**RE: Proposed contract extensions for SIP hotels:
Good Hotel and Americania on 7th Street**

Dear Supervisors,

In the absence of an effective 24-hour security plan, for neighboring Americania and Good SIP hotels (both at 7th & Mission/Minna) we respectfully request the Board of Supervisors deny the request for their proposed contract extensions.

These proposed extensions come after the City made assurances to the surrounding community that the Americania would close at the end of June, and the adjacent Good Hotel in mid-August. The suggestion of allowing these two sites, which operate directly across the street from one another, to remain in operation through October and December respectfully, with no significant plans to improve public safety is untenable.

For months the effects of unchecked open-air drug dealing and drug use, violence including: fights, stabbings, shootings and dog attacks have rendered the public realm unusable and unsafe for everyone in the vicinity – especially the vulnerable population the SIP hotels are trying to protect.

The surrounding community has been held hostage, justifiably afraid to leave their homes and unable to safely use the public right of way in their own neighborhood. What's more, neither Public Works or the Community Benefit Districts are able to clean these areas because the drug dealers threaten and chase workers away. The sidewalks around these hotels are filthy and littered with biohazards – litter and urine from the drug dealers conducting business on the sidewalk with no access to a restroom; and drug paraphernalia, human excrement and pet waste from the open-air drug users.

Efforts to maintain clean, safe and civil sidewalks around these properties by HSH and the City have failed miserably. In the absence of an effective 24-hour security plan, for both locations inside and out, and including a one block radius for each hotel, we respectfully request that the Board of Supervisors deny the request for the proposed contract extensions.

Sincerely,
Mid Market Community Benefit District

Budget & Finance Committee Staff: brent.jalipa@sfgov.org
HSA Executive Director Trent Rhorer: trent.rhorer@sfgov.org
HSH Executive Director Shireen McSpadden: shireen.mcspadden@sfgov.org

Dense hordes of drug dealers and users monopolize sidewalks on Mission and Minna at 7th Street; regular meals are delivered to the dealers at their posts so there is little down time for the illegal activity.

Off leash and unmuzzled dogs belonging to drug users intimidate and attack pedestrians.

Home entrances are blocked by drug users and dealers.

Man wields machete outside the Americana.

Chair Hillary Ronen
Budget and Appropriations Committee
San Francisco Board of Supervisors
San Francisco, CA 94102

RE: Agenda Item 1: Certificate of Participation for Land Acquisitions, Public Housing - File No. 211154

Dear Chair Ronen and Members of the Committee:

We thank the Committee and Supervisor Preston for your collective efforts to advance this legislation to expand affordable housing and the social housing agenda.

While we support the overall proposal we write to express grave concerns regarding the language restricting eligibility for the \$40 million site acquisition program.

One essential purpose for acquiring sites for the development of new affordable housing is to stop or slow gentrification and to stabilize low income and BIPOC neighborhoods. However, the technical language of the present proposal raises concerns that many of those neighborhoods will be excluded from the program.

The present version of the legislation defines the site acquisition program as follows:

Acquisition NOFA with priority for 100% affordable projects in CDLAC designated high need/resource areas.

The rationale for this exclusionary priority embedded in the COP legislation is uncertain, as is why the City is adopting the California Debt Limit Allocation Committee's controversial approach to determining the location of affordable housing.

To the left is the [map adopted by CDLAC](#) of San Francisco neighborhoods with the two darkest shades of blue designated as “high” and “highest” resource areas (Note: we are not aware of an additional “high needs/resource” mapping by CDLAC).

As reflected in this map, a majority of the city is excluded from the CDLAC’s designation of “high resource,” leaving out many of the neighborhoods facing the greatest exposure to displacement and gentrification. Exclusive reliance upon CDLAC’s designations for program priorities would result in

disqualifying all potential sites in the Tenderloin, Chinatown, SOMA, Bayview, and Mission.

While we do not disagree with including “high resource” areas as eligible for site acquisition funding, it is inequitable and unjust to leave out other at-risk neighborhoods.

Therefore we urge the Board to amend the existing COP ordinance language. In particular, we urge the Board to expand the program priorities to include sites in neighborhoods that are at risk of displacement and gentrification.

The map on the right, produced by the [Urban Displacement Project](#), shows San Francisco neighborhoods at elevated risk of displacement. The areas mapped are a virtual mirror image of CDLAC's designated "high resource" areas.

These neighborhoods facing elevated risk of displacement should also be prioritized for at least portion of the site acquisition funds. Acquiring sites for affordable housing in neighborhoods undergoing gentrification helps stabilize those spaces from luxury development.

