Section 2. Authority and Role of Municipal Transportation Agency Regarding Paid
Parking at the Kezar Stadium Parking Lot, <u>and the Golden Gate Park Underground Parking</u>
Facility, and the Marina Small Craft Harbor.

5 (a) Park Code Section 6.14 authorizes the Municipal Transportation Agency to identify 6 locations suitable for the establishment of paid parking areas or zones on property under the 7 jurisdiction of the Recreation and Park Commission, and to set rates for paid parking in such 8 areas that are closely comparable to the rates set for similarly situated paid parking, provided, 9 among other things, that the Board of Supervisors approves the location of the paid parking 10 areas and the parking restrictions.

11 (b) In accordance with Park Code Section 6.14, the Board of Supervisors tentatively 12 approves the implementation of paid parking with rates set by the Municipal Transportation 13 Agency and subject to approval by the Recreation and Commission at the Kezar Stadium 14 Parking Lot, and the Golden Gate Park Underground Parking Facility, and the Marina Small 15 Craft Harbor. The Kezar Parking Lot is located at 825 Stanyan Street. The Golden Gate Park 16 Underground Parking Facility is located under the Music Concourse area of Golden Gate 17 Park. The Marina Small Craft Harbor is located at 3950 Scott Street and encompasses those 18 certain areas in the vicinity of and including the Marina Green. The current parking rates at 19 these facilities are adjusted for inflation but are otherwise fixed. The rates set by the 20 Municipal Transportation Agency at those sites shall be comparable to the rates set for 21 similarly situated parking, may increase or decrease in response to customer demand at 22 particular times or on particular days or dates, and shall be intended to support recreation by 23 encouraging the use of these facilities by recreational users, and by helping the Recreation 24 and Park Department meet operating expenses, purchase or lease supplies, equipment and 25 materials for the parks, and raise funds for future capital projects necessary to maintain

1 existing levels of service. The Board of Supervisors requests that the Municipal Transportation Agency and Recreation and Park Department provide further information 2 3 regarding how the rates would be set. The rate-setting shall be finally approved and may 4 commence after the Board of Supervisors has reviewed this information and adopted a 5 resolution finding that the proposed rates comply with the requirements of Section 6.14. 6 (b) In accordance with Park Code Section 6.14, the Board of Supervisors approves 7 that the parking restrictions set forth in the Park Code, as amended by this ordinance and as they may be amended in the future from time to time, shall apply to any such system of paid 8 9 parking. Nothing in this ordinance may be deemed to modify or supersede the Lease dated 10 December 24, 2004, as amended, between the Music Concourse Community Partnership and the City and County of San Francisco and the Golden Gate Park Concourse Authority, relating 11 12 to the Golden Gate Park Underground Parking Facility and the debt secured by the parking 13 facility. 14 15 Section 3. The Park Code is hereby amended by revising Sections 6.01, 6.02, 6.10, 16 10.01, 12.08, 12.11, and 12.35, to read as follows: SEC. 6.01. # **REVISED LEGISLATIVE DIGEST**

(Amended in Committee, 11/3/2021)

## [Park Code - Parking Fees and Fines, Park Patrol Enforcement]

Ordinance authorizing the Municipal Transportation Agency (SFMTA) to set parking rates at the Kezar Stadium Parking Lot and Golden Gate Park Underground Parking Facility in accordance with Park Code provisions that authorize SFMTA rate-setting on park property and subject to Board of Supervisors approval, and making conforming edits to the Park Code; increasing parking rates for berth-holders at the Marina Small Craft Harbor; clarifying that the fines for certain violations of the Transportation Code apply to similar violations occuring on park property; clarifying the authority of Park Patrol to enforce the Park Code and issue parking citations; and affirming the Planning Department's determination under the California Environmental Quality Act.

# Existing Law

Rates for parking by the general public at the Kezar Parking Lot and Golden Gate Park Underground Parking Facility are set in the Park Code. The Park Code rates are adjusted annually for inflation but are otherwise fixed. Under Park Code Section 6.14, however, the San Francisco Municipal Transportation Agency (SFMTA) may take over setting parking rates at designated locations on park property, subject to certain approvals by the Board of Supervisors and Recreation and Park Commission, and set rates that are closely comparable to the rates for similarly situated paid parking. The Park Code also sets parking rates for persons who hold licenses to berth vessels at the Marina Small Craft Harbor: berthholders get two free parking passes with their berthing licenses, and can purchase additional passes for \$156 each.

