14 Be it ordained by the People of the City and County of San Francisco:

15 Section 1. Article X of the Municipal Elections Code is hereby amended by adding  
16 Sections 1000 and 1000.1 to read as follows:

17 **SEC. 1000. FINDINGS.**

18 *(a) In November 2016, San Francisco voters approved Proposition N, a Charter amendment,*  
19 *adding Charter Section 13.111, to allow non-United States citizens (“noncitizens”) who meet certain*  
20 *criteria, to vote for members of the San Francisco Board of Education (“School Board”) in the City’s*  
21 *November 2018, November 2020, and November 2022 elections. This right was extended to all*  
22 *noncitizen residents of San Francisco who were of legal voting age and the parents, legal guardians,*  
23 *and caregivers (collectively, “parents”) of a child under age 19 living within the boundaries of the San*  
24 *Francisco Unified School District (“School District”). Section 13.111 states that it will expire on*  
25 *December 31, 2022, unless the Board of Supervisors determines thereafter by ordinance that the right*  
*of noncitizens to vote in School Board elections will continue beyond that date.*

1           (b) Noncitizen parents contribute greatly to the School District. They volunteer at schools,  
2 serve on school site councils, host School Board forums, attend and participate as members of the  
3 public in School Board meetings, share ideas for improving the School District’s family  
4 communications plan, provide crucial input on budget matters, and educate fellow parents about their  
5 right to be involved in their children’s education. Realizing the vital contributions that noncitizen  
6 parents make to the School District, San Francisco voters passed Proposition N to provide them with a  
7 greater voice in School District policies by permitting them to vote in School Board elections.

8           (c) Extensive research demonstrates how parent involvement in their children’s education is  
9 critical for students’ lifelong achievements and success. These research studies are on file with the  
10 Clerk of the Board in File No. 210961. These studies demonstrate that students whose parents are  
11 involved in their schooling are more likely to attend school regularly, have better social emotional  
12 skills, and obtain higher grades. To encourage such involvement, Proposition N ensured that  
13 noncitizen parents have a role in selecting the officials who set the School District policies that impact  
14 their children’s education.

15           (d) Eligible noncitizen parents exercised their right to participate in the School Board elections  
16 held between 2018 - 2020. Between May 2018 to July 2021, community-based outreach efforts about  
17 the opportunity for eligible noncitizens to vote in School Board elections reached 13,272 people.  
18 Reports regarding these outreach efforts are on file with the Clerk of the Board in File No. 210961.

19           (e) Continuation of noncitizen voting in School Board elections is necessary to allow many  
20 unheard voices to come forward. Though the number of noncitizen parents in the School District is  
21 currently unknown, as of the 2020-2021 school year, there were over 13,682 English Language  
22 Learners in the School District. These students spoke a variety of languages including, but not limited  
23 to, Arabic, Mandarin, Cantonese, Japanese, Korean, Russian, Samoan, Spanish, Filipino, and  
24 Vietnamese. The California Department of Education’s statistics on English Language Learners in the  
25 School District are on file with the Clerk of the Board in File No. 210961.

1 (f) It is in the public interest for the City to exercise its option under Charter Section  
2 13.111(a)(2) to extend the right of noncitizen parents to vote in School Board elections beyond  
3 December 31, 2022.

4 (g) In order to realize the full civic engagement of noncitizen parents in School District affairs  
5 by voting, additional resources for outreach, engagement, and education, as well as improved  
6 coordination between key stakeholders such as the School District, City departments, and community-  
7 based groups would ensure eligible noncitizen parents are aware of their right to vote in School Board  
8 elections. Additionally, culturally-adequate outreach in the primary languages of San Francisco  
9 families is crucial to equip parents with the information necessary to decide whether to exercise these  
10 voting rights. The City encourages the School District and the Department of Elections to continue  
11 devoting adequate resources for such outreach and related efforts.

12 **SEC. 1000.1. REAUTHORIZATION OF NON-UNITED STATES CITIZEN VOTING IN**  
13 **SCHOOL BOARD ELECTIONS.**

14 Pursuant to Charter Section 13.111(a)(2), the Board of Supervisors authorizes the extension of  
15 non-United States citizen voting in School Board elections, according to the terms of Charter Section  
16 13.111(a)(1)(B), beyond December 31, 2022, with no sunset date on the extension.

17  
18 Section 2. Article X of the Municipal Elections Code is hereby amended by revising  
19 Section 1001 to read as follows:

20 **SEC. 1001. DEFINITIONS.**

21 Whenever the following terms are used in this Article X, the following definitions shall  
22 apply:

25 or representative.