In addition, locating affordable housing in such neighborhoods enables evicted tenants to remain in their communities. And mixed use affordable housing developments in gentrifying BIPOC communities can both retain residents and foster neighborhood serving businesses and cultural institutions.

For all these reasons our coalition urges the Board to amend the present COP legislation to include a priority to acquire sites in communities threatened by displacement whether or not they are designated a 'high resource' area by the state.

An inclusive site acquisition program is essential for a just and equitable recovery in this City.

Sincerely,

Dear Mayor Breed and Board of Supervisors:

We are writing to urge your support for Supervisor Preston's ordinance to fund the Emergency Housing Acquisition Program (File No. 210538). These funds will save hundreds of San Franciscans from pandemic-related displacement, and on behalf of the Democratic Socialists of America San Francisco chapter, we are strongly urging you to move this effort forward without delay.

The pandemic crisis has put extreme financial hardship on tens of thousands of working families, seniors, and other vulnerable households. While COVID initially depressed rents and rental property sales, now rents and market trends are on the rebound with increasing numbers of rental properties being put on the private market at rising prices.

Unless the City significantly increases its capacity to acquire and preserve rental properties now, thousands of existing tenants will be put at greater risk of displacement and the City will lose a time-limited opportunity to remove housing from the speculative market and permanently preserve units at affordable rents.

That's why I am urging you to support Supervisor Preston's proposal to allocate \$64 million to housing acquisition. This ordinance would deliver on the promise of Prop I, and the unanimous resolution passed last year by the Board of Supervisors, to use the transfer tax revenue for social housing.

In DSA, we believe that a robust social housing plan is vital to a just and equitable

housing future. We call on all members of the Board of Supervisors to join Supervisor Preston in passing this vital measure to take the first steps toward that vision.

We can prevent the eviction of many hundreds of long-term San Franciscans and guarantee long term stability if we act now. I ask for your support to fund the Emergency Housing Acquisition Program, and save our residents from pandemic-fueled displacement.

Sincerely,
Sam Heft-Luthy
Co-chair, DSA San Francisco

Dear Mayor Breed and Board of Supervisors:

I am writing to urge your support for Supervisor Preston's ordinance to fund the Emergency Housing Acquisition Program (File No. 210538). These funds will save hundreds of San Franciscans from pandemic-related displacement, and as an organization that backed Proposition I last year, NUHW supports the policies that implement Proposition I and urge you to move this effort forward without delay.

The pandemic crisis has put extreme financial hardship on tens of thousands of working families, seniors, and other vulnerable households. While COVID initially depressed rents and rental property sales, now rents and market trends are on the rebound with increasing numbers of rental properties being put on the private market at rising prices.

Unless the City significantly increases its capacity to acquire and preserve rental properties now, thousands of existing tenants will be put at greater risk of displacement and the City will lose a time-limited opportunity to remove housing from the speculative market and permanently preserve units at affordable rents.

That's why I am urging you to support Supervisor Preston's proposal to allocate \$64 million to housing acquisition. This ordinance would deliver on the promise of Prop I, and the unanimous resolution passed last year by the Board of Supervisors, to use the transfer tax revenue for social housing.

The NUHW represents thousands of Bay Area and San Francisco residents who, due

to the high cost of housing, live far from their place of work and often endure commute times of stretching over an hour and half. Many NUHW member tenants are living doubled and tripled up with other households as they are unable to afford the cost of housing either rental or for homeownership that is spacious enough for a single household.

We can prevent many hundreds of long-term San Franciscans and guarantee long term stability if we act now. I ask for your support to fund the Emergency Housing Acquisition Program, and save our residents from pandemic-fueled displacement.

RE: Letter of Support from San Francisco Berniecrats for the Emergency Housing Acquisition Program

Dear Mayor Breed and Board of Supervisors:

I am writing to urge your support for Supervisor Preston's ordinance to fund the Emergency Housing Acquisition Program (File No. 210538). These funds will save hundreds of San Franciscans from pandemic-related displacement and are crucial for

beginning to build an infrastructure for **Public Housing for All**. On behalf of the San Francisco Berniecrats, I strongly urge you to move this effort forward without delay.

The SF Berniecrats wrote and supported November 2020's Proposition K to authorize 10,000 units of municipal social housing. We also campaigned for Proposition I to tax large real-estate transactions and fund rent relief and social housing. We were disappointed to see that **not a single dollar** of Proposition I's revenue was dedicated to social housing this fiscal year.

The pandemic has put extreme financial hardship on tens of thousands of working families, seniors, and other vulnerable households. While COVID initially depressed rents and rental property sales, rents and property prices are once again trending upwards.

