminated at the shorting block. CT ratio shall be labeled at the shorting block where the CTs are terminated.

- All infrastructure installed within the Premises and extending to the designated Airport TWC will need to follow Airport Standards set forth within the A&E and must meet all applicable codes and industry standards.
- Below you will find general technical recommendations on Voice and Data Backbone Infrastructure. Please consult with the Airport ITT Provisioning Group at 650-821-HELP (4357) Option 1, or [sfohelpdesk@flysfo.com](mailto:sfohelpdesk@flysfo.com) to verify what type of cabling will be required so that SFO can extend the necessary services to the Premises.
- **NOTE:** All Tenant Backbone Infrastructure terminating within an Airport TWC will need to be coordinated with SFO ITT Infrastructure Engineer (650) 821-4361 so that termination locations can be assigned prior to final termination by the Tenant's Contractor.
- Copper Feeder Cable from the Premises for Voice and SONET Transport Service: Tenant is recommended to furnish and install a single 25 pair (or greater) copper feeder cable, inside of a dedicated Tenant Communications Utility Conduit, from the Airport TWC to a Tenant backboard located inside of the Premises. The 25-pair cable inside of the Airport TWC will need to be terminated on an Airport provided 110 style termination block by Tenant. Inside the Premises, it is recommended that the feeder cable be terminated on a 66 or 110 style termination block. Tenant shall install the termination block on an accessible communication backboard or 19-inch relay rack.
- If Ethernet or Internet Services will be required within the Premises in addition to the Voice Feeder Cable, individual CAT 6A Data Cables or Single Mode Fiber shall be installed within the dedicated Tenant Communications Utility Conduit so Data services from SFO can be distributed into this space. If more than four (4) individual connections are required then a router/network switch shall be installed in the Premises by Tenant which can be fed by fiber or copper to the closest Airport TWC for Ethernet/Internet Service.
