Remote Access to Information and Participation

In accordance with Governor Gavin Newsom's statewide order for all residents to "Stay at Home" - and the numerous preceding local and state proclamations, orders and supplemental directions - aggressive directives have been issued to slow down and reduce the spread of the COVID-19 virus. On March 17, 2020, the Board of Supervisors authorized their Board and Committee meetings to convene remotely and allow for remote public comment; therefore, Board of Supervisors meetings that are held through videoconferencing will allow remote public comment. Visit the SFGovTV website (www.sfgovtv.org) to stream the live meetings or watch them on demand.

As the COVID-19 disease progresses, please visit the Board's website regularly to be updated on the current situation as it affects the legislative process and the Board of Supervisors.
