Thank you Linda. I will attend and be available for any questions.

**Special note about the retroactive A&E:**

The retroactive A&E is administrative in nature. The District Attorney's Office has met the City's requirement to appropriate grant funding prior to beginning any grant activities. The City and County of San Francisco's FY 2021-22 and FY 2022-2023 Budget and Appropriation Ordinance includes this recurring grant; however, it does not meet the California Victim Compensation Board resolution requirements, thus, a separate resolution is necessary. Although we are not required to obtain a separate Board of Supervisors Resolution under Admin Code 10.170, the funding agency, the California Victim Compensation Board requires a separate copy of a Board of Supervisors Resolution.

Thank you

Hello Lorna and Sheila,

As you are aware, your following item was heard in Budget & Finance Committee on October 6, 2021, and forwarded to the full Board on October 19, 2021:

- **File No. 210931** - Accept and Expend Grant - Retroactive - California Victim Compensation Board - Compensation for Crime Victims - \$2,530,990.23

This legislation authorizes "retroactive" approval. Due to the full Board's concerns regarding "retroactive" approvals, please make sure you - or a department representative - will be in attendance to answer any questions or concerns when the full Board considers this matter.

If you would like to include additional written explanation regarding the "retroactive" approval, please forward to me and I will disseminate to the Members and include in the legislative file.

Thank you for your continued collaboration on the legislative process.

Best,

*Linda Wong*