Unless the City significantly increases its capacity to acquire and preserve rental properties NOW, thousands of existing tenants will be put at greater risk of displacement. The City will lose a time-limited opportunity to remove housing from the speculative market and permanently preserve units at affordable rents.

That's why I am urging you to support Supervisor Preston's proposal to allocate \$64 million to social housing acquisition. This ordinance would deliver on the promise of Proposition I, and the unanimous resolution passed last year by the Board of Supervisors to use Proposition I's revenue for social housing.

We can protect hundreds of San Francisco residents and guarantee long-term stability if we act now. Please fund the Emergency Housing Acquisition Program and save our residents from pandemic-fueled displacement.

Board of Supervisors Clerk,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

I was disappointed to read that the Mayor's 2021-22 budget does not spend Prop I revenue on its voter-intended purposes of rent relief and social housing, and instead slightly increases funding to SFPD from the General Fund.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Prop I funds shouldn't be misused for other purposes, and certainly shouldn't fund the police department instead. We need a deeply affordable housing infrastructure in the long term, and – in the short term – need to keep tenants housed by paying back all rent debt accumulated during COVID. Both of these are worthy uses of COVID Reserve funds, and will ensure that Prop I's voter-approved intent remains intact.

Thank you,

Heidi Chiao

Supervisors Board of Supervisors,

Dear Supervisors,

I am a resident of San Francisco District Alma Jackson\_\_\_\_\_ and I am writing to urge you to fund rental subsidies for seniors and people with disabilities in the city budget for the upcoming fiscal year.

I am part of the senior and disability communities and I see the great need for housing that we can afford. What is called “affordable” housing in the city is not affordable for those of us living on Social Security, SSI, or other extremely low incomes.

Portable rental subsidies and Senior Operating Subsidies have made it possible for hundreds of seniors and people with disabilities to stay in their homes, but thousands more see our rents rising but our incomes staying the same.

You have the chance to expand subsidies and keep us in our homes and off the streets! Please include in the upcoming budget an additional \$3 million for portable rental subsidies for seniors and people with disabilities and an additional \$3 million for Senior Operating Subsidies.

Our communities are counting on you.

Thank you!

Board of Supervisors Legislative Aides ,

Dear Supervisors,

I am writing to urge you to fund rental subsidies for seniors and people with disabilities in the city budget for the upcoming fiscal year.

I am part of the senior and disability communities and I see the great need for housing that we can afford. What is called “affordable” housing in the city is not affordable for those of us living on Social Security, SSI, or other extremely low incomes.

Portable rental subsidies and Senior Operating Subsidies have made it possible for hundreds of seniors and people with disabilities to stay in their homes, but thousands more see our rents rising but our incomes staying the same.

You have the chance to expand subsidies and keep us in our homes and off the streets! Please include in the upcoming budget an additional \$3 million for portable rental subsidies for seniors and people with disabilities and an additional \$3 million for Senior Operating Subsidies.

Our communities are counting on you.

Thank you!

Jessica Lehman

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Board of Supervisors Clerk,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

My name is Shaelyn Watson and I live and work in District 1. I voted yes on Prop I to fund rent relief and social housing in San Francisco. Outside my window I can see several empty apartments and some people sleeping in their cars. These unhoused neighbors need support and housing - definitely not more policing.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Thank you,

Shaelyn Watson
District 1 San Francisco
Voted YES on Prop I for social housing funding and rent relief

Board of Supervisors Clerk,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

I was disappointed to read that the Mayor's 2021-22 budget does not spend Prop I revenue on its voter-intended purposes of rent relief and social housing, and instead slightly increases funding to SFPD from the General Fund.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Prop I funds shouldn't be misused for other purposes, and certainly shouldn't fund the police department instead. We need a deeply affordable housing infrastructure in the long term, and – in the short term – need to keep tenants housed by paying back all rent debt accumulated during COVID. Both of these are worthy uses of COVID Reserve funds, and will ensure that Prop I's voter-approved intent remains intact.

Thank you,

Brett Wilkins

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

I was disappointed to read that the Mayor's 2021-22 budget does not spend Prop I revenue on its voter-intended purposes of rent relief and social housing, and instead slightly increases funding to SFPD from the General Fund.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Prop I funds shouldn't be misused for other purposes, and certainly shouldn't fund the police department instead. We need a deeply affordable housing infrastructure in the long term, and – in the short term – need to keep tenants housed by paying back all rent debt accumulated during COVID. Both of these are worthy uses of COVID Reserve funds, and will ensure that Prop I's voter-approved intent remains intact.

Thank you,

Annie Koruga