# Amendments to Current Law

The ordinance would allow SFMTA, with Recreation and Park Commission approval, to set new rates for parking by the general public at the Kezar Parking Lot and Golden Gate Park Underground Parking Facility. The proposal is for SFMTA to be able to set the rates, and for SFMTA to be able to increase or decrease the rates in response to customer demand at particular times or on particular days or dates, provided that the rates must be intended to support recreation and must be closely comparable to the rates set for similarly situated parking. The ordinance would require SFMTA and the Recreation and Park Department (RPD) to provide further information to the Board of Supervisors about the rates that SFMTA would set at those facilities and how they would increase or decrease over time. If the Board then found by resolution that the rates meet the requirements of Section 6.14, the SFMTA rate-setting could go into effect, and the existing Park Code rates for parking at those facilities would cease to apply. Meanwhile, the Park Code rate for Marina berthholders to purchase additional parking passes would increase to \$600. The ordinance also clarifies existing law, by expressly stating that the penalties for certain violations of the Transportation Code (e.g., parking in a disabled spot) apply equally when those violations occur on park property, and by affirming the authority of the Park Patrol to issue citations for Park Code violations.

## **Background**

The ordinance was originally introduced in Board File No. 210654. On September 22, 2021, the Budget and Finance Committee made certain amendments as described in the legislative digest (v2), and duplicated the file. On November 3, 2021, the Committee reviewed and amended the ordinance in the duplicated file, to 1) condition the SFMTA's rate-setting at the Kezar Parking Lot and Golden Gate Park Underground Parking Facility on the Board of Supervisors' further review and approval of the rates; 2) clarify that the fines for certain violations of the Transportation Code apply to similar violations occuring on park property; and 3) clarify the authority of Park Patrol to enforce the Park Code and issue parking citations.

Additionally, the rate for berthholders at the Marina Small Craft Harbor to purchase each additional permit would increase from \$120 to \$600 annually.

September 24, 2021

- To: Golden Gate National Recreation Area (goga business@nps.gov)
- CC: San Francisco Board of Supervisors
- Re: Oppose parking fees in GGNRA parking lots in San Francisco

The Sunset-Parkside Education and Action Committee (SPEAK) is a 501(c)3 organization which has been an active voice in the Sunset-Parkside district for over 50 years. We represent residents in this area that borders Ocean Beach and Golden Gate Park.

We oppose the proposal by the GGNRA to charge for parking at various nearby national parks in San Francisco.

The GGNRA has proposed to charge \$3.00 an hour to park a car to visit these parks with a maximum charge of \$10. We support our parks, but we also support access to our parks by San Francisco residents. This fee will discourage San Franciscans from coming to these parks to enjoy the magnificent ocean views, to experience wildlife in a natural setting, and to get a respite from the stresses of urban life, made even more difficult during the COVID pandemic.

We also wonder why there have been no public notices posted in the proposed fee areas. At any time, but especially during the COVID pandemic, it is vital that government agencies make every effort to inform the public of any proposed changes that will impact access to their public lands. Notices should be posted at all of the proposed fee locations, and the comment period should be extended 30 days from the posting of the notices.

According to the GGNRA website,

"The proposal calls for parking fees to be in effect at these locations between 8 a.m. and 5 p.m., which means that people visiting outside these hours would not be charged for parking. Many visitors to the park travel by bicycle or foot, and public transit which operates in close vicinity to many of the affected parking lots, including Stinson Beach, Lands End and Baker Beach, offers an inexpensive alternative to driving."

Let's unpack this statement.

 It is accompanied by a photo of a healthy, relatively young person on a bicycle. However, the majority of people in SF do not bike from one end of the city to the other because of various reasons -- disabilities, dangerous streets, the cost of a good bicycle, and due to the hilly nature of the City - a bicyclist has to be in good shape to get around.

- 2. "People visiting outside [the hours of 8 a.m. and 5 p.m.] would not be charged for parking." It gets dark at 5:00 p.m. during the winter months and the sun at times does not rise until 7:30 a.m. So the public might have ½ hour in the early morning to park for free. And really, how many families visit parks in the early morning or in the evening?
- 3. Bus service in San Francisco has been severely curtailed during COVID. It is not clear when it will recover or which lines will survive.
- 4. Many people still do not want to expose their health to others on a bus.
- 5. Parking fees will also limit access for residents from the southeastern part of San Francisco, who may have to drive to these areas especially families with small children. Many are lower-income. They deserve the opportunity to enjoy parkland without impediments such as fees. And riding MUNI will cost at least as much as the parking, for 2 adults. It is not an 'inexpensive' alternative. (These families may already own cars to get their children to school and other events and to drive to work.)
- 6. MUNI service is not back to full service, due to COVID. Even when and if -MUNI service is restored, being forced to go across town by bus is going to make park visitation more difficult for most San Francisco residents.
- 7. Charging fees at the GGNRA lots will force residents to park in the lots at Ocean Beach, filling up those lots and further limiting access. These fees set a precedent for charging San Franciscans for access to our beaches. Fees may spread to other park sites, including City parks such as Ocean Beach.

We therefore oppose these fees and ask you to discontinue this proposal.

Thank you for your consideration.

Sincerely,

Eileen Boken
